The Company may proceed to carry out the objects for which it is established, and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit; and if the whole of the shares shall not have been subscribed, applied for, or allotted as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

3. The business of the Company shall be carried on by or under the management or direction of the Directors, and subject only to the control of General Meetings in accordance with these presents.

CAPITAL.

4. The nominal capital of the Company is Five hundred thousand Rupees (Rs. 500,000), divided into 5,000 shares of One hundred Rupees (Rs. 100) each.
5. The Directors may, with the sanction of a special resolution of the Company, in General Meeting, increase the capital of the Company by the creation of new shares of such amounts per share and in the aggregate and with such special, preferential, deferred, qualified, or other rights, privileges, or conditions attached thereto as such resolution shall direct, and they shall have power to add to such new shares such an amount of premium as may be considered expedient.
6. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the same provisions in all respects with reference to the payments of allotment money, calls, and instalments, transfer, transmission, forfeiture, lien, surrender, and otherwise, as if it had formed part of the original capital.
7. The Directors may in like manner, and with like sanction, reduce the capital or subdivide or consolidate the shares of the Company.

SHARES.

8. The Company may call up the balance capital whenever the Director shall think fit, and may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.
9. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment shall, when due, be paid to the Company by the holder of the shares.
10. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they consider proper. Provided that such unissued shares shall first be offered by the Directors to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may at their discretion allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, or as remuneration for work done for, or services rendered to, the Company, and that without offering the shares so allotted to the Shareholders.
11. In case of the increase of the capital of the Company by the creation of new shares, such new shares shall be issued upon such terms and conditions, and with such preferential, deferred, qualified, special, or other rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct, and, if no direction be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to the dividends, and in the distribution of assets of the Company and with a special or without any right of voting.
- Subject to any direction to the contrary that may be given by the meeting that sanctions the increase of capital, all new shares shall be offered to the Shareholders in proportion to the existing shares held by them, and such offer shall be made by notice specifying the number of shares to which the Shareholder is entitled, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Shareholder to whom such notice is given that he declines to accept the shares offered, the same shall be disposed of in such manner as the Directors may determine. Provided that the Directors may, at their discretion, allot such new shares or any portion of them to the vendor or vendors of any estates or lands being acquired by the Company in payment of the whole or any part of the purchase price of any such estates or lands, and that without offering the shares so allotted to the Shareholders.
12. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company may from time to time direct.

14. Shares may be registered in the name of two or more persons not in partnership.
15. Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share; but only one of such Joint-Shareholders shall be entitled to the right of voting and of giving proxies and exercising the other rights and powers conferred on a sole Shareholder, and if the joint-holders cannot arrange amongst themselves as to who shall vote or give proxies and exercise such other rights and powers conferred on a sole Shareholder, the Shareholder whose name stands first on the register of shares shall vote or give proxies and exercise those rights and powers; provided, however, that in the event of such first registered Shareholder being absent from the Island, the first registered Shareholder then resident in Ceylon shall vote or give proxies and exercise all such rights and powers as aforesaid.
16. In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to, or interest in, such shares.
17. The Company shall not be bound to recognize (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 37 to become a Shareholder in respect of any share.
18. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.
19. Every Shareholder shall be entitled to a certificate or certificates under the common seal of the Company, specifying the share or shares held by him and the amount paid thereon.
20. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate. A sum of fifty cents shall be payable for such new certificate.
21. The certificate of shares registered in the name of two or more persons not a firm shall be delivered to the person first-named on the register.

CALLS.

22. The Directors may from time to time make such calls, as they think fit, upon the Shareholders in respect of all moneys unpaid on their shares, and not by the conditions of allotment made payable at fixed times, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call; and each Shareholder shall pay the amount of every call so made to the person and at the time and place appointed by the Directors.

23. If any Shareholder fail to pay the amount of any call due by him on or before the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of actual payment.

24. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing the call was passed.

25. The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

26. The Directors may, at their discretion, receive from any of the Shareholders willing to advance the same, and upon such terms as they think fit, all or any part of the moneys due upon their respective shares beyond the sums actually called for; and upon the moneys so paid in advance or upon so much thereof as from time to time and at any time thereafter exceeds the amount of the calls then made upon and due in respect of the shares in respect of which such advances have been made, the Board may pay or allow interest at such rate as the Shareholders paying such sums in advance and the Directors may agree upon, not exceeding however six per centum per annum.

TRANSFER OF SHARES.

27. Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing.

28. No transfer of shares shall be made to an infant or person of unsound mind.

29. The Company shall keep a book or books, to be called "The Register of Transfers," in which shall be entered the particulars of every transfer or transmission of any share.

30. The Board may, at their own absolute and uncontrolled discretion, decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise, or in case of shares not fully paid up, to any person not approved by them; and in no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

31. Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor, and a fee of two rupees and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid to the Company for the registration of every such transfer, upon payment whereof the Directors, subject to the powers vested in them by Article 30, shall register the transferee as a Shareholder and retain the instrument of transfer.

32. The Directors may, by such means, as they shall deem expedient, authorize the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

33. In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument or transfer produced by a person claiming a transfer of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

34. The register of transfers may be closed at such times and for such periods as the Directors may from time to time determine, provided always that it shall not be closed for more than twenty-one days in any year.

35. No shares in the original capital (hereinafter referred to as original shares) shall be sold or transferred by any Shareholder or trustee in bankruptcy or assignee or curator or legal or personal representative of any Shareholder unless and until the rights of pre-emption hereinafter conferred shall have been exhausted.

Every Shareholder or trustee in bankruptcy or assignee or curator who may desire to sell or transfer any original shares, and every legal or personal representative of a deceased Shareholder who may desire to sell or transfer any shares of such deceased Shareholder, shall give notice in writing to the Directors that he desires to make such sale or transfer, such notice shall constitute the Board his agent for the sale of such shares to any members or member of the Company, and shall state in such notice the price at which he offers to sell such shares.

Upon the price for such original shares being agreed on the Board shall forthwith give notice to each of the Shareholders (other than the Shareholders desiring to sell or transfer the said shares), stating the number and price of such shares and inviting the person to whom the notice is sent to state in writing within twenty-one days from the date of such notice whether he is willing to purchase any, and if so, what maximum number of such shares. At the expiration of such twenty-one days the Board shall apportion such shares amongst the shareholders (if more than one) who shall have expressed their desire to purchase the same and as far as may be *pro rata* according to the number of shares already held by them respectively, or if there be only one such Shareholder, the whole of such shares shall be sold to him, provided that no Shareholder shall be obliged to take more than the maximum number of such shares stated in his answer to the said notice. Upon such apportionment being made or such one Shareholder notifying his intention to purchase, as the case may be, the party desiring to sell or transfer such shares shall be bound upon payment of the said price to transfer the shares to the respective Shareholders or to the single Shareholder who shall have agreed to purchase the same.

In the event of the whole of such shares not being sold as herein provided, the party desiring to sell or transfer shall be at liberty to transfer the shares not so sold to persons who are not Shareholders, provided that he shall not sell them for a less sum than the price at which the same shall have been offered for sale to the Shareholders as aforesaid.

The provisions as to transfer herein contained shall not apply to a transfer of shares desired to be made merely for the purpose of effectuating the appointment of new trustees, provided that it is proved to the satisfaction of the Board that such is the case.

TRANSMISSION OF SHARES.

36. The executors or administrators or the heirs of a deceased Shareholder shall be the only persons recognized by the Company as having any title to the shares of such Shareholder.

37. Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title as the Directors think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

38. If any person who shall become entitled to be registered in respect of any share under clause 37 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share; or if in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to

inquire whether the events have happened which entitled the Company to sell the same, and the nett proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto,

SURRENDER AND FORFEITURE OF SHARES.

39. The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

40. If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at, which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, with interest and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

41. Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per centum per annum, and the Directors may enforce the payment thereof if they think fit.

42. Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

43. The surrender or forfeiture of a share shall involve the extinction of all interest in, and of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

44. A certificate in writing under the hands of one of the Directors and of the Secretary that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than nine per centum per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted, or otherwise disposed of under Article 42 hereof, shall be redeemable after sale or disposal.

45. The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, which the Directors shall have resolved to make, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

46. Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

47. The nett proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

48. A certificate in writing under the hands of one of the Directors and of the Secretary that the power of sale given by clause 46 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

49. Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

PREFERENCE SHARES.

50. Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

51. If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolutions could have been effected without it.

52. Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any members personally present and entitled to vote at the meeting.

BORROWING POWERS.

53. The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand, or in the future to be obtained from the Company's estates, as they may find necessary or expedient for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving, or extending buildings, machinery, or plantations, or otherwise. Also from time to time at their discretion to borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the money so borrowed or raised and owing at any one time shall not, without the sanction of a General Meeting, exceed Seventy-five thousand Rupees (Rs. 75,000), but the Director, shall not have power to mortgage or hypothecate any of the property of the Company as security for the repayment of such sum or sums of money without the sanction of a General Meeting.

54. With the sanction of a General Meeting, the Board shall be entitled to borrow such further sum or sums, and at such rate of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or of two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned, and shall be conclusive evidence thereof in all questions between the Company and its creditors.

55. For the purpose of securing the repayment of any such moneys so borrowed or raised, or for any other purposes, the Directors may, with the sanction of a General Meeting, grant, create, execute, and issue any mortgages, cash credits, debentures, debenture stock, bonds, or obligations of the Company, charged upon all or any part of the undertaking, revenue, lands, property, rights, and assets of the Company, both present and future, including uncalled capital or unpaid calls, or may make, accept, or endorse on behalf of the Company any promissory notes or bills of exchange.

56. Any such securities may be issued, either at par or at a premium or discount, and may from time to time be cancelled, discharged, varied, or exchanged, as the Directors may think fit, and may contain special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

57. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

The Directors may, whenever they think fit, call an Extraordinary General Meeting of the Company, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding in the aggregate one-eighth part of the shares of the Company for the time being subscribed for.

62. Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company.

Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

63. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

64. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

65. Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, date, hour of meeting, and the object and business of the meeting, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner (if any) as may be prescribed by the Company in General Meeting.

67. With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

68. No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present or represented at the commencement of the business two or more Shareholders entitled to vote.

69. If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

70. The Chairman (if any) of the Directors shall be entitled to take the Chair at every General Meeting, whether Ordinary or Extraordinary; or if there be no Chairman, or if at any meeting he shall not be present at the time appointed for holding such meeting, or if he shall refuse to take the Chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the Chair, then the Shareholders present shall choose one of their number to be Chairman.

71. No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the Chair is vacant.

72. 73. Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

74. At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy or by attorney, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder; and unless a poll be immediately demanded by some member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of votes recorded in favour of or against such resolution.

75. If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and place, and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

76. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

77. No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

78. On a show of hands every member shall have one vote only. In case of a poll every Shareholder shall have one vote for every share held by him.

80. Votes may be given either personally or by proxy or by attorney.

81. No Shareholder shall be entitled to vote at any meeting, unless all calls due from him on his shares have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote at any meeting held after the expiration of three months from the registration of the Company, in respect of any share which he has acquired by transfer, unless he has been possessed of the share in respect of which he claims to vote at least three months previously to the time of holding the meeting at which he proposes to vote.

82. No Shareholder who has not been duly registered as such for three months previous to the General Meeting shall be entitled to be present and to speak and vote at any meeting held after the expiry of three months from the incorporation of the Company.

87. No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

88. The number of Directors shall never be less than two or more than five, but this clause shall be construed as being directory only, and the continuing Directors may act notwithstanding any number of vacancies.

99. A Director may at any time give notice in writing of his intention to resign by delivering such notice to the Secretary, or by leaving the same at the registered office of the Company, or by tendering his written resignation at a meeting of the Directors, and on the acceptance of his resignation by the Directors, but not before, his office shall become vacant.

100. The Company may, by a special resolution, remove any Director before the expiration of his period of office, and may, by an ordinary resolution, appoint another person in his stead. 123. The Agent or Secretary, or the Agents or Secretaries, for the time being, or if there be no Agent or Secretary or Agents or Secretaries, the Directors shall cause true accounts to be kept of the paid-up capital for the time being of the Company, and of all sums of money received and expended by the Company, and of the matters in respect of which such sums were received and expended, and of the assets, credits, and liabilities of the Company, and generally of all its commercial, financial, and other affairs, transactions, and engagements, and of all other matters necessary for showing the true financial state and condition of the Company. The accounts shall be kept in such books and in such a manner at the registered office of the Company as the Directors think fit.

124. The Directors shall from time to time determine whether and to what extent, and at what times and places, and under what conditions or regulations the accounts and books of the Company or of any of them shall be open to the inspection of the Shareholders, and no Shareholder shall have any right of inspecting any account or book or document of the Company, except as conferred by statute or authorized by the Directors, or by a resolution of the Company in General Meeting.

125. At the Ordinary General Meeting in every year the Directors shall lay before the Company a statement of the income and expenditure of the Company for the previous financial year, and a balance sheet containing a summary of the property and liabilities of the Company made up to the end of the same period.

126. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other heads of expenditure. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting, and in case where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

127. The balance sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies' Ordinance, 1861," or as near thereto as circumstances admit.

128. Every such statement shall be accompanied by a report as to the state and condition of the Company, and as to the amount which the Directors recommend should be paid out of the profits by way of dividend or bonus to the Shareholders, and the statement, report, and balance sheet shall be signed by the Directors.

129. A printed copy of such balance sheet shall, at least seven days previous to such meeting, be delivered at, or posted to, the registered address of every Shareholder.

130. The accounts of the Company shall from time to time be examined, and the correctness of the balance sheet ascertained by one or more Auditor or Auditors.

AUDIT.

131. No person shall be eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company, but it shall not be a necessary qualification for an Auditor that he be a Shareholder of the Company, and no Director or officer of the Company shall, during his continuance in office, be eligible as an Auditor.

132. The Directors shall appoint the first Auditor of the Company and fix his remuneration. He shall hold office till the Second General Meeting of the Company. All subsequent appointments shall, except as is hereinafter mentioned, be made at the First Ordinary General Meeting of the Company in each year by the Shareholders present thereat, and the Auditor or Auditors appointed at such meeting shall hold office only until the First Ordinary General Meeting after his or their appointments, or until otherwise ordered by a General Meeting.

133. The remuneration of the Auditors other than the first shall be fixed by the Company in General Meeting and this remuneration may from time to time be varied by a General Meeting.

134. Retiring Auditors shall be eligible for re-election.

135. If any vacancy that may occur in the office of Auditor is not supplied at the Ordinary General Meeting, or if any casual vacancy shall occur in the office of Auditor, the Directors shall fill up the vacancy by the appointment of a person who shall hold office until the next Ordinary General Meeting after his appointment.

136. Every Auditor shall be supplied with a copy of the balance sheet intended to be laid before the next Ordinary General Meeting after his appointment, and it shall be his duty to examine the same with the accounts and vouchers relating thereto, and to report thereon to the meeting generally or specially, as he may think fit.

137. The Auditor or Auditors for the time being shall have a list delivered to him or them of all books kept by the Company, and he or they shall at all reasonable hours in the daytime have access to all accounts, books, and documents whatsoever of the Company for the purpose of audit.

DIVIDENDS, BONUS, AND RESERVE FUND.

138. The Directors may, with the sanction of the Company in General Meeting, from time to time declare a dividend to be paid, and (or) pay a bonus to the Shareholders in proportion to the amount paid on their shares, but no dividend shall be payable except out of nett profits.

139. The Directors may, if they think fit, determine on and declare an interim dividend to be paid, or pay a bonus to the Shareholders on account and in anticipation of the dividend for the then current year.

140. The Directors may, before recommending any dividend or bonus, set aside out of the profits of the Company such a sum as they think proper as a reserve fund, and may invest the same in such securities as they may select, or place the same in fixed deposit in any bank or banks, and may from time to time deal with and vary such investments, and apply such reserve fund or such portion thereof as they think fit to meet contingencies or for special dividends, or for equalizing dividends, or for working the business of the Company, or for repairing or maintaining or extending the buildings and premises of the Company, or for the repair or renewal or extension of the property or plant of the Company or any part thereof, or for any other purposes connected with the interest of the Company that they may from time to time deem expedient without being bound to keep the same separate from the other assets.

141. Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets and in particular of paid-up shares, debentures, or debenture stock of the Company or of any other company or in any one or more of such ways, and the Directors shall give effect to such direction, and when any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates, and may fix the value for distribution of such specific assets or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Directors. Where requisite a proper contract shall be filed, and the Directors may appoint any person to sign such contract on behalf of the persons entitled to the dividend, and such appointment shall be effective.

142. No unpaid dividend or bonus shall ever bear interest against the Company.

143. No Shareholder shall be entitled to receive payment of any dividend or bonus in respect of his share or shares whilst any moneys may be due or owing from him (whether alone or jointly with any other person) to the Company in respect of such share or shares, or otherwise howsoever.

144. The Directors may deduct from the dividend or bonus payable to any Shareholder all such sums of money as may be due from him (whether alone or jointly with any other person) to the Company, and notwithstanding the fact that such sums or any of them are not payable until after the date when such dividend or bonus is payable.

145. Notice of any dividend that has been declared, or of any bonus to be paid, shall be given to each Shareholder entitled thereto, and any dividend or bonus unclaimed by any Shareholder for three years after notice thereof is given may be forfeited by the Directors for the benefit of the Company, and, if the Directors think fit, may be applied in augmentation of the reserve fund.

146. Every dividend or bonus payable in respect of any share held by a firm may be paid to, and an effectual receipt given by, any partner of such firm or agent duly authorized to sign the name of the firm.

147. Every dividend or bonus payable in respect of any share held by several persons jointly other than a firm may be paid to, and an effectual receipt given by, any one of such persons.

148. Notices from the Company may be authenticated by the signature (printed or written) of the Agent or Secretary, Agents or Secretaries, or persons appointed by the Board to authenticate the same.

149. Every Shareholder shall give an address in Ceylon, which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

150. A notice may be served by the Company upon any Shareholder, either personally or by being sent through the post in a prepaid letter addressed to such Shareholder at his registered address or place of abode, and any notice so served shall be deemed to be well served, notwithstanding that the Shareholder to whom such notice is addressed be dead, unless his executors or administrators shall have given to the Directors, or to the Agent or Secretary or Agents or Secretaries of the Company, their own or some other address to which notices may be sent.

151. All notices directed to be given to Shareholders shall, with respect to any share to which persons are jointly entitled other than a firm, be given to whichever of such persons is named first in the Register of Shareholders, and notice so given shall be sufficient notice to all the holders of such shares.

152. Any notice if served by post shall be deemed to have been served on the day on which the letter containing the same would in ordinary course of post have been delivered at its address, and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put into a post office or post box, and the entry in the Company's books of the leaving or sending by post of any notice at or to such address shall be sufficient evidence thereof, and no further evidence shall be necessary.

153. Every Shareholder residing out of Ceylon shall name and register in the books of the Company an address within Ceylon at which all notices shall be served upon him, and all notices served at such address shall be deemed to be well served. If he shall not have named and registered such an address, he shall not be entitled to any notices.

All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

ARBITRATION.

154. Whenever any question or other matter whatsoever arises in dispute between the Company and any other company or person, the same may be referred by the Directors to arbitration.

EVIDENCE.

On the trial or hearing of any action or suit brought or instituted by the Company against any Shareholder or his representatives to recover any debt or money claimed to be due to the Company in respect of his shares, it shall be sufficient to prove that the name of the defendant is or was, when the claim arose, on the Register of Shareholders of the Company as a holder of the number of shares in respect of which such claim is made, and that the amount claimed is not entered as paid in the books of the Company; and it shall not be necessary to prove the registration of the Company, nor the appointment of the Directors who made any call, nor that a quorum of Directors was present at the Board at which any call was made, nor that the meeting at which any call was made was duly convened or constituted, nor any other matter whatsoever, but the proof aforesaid shall be conclusive evidence of the debt.

PROVISION RELATIVE TO WINDING UP OR DISSOLUTION OF THE COMPANY.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF COLOMBO.

Minutes of Proceedings of a General Meeting of the Municipal Council of Colombo held in the Town Hall on Friday, July 28, 1911.

The Council met this day at 3 P.M., pursuant to notice dated July 22, 1911.

Present :—Mr. K. W. B. Macleod, Chairman; Mr. C. P. Dias; the Hon. Mr. F. A. Cooper, C.M.G.; Sir Allan Perry, Kt.; Mr. H. A. Jayewardene; Major A. W. de Wilton; Mr. H. Tiruvilangam; Mr. R. S. Templeton; Mr. L. B. Fernando; Mr. N. H. M. Abdul Cader; Mr. Arthur Alvis; Mr. E. G. Jayewardene; Dr. David Rockwood; Mr. G. L. Cox; Mr. Wm. Moir; and Dr. D. P. Banajee.

The Minutes of General Meeting of June 30, 1911, having been printed, and a copy thereof having been sent to each Member of Council, were taken as read.

Resolved that the Minutes of General Meeting of June 30, 1911, be confirmed.

1. Pursuant to notice, Dr. David Rockwood asked the Chairman whether he has received complaints from householders in the City regarding the neglect on the part of the conservancy contractor to conserve private premises, and, if so, what steps have been taken to prevent complaints of this nature in the future, and also the reasons, if any, furnished by the contractor for such neglect, and moved for papers. Mr. E. G. Jayewardene seconded.—Carried.

The Chairman replied in the affirmative, and added that the explanation furnished by the contractor was to the effect that there was a scarcity of coolies and heavy mortality amongst bullocks owing to rinderpest having broken out. The contractor had been heavily fined for the neglects, and steps are being taken with a view to doing the work departmentally as soon as possible. Papers were laid on the table.

2. The question standing in the name of Mr. C. P. Dias, viz., "What measures have been or will be taken to combat the nuisance caused by the house-fly" was not asked, as the Member stated that he had since ascertained that all necessary steps had been taken by the Medical Officer of Health, long previous to his having sent notice of his question.

3. Pursuant to notice, Mr. C. P. Dias moved that this Council request the Chairman to call the attention of the Government to the alarmingly increasing number of paupers and other distressed persons who, in consequence of old age and enfeebled health, are cast adrift by conductors and kanganyies of estates, to meet their end by starvation or exposure on the public thoroughfares and in the haunts of the poor. Mr. E. G. Jayewardene seconded.

The motion was, by leave of Council, amended so as to read as follows :—

"That this Council request the Chairman to call the attention of the Government to the alarmingly increasing number of paupers and other distressed persons who find their way to Colombo, to meet their end by starvation or exposure on the public thoroughfares and in the haunts of the poor."

Council divided on the motion, and on a show of hands being taken the motion was declared lost.

4. Pursuant to notice, Dr. David Rockwood presented a petition from the residents of Alfred place, Colpetty, and moved that the same be considered. Sir Allan Perry, Kt., seconded.

The Chairman moved that the matter be referred to the Standing Committee on Municipal Works, for report. Mr. E. G. Jayewardene seconded.—Carried.

5. The Chairman moved that this Council do decide that Mr. H. L. de Mel continue to be a Councillor, although he has failed to attend three consecutive General Meetings. Mr. C. P. Dias seconded.—Carried.
