Power of Governor in Council to make rules for the regulation of public performance.

3 The Governor in Executive Council may make rules for the regulation of public performances, and in particular, without prejudice to the generality of the power so granted for the following purposes:

- (a) For the issue of licenses for buildings or erections to be used for public performances, or for any particular public performance, and for the withdrawal, suspension, or modification of the conditions of such licenses;

- (b) For the payment of fees for such licenses ;
- (c) For the regulation of the character of public performances ;

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 20, 1912.

HUGH CLIFFORD,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to provide in Ceylon the general powers that are generally recognized as desirable for the regulation of public performances in buildings or erections used for such purposes, with a view to the prevention of objectionable performance, and to the protection of the public against the danger of fire, overcrowding, or disorder.

2. Municipalities already possess such powers, and the Ordinance accordingly does not extend to Municipal towns, but as it is desirable that the powers exercisable by the Central and the Municipal authority should be of a uniform character, it is declared that the power already accorded to Municipalities shall be deemed to embrace all those specifically conferred upon the Governor in Council under this Ordinance, and it is also provided that offences against Municipal by-laws shall be liable to the same penalties and subject to the same summary jurisdiction as offences against this Ordinance.

Attorney-General.
