MUNICIPAL COUNCIL NOTICES.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on April 15, 1893, at 4 p.m.

Present.—The Chairman, R. W. Ievers, Esq.; H. J. Deslandes, Esq.; Dr. W. Dias; W. E. de Vos, Esq.; N. Dias Abeyesinhe, Esq.; Wm. Abeyesundere, Esq.; and T. S. Clark, Esq.

1. Before proceeding with the business of the day Mr. Deslandes moved "that the Council much regret the loss by death of their late Member for Ward No. 5, Mr. E. R. Anthonisz, and respectfully tender their sympathy (through their Secretary) to the family of the late Member, and that the same be entered in the Minutes of the Proceedings of the Galle Municipal Council."

Seconded by the Chairman.—Carried.

2. Read and confirmed Minutes of last Meeting.

3. Pursuant to notice Dr. Dias put the following questions:—

(1) Whether letters written by the Colonial Surgeon headed "Unsatisfactory Sanitation" and other matters on Sanitation, for the information of the Chairman and Council, have been duly brought before the Council?

(2) If the letters referred to in the first question have not been duly laid before the Council, to request information why they have not been so laid?

The Chairman, on behalf of Mr. E. Elliott, the late Chairman, replied that the letters referred to in these questions received due attention on the part of Mr. Elliott, who personally inspected the localities the insanitary condition of which was complained of, and took prompt steps to abate any nuisances he found to exist on such inspections. The measures necessary to carry into effect the suggestions made by Dr. Dias, where such measures were called for, having been taken, and the object of Dr. Dias's representations thus secured, Mr. Elliott did not think it necessary to lay the letters before the Council.

4. Read letter from the Chief Engineer, Colombo Waterworks, dated March 29, 1893, concurring in opinion with Mr. A. W. Burnett that in any year of ordinary rainfall, and even in somewhat dry years, there would be sufficient water to fill the Bikke reservoir.

5. Submitted letter No. 415 of March 29, 1893, from the Colonial Surgeon, Southern Province, inviting the attention of Council to the neglect in the inspection of pigs that are slaughtered.

Resolved,—That the Sanitary Officer and Inspectors be desired to watch the places where pigs are slaughtered and pork exposed for sale, and to proceed according to law..

6. Submitted the following recommendation from the Standing Committee made at a meeting held on April 8, 1893:—

Read letter No. 377 of March 7/8 last, from the Government Agent, Southern Province, intimating that the offer of Rs. 1,440 made by him for the acquisition of the two verandahs of the boutiques the Council desire to secure for widening the Bazaar road, has not been accepted.

Resolved,—That the Standing Committee recommend the Council to request the Government Agent to complete the acquisition by a reference to Court.

Resolved,—That the recommendation of the Standing Committee be adopted.

7. Submitted accounts for the month of March, 1893.

8. Submitted Superintendent's reports for March, 1893.
