And all duties and powers hereinafter required to be exercised by any registrar shall and may be exercised by the registrar-general.

Production of deed, &c., and registration thereof.

18 (1) It shall be lawful for the party gaining an interest or benefit under any deed, judgment, order, or other instrument required to be registered under section 16, personally or by his agent to produce the same, or a duplicate or authenticated copy thereof, to the registrar of the district in which the land or property thereby affected is situate; and such registrar shall forthwith, upon delivery to him of the proper stamp for registration, register the same on the appointed page of the book assigned for the division, village, or district wherein the land thereby affected is situate, and shall transmit a note of such registration to the office of the registrar-general of lands to be filed of record.

And where he may have reason to apprehend that a fraud is about to be committed on any party, he shall be entitled, and is hereby required, to give notice to such party of the intended registration, in order to prevent the same being affected to his prejudice.

(3) No deed, judgment, order, or other instrument shall be registered, unless the same has been stamped with a stamp denoting that the duty payable thereon has been duly paid as hereinafter provided.

Provided that in cases wherein different allotments are treated and described as one property, and from their situation as respects each other can be included in one survey, the stamp duty shall be leviable as on one land only.

Where several lands included in the same deed are in more than one district.

21 (1) When several lands are affected by the same deed, and those lands lie in more districts than one, it shall be lawful for the party gaining an interest or benefit thereunder to apply to the registrar-general of lands in Colombo, or to the registrar of each of the districts in which the lands are situate, to have the deed registered.

(2) If the registrar-general is applied to, the duty for the registration of such deed in any one of such districts shall be the duty fixed by the Third Schedule hereunto annexed, together with the duty, if any, payable under section 20, with an increase of ten rupees for the additional registration in the other districts in which the lands are situate. The registrar-general, upon such application being made to him as aforesaid, shall forthwith cause to be despatched to the registrar of each of such districts the particulars required for the registration of the deed so far as concerns that district, and on receipt from the registrars of such districts of information that the registration has been effected in their districts respectively, the registrar-general shall make and sign an endorsement on such deed of the registration in the said districts.

(3) If the said deed is tendered for registration by the party gaining an interest or benefit thereunder to the registrar of each district in which the lands are respectively situate, the first registrar to whom the deed is tendered shall levy the duty fixed by the Third Schedule hereunto annexed, together with the duty, if any, payable under section 20 for the registration of such deed, and it shall be registered free of any further duty in the registry office of every other district in which the lands affected thereby are respectively situate.

If such property consists of a portion only of one land or allotment, such portion shall be clearly and accurately defined by its particular boundaries and extent. And if such property consists of an undivided share in a land, it shall be so stated, and a particular description given as aforesaid of the entire land in which such share or interest is held, together with the extent of such share or interest.

Volume and folio of previous registry to be quoted

24 When any property which shall have been once registered shall be subsequently sold, encumbered, or otherwise affected or dealt with, the deed or instrument purporting to transfer or otherwise deal with or affect such property shall state the volume and folio of the register in which such property has been previously registered, as the same shall appear in the register already made of such property.

Caveat in certain cases.

25 It shall be competent to any party to lodge with the registrar a caveat to prevent the registration of any transfer or security affecting any land or other property as aforesaid; and such caveat shall entitle such party to notice of any application for registration as regards such land or property, unless where the caveat limits the time of its operation, in which case it shall cease to have any force or value upon the lapse of such time. But no such caveat shall be sufficient to prevent the registration applied for, unless it be followed up within thirty days after service of the notice of application by an action before some competent court, and notice thereof to the registrar; in which case the registrar shall suspend the registration until the final adjudication of such action.

On death of owner, the executor or administrator shall be registered.

26 On the death of any registered owner or other interested party, all lands belonging to him, or in which he may have an interest, shall remain in his name until probate or administration of his estate shall have been granted, whereupon, and upon a written application in that behalf, the name of the executor or administrator shall be registered in the books, until a partition, transfer, or alienation of the lands shall have been effected, whereupon, and upon like application, such partition, transfer, or alienation shall be registered as hereinbefore provided.

On partition, a fresh registration shall be effected.

27 On the partition of any land registered as one allotment, the registrar shall, upon a written application in that behalf, register the new allotments on separate and fresh pages of the book, with such references as may be necessary to identify them with the original registration.

28 The secretary of every district court throughout the Island shall, at the end of every month, transmit to the registrar of the province or district in which such court is situate, a list of all persons appointed executors, adminis-

(2) Societies for any purpose which the Governor, with the advice of the Executive Council, may, by notification in the *Government Gazette*, authorise as a purpose to which the powers and facilities of this Ordinance ought to be extended (herein called specially authorised societies).

Limited application of the Ordinance.

4 The Governor may limit the application of this Ordinance as respects specially authorised societies to such of the provisions herein contained as may be specified in the notification authorising the registration of any such society.

Registry of societies.

5 With respect to the registry of societies the following provisions shall have effect:—

(1) No society can be registered under this Ordinance which does not consist of seven persons at least, and has not a subscribed capital of at least ten thousand rupees.

(2) For the purpose of registry an application to register the society, signed by seven members and the secretary,

and two written or printed copies of the rules, shall be sent to the registrar.

(4) The words "society, limited" shall be the last words in the name of every society registered under this Ordinance.

(5) The registrar, on being satisfied that a society has complied with the provisions as to registry in force under this Ordinance, shall issue to such society an acknowledgment of registry.

Suspension.

(2) The registrar in any case in which he might, with the approval of the Governor, cancel the registry of a society, may suspend the same, by writing under his hand, for any term not exceeding three months, and may, with the approval of the Governor, renew such suspension from time to time for the like period.

Notice of cancelling and suspension.

Effect of cancelling or suspension.

(5) A society whose registry has been suspended or cancelled shall, from the time of such suspension or cancelling (but if suspended, only whilst such suspension lasts, and subject also to the right of appeal hereby given) absolutely cease to enjoy as such the privileges of a registered society, but without prejudice to any liability actually incurred by such society, which may be enforced against the same as if such suspension or cancelling had not taken place.

Ordinance enacted by the Governor of Ceylon, with the advice
and consent of the Legislative Council thereof.

No. 18.—1891.

An Ordinance relating to the Galle Waterworks' Loan.

A. E. HAVELOCK.

Preamble.

WHEREAS by "The Galle Waterworks Ordinance, 1890," provision was made for the advance by the Governor in Executive Council, to the Municipal Council of Galle, by way of loan, of a sum not exceeding sixty thousand rupees, to be applied exclusively in the construction of waterworks for supplying water to the Fort division of the Galle municipality:

And whereas the said sum has proved insufficient for the purpose, and it is expedient that the Governor, in Executive Council, should be empowered to advance by way of loan a further sum not exceeding ten thousand rupees for the said purpose:

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council, as follows:—

Short title.

1 This Ordinance may be cited as "The Galle Waterworks Ordinance, 1891."

Repeal of Ordinance No. 2 of 1890.

2 "The Galle Waterworks Ordinance, 1890," is hereby repealed: Provided that this repeal shall not affect—

- (1) The past operation of the said Ordinance, nor anything duly done or effected under it:
- (2) Nor any right, privilege, obligation, or liability acquired, accrued, or incurred under the said Ordinance:
- (3) Nor any legal proceeding or remedy in respect of such right, privilege, obligation, or liability as aforesaid.

Governor in Executive Council may lend an additional sum of ten thousand rupees to Galle municipality.

3 The Governor, in Executive Council, is hereby empowered to advance to the municipal council of Galle, by way of loan, in addition to the sum of sixty thousand rupees lent and advanced under "The Galle Waterworks Ordinance, 1890," a further sum not exceeding ten thousand rupees, to be applied exclusively in the construction of waterworks for supplying water to the Fort division of the Galle municipality.

To repay the loans a water-rate may be levied.

4 (1) To enable the said municipal council to liquidate the principal of, and interest on, the loan of sixty thousand rupees advanced to them under "The Galle Waterworks Ordinance, 1890," and the additional loan of ten thousand rupees advanced to them under this Ordinance, it shall be lawful for the said Council, and they are hereby authorised and empowered, to impose and levy a water-rate on the annual value of all houses, buildings, lands, and tenements, other than the property of the Crown, within the limits of the Fort division of the Galle municipality.

Rate not to exceed seven per cent.

(2) Such water-rate shall be determined from time to time by the Governor, in Executive Council, but shall not exceed seven per cent. on such annual value as aforesaid.

Rate how recovered.

(3) The provisions of any existing or future Ordinance or Ordinances, or of any by-laws lawfully enacted thereunder by the said municipal council, relating to the assessment, recovery of, and exemptions from the police rate within the limits of the Galle municipality, shall apply to the assessment, recovery of, and exemptions from such water-rate.

Rate to be a first charge on house property, and to be paid quarterly in advance.

5 Such water-rate shall be payable on the first day of each quarter in respect of the water to be supplied during the three months next ensuing, and shall be a first charge upon every house, building, land, and tenement within the limits of the said Fort division, and shall take precedence over every mortgage, hypothecation, or encumbrance thereon whatsoever. Provided always that on each occasion that a claim for arrears is made in respect of any one house, building, land, or tenement, such first charge and hypothecation shall be, and it is hereby limited to, not more than twelve months' arrears of water-rate.

Proceeds of rate to be applied in repayment of loan.

6 The proceeds of the rate so levied (after payment of the expenses annually incurred in the supply of water and in the collection of the rate) shall be applied to the liquidation of the principal and interest of the said loans, and to no other purpose whatsoever; and in the event of there being in any one year any surplus after due payment of the interest and sinking fund of the said loans in the manner hereinafter mentioned, such surplus shall be carried by the municipal council to the credit of the water-rate account, and shall not form part of the municipal fund, anything in the Ordinance No. 7 of 1887 to the contrary notwithstanding.

Loans to bear interest at five per cent. per annum.

7 The said loans shall bear interest (including the amount required for a sinking fund as hereinafter provided) at the rate of five per cent., amounting to three thousand five hundred rupees per annum, which sum shall be paid in equal half-yearly instalments to the Treasurer of this Colony by the municipal council of Galle on the thirtieth day of June and the thirty-first day of December in each and every year until the principal and interest due on the said loans have been fully liquidated.

Government to retain as interest four per cent. per annum on amount due, and to apply balance towards liquidation of debt.

8 Out of this sum of three thousand five hundred rupees the Government of this Colony shall be entitled to retain as interest four per cent. per annum upon the amount from time to time due to the Government in respect of the said loans, and the balance of the said sum of three thousand five hundred rupees shall be annually applied to the liquidation of the principal sum of seventy thousand rupees until the same be extinguished.

If municipality fail to pay instalments under section 7. Governor in Executive Council may authorise government agent to collect water-rate. Proviso.

Loans to be a first charge on the rates, taxes, &c., of the municipality.

9 In the event of the municipal council failing to collect and pay into the Colonial treasury any of the instalments declared to be payable under section 7 within thirty days of the same becoming due, it shall be lawful for the Governor, in Executive Council, to empower the government agent of the Southern Province to collect the water-rate independently of the municipal council : Provided, however, that no person who shall have paid his water-rate in respect of any quarter to the municipal collector shall be required to pay such rate in respect of the same quarter to the government agent ; nor shall any person who has paid his quarter's water-rate to the government agent be required to pay such rate in respect of the same quarter to the municipal council.

10 The said loans shall be a first charge on the rates and taxes, rents, and all other income and property whatsoever of the Galle municipality, and such charge and hypothecation shall take effect from the date at which this Ordinance shall come into operation.

Passed in Council the Eighth day of December, One thousand Eight hundred and Ninety-one.

H. L. CRAWFORD,
Clerk to the Council.

Assented to by His Excellency the Governor the Thirteenth day of December, One thousand Eight hundred and Ninety-one.
