All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

Present:—Hon. P. A. Templer, Chairman; Dr. F. Keyt; J. B. Siebel, Esq.; J. H. Sproule, Esq.; J. N. d'Esterre, Esq.

1. The Minutes of Proceedings of the Meeting held on June 23 were read and confirmed.
2. The following documents were laid on the table:—General Statement of Receipts and Disbursements on account of the Municipal Fund, and separate Statements of Receipts and Disbursements on account of the General Revenue, Police Assessment, and Water-rate accounts from close of 1892 to June 30; Progress Report of Work done brought up to the same date; Statement of Work done by the Municipal Magistrate, and of Cases instituted by the several Inspectors during the month of June; and Health Officer's Report.

Resolved,—That the several statements be forwarded, together with the minutes of proceedings, to the Colonial Secretary, as required by section 90 of the Municipal Councils Ordinance, as well as the Health Officer's report.

3. The Auditor's annual report for 1892, stating that he had found the accounts correct, was laid on the table.
4. The return of burials in the Mahaiyawa General Cemetery during the half-year ended June 30 was submitted.
5. The Chairman submitted the Annual Administration Report for 1892. In doing so he stated that the Government had requested by letter No. 15 of June 28, that the report be forwarded, though the Ordinance did not require it to be sent before August 31.

It was resolved that the request be complied with, and that the Government be requested to furnish the Council with twenty copies, on receipt of which the Council will proceed to consider the report and pass resolutions thereon, if necessary, as provided for under section 115 of the Municipal Councils Ordinance.

6. Read letter No. 17 of July 22, from the Colonial Secretary, in reply to the Chairman's letter No. 135 of July 14, that it is the intention of Government during the next Session of the Legislative Council to introduce the proposed Ordinance, of which a draft had been forwarded to the Council, "relating to the sale by retail of Opium and Bhang."

7. With reference to the offer made by J. Caldera to purchase the Council's one-sixth share of premises No. 9, Katugastota road, the Chairman reported that the Council's terms as decided on by resolution 4 of the meeting on June 23 had not been accepted, and that the case had gone to trial, but that judgment had not yet been delivered.

Kandy, July 11, 1893.

L. VANDERSTRAATEN, Accountant.

Health Officer's Report for June, 1893.

General Health.—This has been good.

Infectious Diseases.—Chickenpox still exists in many parts of the Municipality. Typhoid fever has been prevalent; the exact cause of this is difficult to trace; and cases are likely to arise from time to time until all privies are done away with, dairies properly regulated, and the general drainage of the town more effectively carried out.

Insanitary Areas.—The premises known as 137, Trincomalee street, used as a cattle stabling ground, are in a very insanitary condition. The manure is allowed to accumulate, and is deposited all over the yard; the ground is saturated with filth; the stabling for the cattle is very defective; and the whole place wants thoroughly cleansing. An ashpit with cement floor should be constructed for the manure and refuse; the roadway and yard require new metal; the stalls should have cement or brick floors sloping gradually down to a drain to remove the urine.

I have frequently reported the very insanitary surroundings of a standpipe in Trincomalee street. These remain in the same condition.

The footpath in Trincomalee street, near Cross street, is in a dangerous and insanitary condition; large holes exist in the footpath itself, which look very like the roof of a drain having fallen in.

I have given special reports on premises known as "The Firs," and enclose one on the drainage of the Queen's Hotel.

Slaughter-house and Cattle Shed.—These have been kept clean and in good order.

Cattle.—The class of cattle is much the same.

Market.—This is kept in a good sanitary condition.

Public Latrines.—These are kept in a good sanitary condition.

19. *Refusal to Register.*—The Directors may decline to register any transfer of shares by a Shareholder who is indebted to the Company, or of any share on which the Company has a lien, or any transfer of shares made by any person in any case where they shall consider the proposed transferee to be an irresponsible person, or that the transfer will not be conclusive to the interests of the Company, or in case of shares not fully paid up to any person not approved by them. The Directors shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, they shall, upon the request of the Shareholder desirous of executing the same, convene an Extraordinary General Meeting of the Company, to resolve whether the said transfer shall be registered or not; and the resolution of such General Meeting shall be absolute.

20. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer his shares, and a fee of two rupees and fifty cents, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Article 19, shall register the transferee as a Shareholder and retain the instrument of transfer, but any instrument of transfer which the Directors may decline to register shall on demand be returned to the person depositing the same.

21. *Close of Books.*—The transfer books shall be closed during the fourteen days immediately preceding the Ordinary General Meeting in each year.

23. *Registration of New Interest.*—Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

24. *Transfer of New Interest.*—Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder of such share. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share. The instrument of transfer shall be presented to the Company, accompanied with such evidence as the Directors may require to prove the title of the transferor, and thereupon the Company shall, subject to the power vested in them by Article 19, register the transferee as a Shareholder.

SURRENDER OF SHARES.

25. *Terms of.*—The Directors may accept, in the name and for the benefit of the Company, upon such terms and conditions as may be arranged, the surrender of any shares in the capital of the Company, and any share so surrendered shall be dealt with in the same manner as is provided in these Articles with regard to forfeited shares.

FORFEITURE OF SHARES.

26. *Preliminary Notice.*—If any Shareholder fails to pay any allotment money, or call, or instalment on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

27. *Terms of Notice.*—The notice shall name a day (not being less than twenty-one days from the date of the notice) and a place or places on and at which such allotment money, or call, or instalment, and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the allotment money or call is payable will be liable to be forfeited.

28. *Forfeiture; Disposal of Shares forfeited; Annulment.*—If the requisitions of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may at any time thereafter, before payment of all moneys, calls, or instalment and interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Any shares so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot, or otherwise dispose of the same in such manner as they think fit. The Directors may, at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

29. *Continuing Liability.*—Any member whose shares have been forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all moneys, calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with legal interest thereon from the time of forfeiture until payment; and the Directors may enforce the payment of such moneys or any part thereof if they think fit.

PREFERENCE AND DEFERRED SHARES.

30. *Preference and Deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such guarantee or any such right of preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued, or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time by special resolution determine.

31. *Resolutions affecting a particular class of Shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time, or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares, and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent, in any case in which but for this Article the object of the resolution could have been effected without it.

32. *Meeting affecting a particular class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any five members personally present and entitled to vote at the meeting.

33. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, bonds for cash credits or other documents, and to grant mortgages or other deed or deeds of security over all or any of the Company's lands, property, estate, and assets, provided that the moneys so borrowed and owing at any one time shall not, without the sanction of the General Meeting, exceed twenty-five thousand rupees. Provided also that nothing herein contained shall be held to prevent the Directors procuring from time to time in the usual course of business such temporary advances as they may find it to be necessary for the purpose of defraying the expenses of working the business of the Company. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary.

34. *Proof of Power to Borrow.*—A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in Article 33, and subscribed by two or more of the Directors or by one Director and the Secretary, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors; and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

GENERAL MEETINGS.

35. *First and subsequent General Meetings.*—The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine. Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed, then at such place and at such time as soon after the first day of January in each year as the Directors shall determine.

24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferrer, and a fee of one rupee or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 23, 24, and 26, shall register the transferee as a Shareholder and retain the instrument of transfer.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of Payment Shares to be Forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or forfeited Shares to be Property of Company and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted or otherwise disposed of under article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall have not arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls; time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time, and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds of security over all or any of the Company's lands, property, estate, and assets. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained from the Company's estate or estates as they may find necessary or expedient for the purpose of defraying the expenses of working the said estate or estates, or of extending buildings, machinery, or plantations, or otherwise. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors; and no such document containing such declaration shall, as regards the creditors, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

47. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

52. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.* Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

53. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting. Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

54. *Business requiring and not requiring any Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions, in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

VOTING AT MEETINGS.

62. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded by some Member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

63. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

64. *Poll how taken.*—If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

75. *No Shareholder to be prevented from voting by being personally interested in result.*—No Shareholder shall be prevented from voting by reason of his being personally interested in the result of the voting.

76. *Shareholder should be registered for three months previous to Meeting before he can vote.*—Every Shareholder not disqualified by the preceding Articles, who has been duly registered for three months previous to the General Meeting, shall be entitled to be present and to speak and vote at all meetings.
