NEGOMBO DISTRICT.

Paddy.—Alutkuru Korale North : yala crops now being harvested are middling ; maha cultivation affected by drought. Hapitigam korale : yala crops now being harvested are middling ; some of the fields cultivated for maha affected by drought.

KALUTARA DISTRICT.

Paddy.—The yala harvest was gathered in during the month, and the weather was favourable for harvesting. The crop was good, especially in the Rayigam korale, where it is said to have exceeded any harvest during the past ten years. Fields are now being prepared for maha.

CENTRAL PROVINCE.

KANDY DISTRICT.

Paddy and Dry Grain.—Udunuwara : maha paddy being transplanted ; dry grain reaped. Yatinuwara : paddy, healthy ; dry grain being reaped, good prospects. Tumpane : yala paddy ripening, fair crop ; kurakkan harvested. Harispattu : maha paddy being transplanted, yala being reaped, fair crop ; dry grain, fair crop. Pata Dumbara : yala paddy and dry grain reaped ; fair crop. Uda Dumbara : yala paddy reaping commenced ; crop damaged by drought ; chenas being cleared. Pata Héwáheta : yala paddy and kurakkan being reaped, good crop ; maha cultivation impeded by drought. Udapalata : maha paddy sowing nearly completed ; kurakkan reaped, prospects good. Uda Bulatgama : maha paddy being weeded ; good prospects. Rain much wanted in every division.

MÁTALÉ DISTRICT.

Paddy and Dry Grain.—Severe drought everywhere in the district. Ratemahatmaya reports scarcity of food in Kandapalla and Wagapanaha Pallesiya pattu. Chenas ready for sowing when rain falls. Paddy cultivation for maha has begun under streams.

NUWARA ELIYA DISTRICT.

Paddy and Dry Grain.—Kotmalé : paddy, young plants weeded and transplanted ; kurakkan in ear promising well. Uda Héwáheta and Walapané : paddy, young plants ; clearing and burning of chenas for kurakkan commenced.

NORTHERN PROVINCE.

JAFFNA DISTRICT.

There was no rain during the month except slight showers on 29th and 30th in some parts of Valikamam East, Valikamam North, and Vadamarachy West. Paddy sowing for kalapokam of 1893 commenced. Payaru reaped during the month ; crop reported fair. Palmirah fruit gathered ; crop indifferent. Wind in general strong from the south-west and from the north-west on 29th and 30th.

MANNÁB DISTRICT.

Paddy and Dry Grain.—No land under crop. People are still clearing jungle and preparing lands for dry grain cultivation. No rain. Great distress.

MULLAITTIVU DISTRICT.

Ploughing and sowing of manavari lands in maritime pattu and Mulliavalai ; tank lands being ploughed in Tunukkai. Slight rain at intervals during month. General health good. A few cases of fever.

VAVUNIYA DISTRICT.

Sirupokam very poor except in Kilakkamulai. No cultivation in Cheddikulam. Scarcity still continues, and people attend relief works in increasing numbers. Good yala harvest under Mamadu. General health good.

SOUTHERN PROVINCE.

GALLE DISTRICT.

Paddy.—Yala over ; good. Sowing for maha commenced in both Talpe and Hinidum pattus. Preparation being made for sowing in Bentota-Walallawiti kórala, Wellaboda pattu, Gangaboda pattu, Gravets, and Akmimana.

MÁTARA DISTRICT.

Crop prospects good all over the district.

HAMBANTOTA DISTRICT.

Paddy.—Yala crops harvested ; returns generally excellent. Sowing for first maha commenced in most parts of the district. Owing to irrigation works district not much affected by long drought.

EASTERN PROVINCE.

BATTICALOA DISTRICT.

Threshing of later pinmari on 5,500 acres is nearly over ; yield good. Eltota harvest on 400 acres is ripe ; 1,500 acres sown a second time ; crop now in ear on 1,400 acres is very good. Ploughing for munmari harvest of 1894 is retarded for want of rain. Price of paddy Re. 1.25 a bushel, Indian corn Re. 1 a bushel, and fine grain Re. 1 a bushel.

TRINCOMALEE DISTRICT.

Pinmari harvest throughout the district reaped and stacked ; threshing not over, weather being unsettled. More rain wanted to moisten munmari lands for ploughing and sowing ; on this account progress in cultivation slow.

NORTH-WESTERN PROVINCE.

KURUNĠGALA DISTRICT.

Paddy and Dry Grain.—The country has suffered seriously from want of water during September ; cultivation is consequently retarded. The late yala harvest has covered an area below the average, and the outturn is poor. Sowing for maha proceeds, but young paddy greatly damaged from want of water, except where supply is derived from artificial sources. Chenas cleared ; sowing delayed. Cattle everywhere suffer from want of grass and water ; beyond the Deduru-oya drought most pronounced ; tanks empty. Cultivation for maha wet and dry very restricted, and food supply at low ebb. Relief works in Wannu draw increasing numbers—five hundred persons now at work ; drinking water very short, especially beyond Deduru-oya.

PUTTALAM DISTRICT.

Paddy and Dry Grain.—Paddy being reaped and threshed, and chenas cleared and sown in Demala hatpattu ; owing to want of rain no paddy and fine grain cultivated in Puttalam and Kalpitiya divisions.

CHILAW DISTRICT.

Paddy and Dry Grain.—Northern division : paddy being sown for maha, expecting rain ; and chenas being cleared for fine grain. Central division : no paddy cultivation during the month ; previous month's sowings have suffered for want of rain ; chenas being sown with kurakkan. Southern division : yala crops in low lands being reaped ; higher tracts a failure. Fine grain being sown in Otarapalata only ; tobacco crop partly failing from want of rain.

NORTH-CENTRAL PROVINCE.

No rain during the month. Paddy crops, where irrigation available, matured well, and are harvested ; chenas being sown with kurakkan. A few tanks contain water, but most are still dry. Scarcity of food reported in some villages. The prices of all grain are high, though not prohibitory. Sore-eyes, measles, and fever reported prevalent.

PROVINCE OF UVA.

Harvesting of late maha sowing ; crop damaged by flies ; yield consequently below the average. Yala cultivation in progress. Only middling return anticipated from young crop from present insufficiency of water.

PROVINCE OF SABARAGAMUWA.

RATNAPURA DISTRICT.

Paddy and Dry Grain.—In all the koralés a good yala crop has been harvested, weather having been splendid for harvesting operations. A few of the yala fields in Kolonna koralé are yet in blossom. Prospects of maha cultivation throughout the district both in dry and mud lands are unfavourable, owing to the continued drought of present month. In Nawadun koralé some of the maha plants in the fields have suffered from the growth of a weed known as "madametta" or "kirihevan." In Bintenna the chenas for kurakkan have been cleared and burned successfully.

KĠGALLA DISTRICT.

Paddy.—Yala being harvested in parts of Beligal koralé ; yield poor, owing to halpanpiduma. Harvest over in Paranakuru koralé and Three Koralés and Lower Bulatgama. Yield : Paranakuru koralé, fair ; Three Koralés and Lower Bulatgama, good. Reaping not yet begun in Galboda and Kinigoda koralés ; prospects fair. The present dry weather has retarded the progress in maha cultivation in parts of Paranakuru koralé and Galboda and Kinigoda koralés ; prospects fair. Hill paddy and iringu thriving well ; kurakkan harvest over in Galboda and Kinigoda koralés and Three Koralés and Lower Bulatgama ; outturn good ; in Paranakuru koralé and Beligal koralé harvesting has just commenced ; outturn good. Mun and gingelly : in Beligal koralé harvest over, yield middling. Mun : in Galboda and Kinigoda koralés yield middling. Amu sowing in progress throughout the district. Meneri being sown in Beligal koralé. No cattle disease. General health of the whole district greatly improved.

24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declination shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferrer, and a fee of rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 23, 24, and 26, shall register the transferee as a Shareholder and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming a transfer of any share in accordance with these Articles, and whether they abstain from so inquiring, or do so inquire and are misled, the transferrer shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting; also, when a dividend is declared, for the three next days ensuing the meeting.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of the Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of Payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at the time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold or re-allotted or otherwise disposed of under article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

43. *Calls; time when made.*—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

44. *Extension of time for payment of Call.*—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

45. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time, and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding however six per cent. per annum.

BORROWING POWERS.

46. *Power to Borrow.*—The Directors shall have power to borrow money for the purposes of the Company and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds of security over all or any of the Company's lands, property, estate, and assets. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained from the Company's estate or estates as they may find necessary or expedient for the purpose of defraying the expenses of working the said estate or estates, or of extending buildings, machinery, or plantations, or otherwise. Provided also that before the Directors execute any mortgage or issue any debentures they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its Directors; and no such document containing such declaration shall, as regards the creditors, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

47. *Assignment of Security.*—Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

GENERAL MEETINGS.

48. *First General Meeting.*—The first General Meeting shall be held at such time, not being more than twelve months after the registration of the Company, and at such place as the Directors may determine.

49. *Subsequent General Meetings.*—Subsequent General Meetings shall be held once in every year at such time and place as may be prescribed by the Company in General Meeting, and if no time or place is prescribed, at such time and place as may be determined by the Directors.

50. *Ordinary and Extraordinary General Meetings.*—The General Meetings mentioned in the last preceding clause shall be called Ordinary General Meetings; all other meetings of the Company shall be called Extraordinary General Meetings.

51. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital, and entitled to vote.

52. *Requisition to state object of Meeting; if Directors fail to call Meeting, Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

53. *Seven days' notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the object and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

54. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions, in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors; and shall also be competent to enter upon, discuss, and transact any business whatsoever of which special mention shall have been given in the notice or notices upon which the meeting was convened.

55. *Notice of other business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

56. *Quorum.*—No business shall be transacted at any General Meeting except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business three or more Shareholders entitled to vote.

57. *If Quorum not Present.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the

requisition of Shareholders, shall be dissolved, but in any other case it shall stand adjourned to the same day in the next week at the same time and place; and if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

58. *Chairman of Directors or a Director to be Chairman of General Meeting.*—In case of their absence or refusal a Shareholder may act.—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Director be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be a Chairman.

59. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting except the election of a Chairman whilst the chair is vacant.

60. *Chairman, with consent, may adjourn Meeting.*—The Chairman, with the consent of the meeting may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

61. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall when so entered be signed as soon as practicable by the Chairman of the same meeting, or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings, and of the proper election of the Chairman.

VOTING AT MEETINGS.

62. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately demanded by some Member present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the Minute Book of the Company, shall be sufficient evidence of the fact without proof of the number of votes recorded in favour of or against such resolution.

63. *Poll.*—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of business other than the question on which a poll has been demanded.

64. *Poll how taken.*—If at any meeting a poll be demanded by some Shareholder present at the meeting and entitled to vote, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

65. *No Poll on election of Chairman or on question of Adjournment.*—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

66. *Number of votes to which Shareholder entitled.*—On a show of hands every Member shall have one vote only. In case of a poll every Shareholder shall have one vote for every share up to thirty.

67. *Guardian of Infants, &c., when not entitled to vote.*—The parent or guardian of an infant Shareholder, the committee or other legal guardian of any lunatic Shareholder, the husband of any female Shareholder not entitled to her shares as separate estate, and the executor or administrator of any deceased Shareholder, or any one of such persons as aforesaid, if more than one, shall not be entitled to vote in the place of such infant, lunatic, female, or deceased person, unless such person shall have been registered as a Shareholder.
