DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Lepers Ordinance, 1901."

Preamble.

WHEREAS it is expedient to supplement "The Leper Ordinance, 1901," by making provision for the custody and administration of the property of lepers: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Leper Amendment Ordinance, No. of 1912," and shall be read as one with "The Leper Ordinance, 1901," hereinafter termed "the principal Ordinance."

2 The following sections shall be added to the principal Ordinance and shall be numbered 14 to 37 respectively:

Right of leper to administration of property or proceeds thereof under supervision of court.

14. Any leper detained in a leper asylum under the provisions of this Ordinance may apply to the District Court of the district in which he resided before his detention—

(a) For the administration of his property under the supervision of the court by a manager nominated by such leper; or

[New.]

(b) For the sale of his property or any part of his property and the administration of the proceeds thereof under the supervision of the court.

Mode of application.

[New.]

15. Every such application shall be made through the Superintendent of the said asylum in accordance with the form prescribed by the schedule to this Ordinance.

Procedure upon receipt of application.

[New.]

16. If the application is for the administration of the property, it shall be the duty of the court on the receipt of the application to cause a notice to be served upon the person nominated as manager by the leper to appear before him on a day fixed in the notice with a view to the consideration of the said application, and to cause to be served a copy of the said notice upon such of the relatives or dependants of the leper as it may consider necessary.

Appointment of manager.

[New, but cf. s. 567 of Civil Procedure Code.]

17. If the person nominated by the leper consents to act as manager, and such person appears to the court to be a fit and suitable person so to act, the court shall appoint such person to act as the manager of the property of the leper.

Court may require further nomination.

[New.]

18. (1) If the person so nominated decline to act as manager of the property of the leper, or, if the court shall be of opinion that such person is not a suitable person so to act, it may require the leper to nominate a suitable person who is willing to act, or alternatively to consent to the sale of the property, and the administration of the proceeds under the supervision of the court.

(2) If the leper fail to nominate a suitable person who is willing to act, or alternatively to notify his consent as aforesaid, the court shall proceed no further with the application.

Power of court to decline to appoint manager and to suggest sale of property.

[Modelled on s. 577 of Civil Procedure Code.]

19. (1) If it shall appear to the court, having regard to the situation and condition in life of the leper and his family, and the amount and description of his property, that it is not expedient to appoint a manager of his property, the court may so inform the leper, and require him to state whether he consents to the sale of his property, and to the administration of the proceeds thereof under the supervision of the court.

(2) If the leper so consents, the court may make order accordingly. If he fails so to consent, the court shall proceed no further with the application.

Power of manager.

[Cf. s. 571 of Civil Procedure Code.]

20. (1) Upon the appointment of the manager, the property of the leper shall vest in the manager, and shall be administered by him in trust for the leper under the direction of the court.

(2) Such manager may sue or be sued in respect of any claim by or against the leper affecting his property, and may exercise all the powers that might have been exercised by the leper in respect of his property.

Provided that no manager shall have power to sell or mortgage the property entrusted to him or any part thereof, or to grant a lease of any immovable property for any period exceeding five years without an order of the court.

Manager to deliver inventory and valuation.

[Cf. Civil Procedure Code, s. 572.]

21. (1) Every person appointed as a manager under this Ordinance shall, within a time to be fixed by the court, deliver in court in duplicate an inventory of the immovable property belonging to the leper, and of all such movable property, sums of money, goods, and effects as he may receive on behalf of the leper, together with a statement of all debts due by or to him.

(2) One copy of such inventory shall be filed of record in the court, and the other shall be served by the court upon the leper.

[New.]

Manager to furnish annual account.

[Civil Procedure Code, s. 572.]

22. (1) Every such manager shall furnish to the court annually, within three months of the close of the year, an account in duplicate of the property in his charge, exhibiting the sums received and disbursed on account of the property and the balance remaining in his hands.

(2) One copy of such account shall be filed of record in the court, and the other shall be served by the court upon the leper.

[New.]

Leper or relative may impugn inventory or account.
[*Civil Procedure Code, s. 572.*]

23. The leper, or any relative or dependant of the leper, may by petition to the court impugn the accuracy of any inventory or account rendered by a manager, and upon the receipt of any such petition the court may summon the manager and inquire summarily into the matter, and make such order thereon as it shall think proper.

Manager may be sued for an account.
[*Civil Procedure Code, s. 574.*]

24. It shall be lawful for a leper so declared under this Ordinance, or any relative of such leper, to sue for an account from any manager appointed under this Ordinance, or from his personal representative in case of his death.

Court may punish disobedient manager.
[*Civil Procedure Code, 576.*]

25. The court on the application of the leper, or of any relative of the leper, or of its own motion, may impose a fine not exceeding five hundred rupees on any manager, who wilfully neglects or refuses to deliver his accounts, or to obey any order of the court made with reference to the administration of the property of the leper, and may realize such fine by attachment and sale of his property under the rules in force for the execution of decrees of court, and may commit him to custody until he shall have furnished such account or complied with such order.

Court may remove manager.
[*Civil Procedure Code, s. 575 (modified)*]

26. The court may for any sufficient cause on the application of the leper, or, with the consent of the leper, of its own motion, remove any manager appointed under this Ordinance, and with the consent of the leper appoint any other suitable person in his place, and may order the person so removed to make over the property in his hands to his successor, and to account to such successor for all moneys received or disbursed by him.

Manager may apply property for support of relatives or dependants of leper.
[*New.*]

27. A manager may, with the approval of the court, expend such portion of the income of the property in his charge as may be reasonable and necessary for the purpose of the support of any relative or dependant of the leper who has no other adequate means of support, and with the like approval, and subject to such conditions as the court may direct, allow any relative or dependant of the leper to remain in the enjoyment of the property of the leper or any part thereof for the purpose aforesaid.

Payment of manager.
[*Civil Procedure Code, s. 569.*]

28. If the person appointed as manager of the property of a leper shall be unwilling to discharge the trust gratuitously, the court may fix such allowance to be paid out of the property of the leper as, under the circumstances of the case, may be thought suitable.

Court may require security.
[*Civil Procedure Code, s. 752.*]

29. The court shall have the like power to order a manager of a leper's estate to give security for the due administration of the estate as a District Court has in the case of administration of deceased person's estate.

Determination of questions arising in the administration.
[*New.*]

30. A leper, or the manager of the property of a leper, or any person interested in the administration of the property, may apply at any time to the court by petition for the determination of any question arising in the course of the administration of the said property, and the court may thereupon, on hearing all persons interested, and after trying any issues that may be necessary to be tried for the purpose of the determination of such question, make such order as may seem just.

Sale of leper's property by order of court.
[*New.*]

31. In any case in which a leper detained under this Ordinance applies to the court for the sale of the property or any part of his property, and for the administration of the proceeds thereof under the supervision of the court, the court, upon notice to all relatives of the leper which it may consider necessary to notify, and upon hearing all such persons interested who may desire to be heard upon such application, may make such order accordingly.

Application of proceeds of sale.
[*New.*]

32. In any such case, or in any case in which under this Ordinance the court otherwise orders a sale of the leper's property, the proceeds of the sale shall be paid into court, and such proceeds and the income thereof shall be applied for the benefit of the leper or his relatives or dependants in accordance with the orders of the court.

Power of leper to apply to court.

[New.]

33. In any case in which a court shall have ordered the property, or the proceeds of the sale of the property, of a leper to be administered under the supervision of the court, it shall be lawful for the leper at any time to petition the court—

- (a) For the application of any part of his property or the proceeds thereof for the benefit of the leper or any other person ;
- (b) For the furnishing to such leper of any information as to the condition of his property which the leper may reasonably require ;
- (c) For the issue of directions by the court for the administration of the property in accordance with the desires of the leper ;
- (d) In respect of any other matters which the leper may consider for the advantage of himself or his relatives and dependants with reference to his property or the proceeds thereof—

and the court upon the consideration of any such petition may make such order as seems just.

Communication from leper to court.

[New.]

34. (1) All applications, petitions, or communications presented to a court by a leper detained under this Ordinance may be made in writing signed by the leper, and forwarded through the Superintendent of the asylum in which he is detained, and a certificate purporting to be given by such Superintendent to the effect that any such writing was signed by the leper shall be accepted by the court as *prima facie* evidence of such signature.

Services of notices, &c., upon lepers.

[New.]

(2) All notices or other documents which may be required to be served upon a leper in the course of the administration of his property under this Ordinance may be served upon him by post through the Superintendent of the asylum in which he is detained, and a certificate purporting to be given by such Superintendent to the effect that any such notice or document was served upon the leper shall be accepted by the court as *prima facie* evidence of such service.

General powers of court.

[New.]

35. In making any order under this Ordinance the court shall have regard to the interests of the leper and his family and dependants, and may grant other relief than that asked for, and do all things necessary to adapt its order to the requirements of the case.

Appeals.

[Civil Procedure Code, s. 530.]

36. Any order made by the District Court under this Ordinance shall be subject to an appeal to the Supreme Court.

Exemption from stamp duty.

[Modified from s. 581 of Civil Procedure Code, which in cases relative to the administration of the estate of a lunatic exempts all such documents from stamp duty without distinction.]

37. The court may direct in the case of the property or the proceeds of the property of any leper being administered under its supervision that, having regard to the amount of such property and the condition of life of such leper or his relatives or dependants, no stamp duty shall attach or be payable in respect of any application, petition, notice, affidavit or other document filed in court in the course of such administration by the leper, or his manager, or any relative, or dependant.

Statement of Objects and Reasons.

THE object of this Ordinance is to afford similar protection to the property of lepers detained under the Leper Ordinance, as is afforded to the property of minors and lunatics by the Civil Procedure Code.

2. A leper being permanently segregated in the interests of society, and being thus hampered in the administration of any property he may possess, it is right that the State should afford him facilities for its proper management under judicial control.

3. The Ordinance substantially follows the model of the provisions of the Civil Procedure Code relating to lunatics, the corresponding sections being indicated in the margin, but certain differences are necessitated by the fact that the leper, unlike the lunatic, is *compos mentis*. Consequently administration of his property under the control of the court is only ordered upon his application. For the same reason he is entitled to information respecting the administration of his property, and to the expression of his views as to the manner in which that administration is to be carried out. He is therefore given facilities for communicating his views to the court and making such applications as he may think desirable. (Sections 33, 34.)

4. Sections 31, 32, and 35 have been inserted with a view to making the powers of the court as elastic as possible, so that it may act without regard to technicalities, and adapt its orders to the circumstances of the case.

5. Administration under the control of the court being at the leper's option and not compulsory, as in the case of lunatics, the exemption of all documents and proceedings from stamp duty is not absolute, but is placed in the discretion of the court. (Section 37.)

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance further to amend "The Prevention of Cruelty to Animals Ordinance, 1907."

Preamble

WHEREAS it is expedient further to amend "The Prevention of Cruelty to Animals Ordinance, 1907," hereinafter referred to as "the principal Ordinance": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Prevention of Cruelty to Animals (Amendment) Ordinance No. — of 1912," and shall be read and construed as one with the principal Ordinance.

Repeal.

2 "The Prevention of Cruelty to Animals (Amendment) Ordinance, 1909," is hereby repealed.

Power of Governor to establish infirmaries for the treatment of animals.

3 The following new clauses are hereby added to the principal Ordinance:

6A. (1) The Governor may, by order in the "Government Gazette," appoint any institution established in Ceylon for the treatment of sick or injured animals to be an infirmary for the treatment and care of animals in respect of which offences under section 6 have been committed.

(2) Every such infirmary shall be open to inspection at all reasonable hours by any officer authorized in that behalf by the Governor.

(3) The Governor may, whenever he thinks fit to do so, rescind any order made under sub-section (1).

(4) The court before which a prosecution for such an offence has been instituted may direct that the animal in respect of which the offence is alleged or proved to have been committed shall be sent for treatment and care to an infirmary, and be there detained until it is, in the opinion of the court, again fit for the work or labour on which it has been ordinarily employed.

(5) The cost of the treatment, feeding, and watering of the animal in the infirmary shall be payable by the owner of the animal according to such scale of rates as the Government Agent of the province may from time to time prescribe.

(6) If the owner refuses or neglects to pay such cost and to remove the animals within such time as the court may prescribe, the court may direct that the animal be sold, and the proceeds of the sale be applied to the payment of such costs.

Power of
Governor to
direct
application of
fines.

(7) The surplus, if any, of the proceeds of sale shall, on application made by the owner within two months after the date of the sale, be paid to him; and the deficit, if any, shall be recoverable from the owner by order of the court in the same manner as a fine, and when recovered shall be paid to the authorities of the infirmary.

10. The Governor in Executive Council may, by order in Council notified in the "Government Gazette," notwithstanding any statutory enactment inconsistent therewith, direct that the whole or any part of any of the fines recovered in respect of offences under this Ordinance shall be paid to any society established in Ceylon for the prevention of cruelty to animals.

Provided that where in any area any such fines are by law or practice already appropriated to any public authority established in the area, such order shall only take effect in the area subject to the consent of the public authority signified by resolution notified in the "Government Gazette," and to the extent authorized by such resolution.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, May 21, 1912.

HUGH CLIFFORD,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Bill is two-fold. First, to repair an omission in Ordinance No. 15 of 1909, under which the only authority which has power to make an order for the treatment of sick or injured animals in an infirmary is a Police Magistrate, whereas Municipal Magistrates and Village Tribunals dispose of a great number of cases under the Ordinance. This is cured by a repeal of the Ordinance and its re-enactment in wider terms.

2. The second object is to authorize the appropriation of fines imposed under the Ordinance to the Society for the Prevention of Cruelty to Animals. Where these fines are already appropriated to local authorities, the consent of the local authority is necessary to the diversion of these fines to the Society.

3. Incidentally an amendment has been made in the provisions incorporated from Ordinance No. 15 of 1909. Under that Ordinance (sub-section 7 of section 6A) the owner of the animal was not made responsible for any deficit incurred by the maintenance of his animal in an infirmary. The sub-section as now framed makes him responsible for the deficit. This is only fair, as the deficit is occasioned by his own criminal cruelty.
