#### Applications for Survey of Crown Land.

NOTICE is hereby given that surveys in connection with applications for the purchase of Crown land will in future be undertaken in the Western Province in rotation according to areas.

Applications for the survey of land within an area where surveyors are at work will be postponed until in due course the survey party returns to that area.

2. Applications for land within the following area will not be received after May 1, 1912, until further notice: No. 3, the whole of the Kalutara District.

3. The next area to be taken up is the following: No 2, the whole of the Colombo District (exclusive of the Negombo District).

Applications for the survey of land within this area should be made on or before March 1, 1913, after which date they will not be entertained.

4. This will, however, not preclude applicants from submitting for registration applications for land within closed areas with a view of ascertaining whether there is any preliminary objection to the sale.
