Preamble.

WHEREAS it is expedient to provide for the regulation of the business of Pawnbrokers: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

1 This Ordinance may be cited as "The Pawnbrokers' Ordinance, 1893."

Interpretation.

2 In this Ordinance—

"Pawnbroker" includes every person who carries on the business of taking goods in pawn.

"Pawner" means a person delivering an article for pawn to a pawnbroker.

"Pledge" means an article pawned with a pawnbroker.

"Shop" includes dwelling-house and warehouse, or other place of business, or place where business is transacted.

"Unfinished goods or materials" include any goods of any manufacture or of any part or branch of any manufacture either mixed or separate, or any materials whatever plainly intended for the composing or manufacturing of any goods, after such goods or materials are put into a state or course of manufacture, or into a state for any process or operation to be performed thereupon or therewith, and before the same are completed or finished for the purpose of wear or consumption.

Keepers of certain shops to be deemed pawnbrokers.

3 The following persons shall be deemed to be persons carrying on the business of taking goods in pawn (that is to say), every person who keeps a shop for the purchase or sale of goods, or for taking in goods by way of security for money advanced thereon, and who purchases or receives or takes in goods, and pays or advances or lends thereon any sum of money not exceeding five hundred rupees, with or under an agreement or understanding expressed or implied, or to be from the nature and character of the dealing reasonably inferred, that those goods may be afterwards redeemed or repurchased on any terms; and every such transaction, article, payment, advance, and loan shall be deemed a pawning, pledge, and loan respectively, within this Ordinance.

Application of Ordinance.

4 This Ordinance shall apply only where the sum lent by a pawnbroker at any one time does not exceed five hundred rupees.

Pawnbrokers to keep books as in schedule.

5 (1) A pawnbroker shall keep and use in his business such books and documents as are described in schedule I. to this Ordinance, in the forms therein indicated, and shall from time to time, as occasion demands, enter therein in a fair and legible manner the particulars indicated in and in accordance with the directions of that schedule, and shall make all inquiries necessary for that purpose. *Such books, documents, and forms may be kept and used in English, Sinhalese, or Tamil.

Name to be painted over door.

(2) A pawnbroker shall always keep exhibited in large characters over the outer door of his shop his name with the word "Pawnbroker" affixed in the English, Sinhalese, and Tamil languages.

Hours of business.

(3) A pawnbroker shall not take any article on pawn before 8 A.M. in the morning and after 8 P.M. at night.

Penalty.

(4) If a pawnbroker fails in any respect to comply with the requisitions of this section, he shall be guilty of an offence against this Ordinance, and be liable on conviction to a fine not exceeding one hundred rupees.

Pawn tickets to be given for pledges.

6 A pawnbroker shall, on taking any article in pawn, give to the pawner a pawn ticket, and shall not take any article in pawn unless the pawner takes the pawn ticket.

Agents, servants, &c., of a pawnbroker.

7 For the purpose of this Ordinance, anything done or omitted by the servant or agent of a pawnbroker in the course of or in relation to the business of the pawnbroker shall be deemed to be done or omitted (as the case may be) by the pawnbroker, and anything by this Ordinance authorized to be done by a pawnbroker may be done by his servant or agent.

Profit and charges allowed to pawnbrokers.

8 A pawnbroker may take profit on a loan on a pledge at a rate not exceeding that specified in schedule II. to this Ordinance.

A pawnbroker may demand and take the charges specified in the same schedule, in the cases and according to the rules therein stated and prescribed.

A pawnbroker shall not, in respect of a loan on a pledge, take any profit or demand or take any charge or sum whatever other than those specified in the same schedule.

A pawnbroker shall, if required at the time of redemption, give a receipt for the amount of loan and profit paid to him; and such a receipt shall not be liable to stamp duty unless the profit amounts to twenty rupees or more.

Pledges redeemable within one year, and seven days of grace.

9 Every pledge shall be redeemable within twelve months from the day of pawning, exclusive of that day; and there shall be added to that year of redemption seven days of grace within which every pledge, if not already redeemed, shall continue to be redeemable.

Pledges for five rupees and under, not redeemed in time, forfeited.

10 A pledge pawned for five rupees or under, if not redeemed within the year of redemption and days of grace, shall, at the end of the days of grace, become and be the pawnbroker's absolute property.

Pledges above five rupees redeemable until sale.

11 A pledge pawned for above five rupees shall further continue redeemable until it is disposed of as in this Ordinance provided, although the year of redemption and days of grace are expired.

Sale by auction of pledges above five rupees.

12 A pledge pawned for above five rupees shall, when disposed of by the pawnbroker, be disposed of by sale by public auction and not otherwise; and the regulations in schedule III. to this Ordinance shall be observed with reference to the sale.

A pawnbroker may bid for and purchase at a sale by auction, made or purporting to be made under this Ordinance, a pledge pawned with him; and on such purchase he shall be deemed the absolute owner of the pledge purchased.

Offences by auctioneer.

13 If an auctioneer does anything in contravention of the provisions of this Ordinance relating to auctioneers, or fails to do anything which he is required by this Ordinance to do, he shall be guilty of an offence, and shall be liable on conviction to a fine not exceeding one hundred rupees.

Power to inspect sale books.

14 At any time within two years after the auction at which a pledge pawned for above five rupees is sold, the holder of the pawn ticket may inspect the entry of the sale in the pawnbroker's book and in the filled-up catalogue of the auction authenticated by the signature of the auctioneer, or in either of them. Where such pledge appears to have been sold for more than the amount of the loan and interest due at the time of the sale, the pawnbroker shall on demand pay the surplus to the holder of the pawn ticket, in case the demand is made within two years after sale, deducting the necessary costs and charges of the sale.

Offences as to pledges above five rupees.

15 If, in regard to pledges for loans of above five rupees a pawnbroker—

- (1) does not *boná fide*, according to the direction of this Ordinance, sell a pledge pawned with him;
- (2) enters in his book a pledge as sold for less than the sum for which it was sold, or fails duly to enter the same;

- (3) refuses to permit any person entitled under this Ordinance to inspection of an entry of sale in the pawnbroker's book, or of a filled-up catalogue of the auction authenticated by the auctioneer's signature, to inspect the same; or
- (4) fails without lawful excuse (proof whereof shall lie on him) to produce such a catalogue on lawful demand; or
- (5) refuses to pay on demand the surplus to the person entitled to receive the same; or
- (6) takes in respect of any loan or a pledge any profit or demand other than that specified in schedule II.,

he shall in every such case be guilty of an offence, and shall be liable on conviction before a police court to a fine not exceeding one hundred rupees.

Holder of pawn-ticket entitled to redeem.

16 The holder for the time being of a pawn ticket shall be presumed to be the person entitled to redeem the pledge, and subject to the provisions of this Ordinance the pawnbroker shall, on payment of the loan and profit, deliver the pledge to the person producing the pawn ticket, and he is hereby indemnified for so doing. Provided, however, if the pawnbroker has reason to suspect that such holder has stolen or otherwise illegally obtained possession of the pawn ticket, the pawnbroker may seize and detain the person and the ticket and deliver them as soon as may be to an officer of police or village headman, who shall forthwith convey the person and the ticket before a court of competent jurisdiction to be dealt with according to law.

Liability of pawnbrokers in case of fire.

17 Where a pledge is destroyed or damaged by or in consequence of fire, the pawnbroker shall nevertheless be liable, on demand, within the period of redemption, to pay the value of the pledge, after deducting the amount of the loan and interest.

A pawnbroker shall be entitled to insure to the extent of the value of the article pawned.

Compensation for depreciation of pledge.

18 If a person entitled and offering to redeem a pledge shows to the satisfaction of a civil court of competent jurisdiction that the pledge has become, or has been rendered, of less value than it was at the time of the pawning thereof, by or through the default, neglect, or wilful misbehaviour of the pawnbroker, the court may, if it thinks fit, award a reasonable satisfaction to the owner of the pledge, and the amount awarded shall be deducted from the amount payable to the pawnbroker, or shall be paid by the pawnbroker in such manner as the court directs.

Protection of owners and of pawners not having pawn tickets.

19 (1) Any person claiming to be the owner of a pledge, but not holding the ticket, or any person claiming to be entitled to hold a pawn ticket, but alleging that the same has been lost, stolen, mislaid, destroyed, or fraudulently obtained from him, who shall deliver to the pawnbroker a declaration in the form prescribed in schedule IV., duly made before a justice of the peace by himself and by the person identifying him, shall thereupon have, as between himself and the pawnbroker, all the same rights and remedies as if he produced the pawn ticket.

Pawnbroker indemnified when acting in conformity to declaration.

(2) The pawnbroker is hereby indemnified for delivering the pledge or otherwise acting in conformity with the declaration, unless he has actual or constructive notice that the declaration is fraudulent or false in any material particular.

Penalty for false declaration.

(3) If any person makes a declaration under this Ordinance either for himself or as identifying another knowing the same to be false in any material particular, he shall be guilty of an offence, and shall be liable on conviction to be punished with imprisonment of either description for a term which may extend to six months, or with fine which may extend to one hundred rupees, or with both.

Unlawful pawning of goods not property of pawner.

20 If any person without lawful excuse pawns with a pawnbroker anything, being the property of another person, he shall be guilty of an offence, and shall be liable on conviction to be punished with imprisonment of either description for a term which may extend to two years, or with fine, or with both.

Proceedings where persons offering articles in pawn do not give a good account of themselves.

21 If any person—

- (a) offers to a pawnbroker an article by way of pawn, but refuses or is unable to give a satisfactory account of the means by which he became possessed of it; or
- (b) wilfully gives false information to a pawnbroker as to whether an article offered by him in pawn to the pawnbroker is his own property or not, or as to his name and address, or as to the name and address of the owner of the article; or
- (c) attempts or endeavours to redeem a pledge, not being entitled to redeem,

he shall be guilty of an offence, and be liable on conviction to a fine not exceeding one hundred rupees.

In every such case, and also in any case where, on an article being offered in pawn, a pawnbroker has reason to suspect that it has been stolen or otherwise illegally obtained, he may seize and detain the person and the article and deliver them, as soon as may be, into the custody of an officer of police or village headman, who shall forthwith convey the person and the article before a court of competent jurisdiction to be dealt with according to law.

Prohibition of taking in pawn linen, clothing, unfinished goods, &c., in certain cases.

22 If a pawnbroker knowingly takes in pawn any linen or apparel, or unfinished goods or materials entrusted to any person to wash scour, iron, mend, manufacture, work up, finish, or make up, he shall be guilty of an offence, and shall be liable on conviction to a fine not exceeding one hundred rupees; and the pawnbroker shall also restore the pledge to the owner thereof in the presence of the court or as the court directs.

Whenever, in any proceeding under this Ordinance, it shall be made to appear to a court that any article is in the unlawful possession of any pawnbroker, it shall be competent to such court to order the production of the article and its delivery to any person named by such court, under such terms, if any, as it may think proper.

Offences by pawnbrokers.

23 If a pawnbroker does any of the following things :—

- (1) takes an article in pawn from any person appearing to be under the age of sixteen years or to be intoxicated; or takes an article in pawn without giving the pawner a pawn ticket;
- (2) purchases, or takes in pawn or exchange a pawn ticket issued by another pawnbroker;
- (3) employs any servant apparently under the age of twenty-one years to take articles in pawn;

- (7) sells or otherwise disposes of any pledge pawned with him, except at such time and in such manner as is authorized by this Ordinance;
- (8) seizes or detains any person under the provisions of section 16 or 21 without reasonable or probable cause;

he shall be deemed guilty of an offence, and be liable on conviction to a fine not exceeding one hundred rupees, or to imprisonment, either rigorous or simple, for a term not exceeding six months.

Yearly licenses.

24 Every pawnbroker shall yearly take out from the government agent of the province or the assistant government agent of the district where the pawnbroker resides, a license for carrying on his business, and such license shall be in the form contained in schedule I., and shall bear a stamp of twenty rupees. And such government agent and assistant government agent shall forward to the inspector-general of police for his information a copy of each license issued.

Every license shall be dated on the day on which it is issued, and shall determine on the thirty-first day of July next ensuing.

If a person acts as a pawnbroker without a license as herein provided, he shall be liable for every such act to a fine not exceeding one hundred rupees, or to imprisonment, either rigorous or simple, for a term not exceeding six months.

Refusal of licenses.

25 A license shall not be refused except on any of the following grounds :—

(1) That the applicant has failed to produce satisfactory evidence of good character ; or is an auctioneer ; or has been at any time within five years from the date of such application found guilty of any acts rendered punishable under the 11th, 13th, 17th, or 18th chapters of the Penal Code, or under the provisions of this Ordinance ;

(2) That the shop in which he intends to carry on the business of a pawnbroker or any adjacent house or place possessed by him is frequented by thieves or persons of bad character, or is used for the sale of intoxicating liquor, opium, or bhang.

Cesser of license on conviction.

26 If a pawnbroker is convicted of any offence under this Ordinance, or of any fraud in his business, or of receiving stolen goods knowing them to be stolen, the government agent shall, if he thinks fit, withdraw any such pawnbroker's license and publish notice of such withdrawal in the *Government Gazette*, and such license shall thereupon be deemed and taken to be withdrawn, and shall be of no further force or effect; and any such pawnbroker who shall carry on his business after such withdrawal shall be guilty of an offence, and be liable on conviction to six months' rigorous imprisonment.

Pawnbroker must not carry on business of auctioneer.

27 It shall not be lawful for a pawnbroker to act as or carry on the business of an auctioneer, and any pawnbroker committing a breach of this section shall be guilty of an offence, and shall be liable on conviction to rigorous imprisonment for a term not exceeding six months.

Pawnbroker's book subject to examination.

28 It shall be lawful for a police magistrate to order a pawnbroker to attend before him on a day and hour to be named in writing, and to produce for examination all books and papers relating to his business.

If upon the receipt of such an order he fails without lawful cause to appear with his books and papers, he shall be liable on conviction to a fine not exceeding one hundred rupees.

Inspector of police may enter and search pawnbroker's shop or residence.

29 It shall be lawful for any officer of police not below the rank of inspector to enter any pawnbroker's shop or residence at any hour of the day and examine and take note of any article pledged with the pawnbroker, or any books and papers kept by him.

Whoever resists such officer of police in the execution of this duty shall be liable on conviction to a fine not exceeding one hundred rupees.

Accused may give evidence.

30 A person charged with an offence against this Ordinance may, if he thinks fit, tender himself to be examined on his own behalf, and thereupon may give evidence in the same manner and with the like effect and consequences as any other witness.

Imprisonment in default of payment of fine.

31 It shall be competent for the court before which any person has been convicted of any offence under this Ordinance and sentenced to pay a fine, to award, in default of

Short title and commencement.

1 This Ordinance may be cited as "The Explosives Ordinance, 1893," and shall come into operation at such time as the Governor shall by Proclamation in the *Government Gazette* appoint.

Repeal.

2 From and after the date that this Ordinance comes into operation the Ordinance No. 12 of 1873, intituled "An Ordinance for the prevention of Accidents by Gunpowder," shall be repealed. Provided that such repeal shall not affect the past operation of, or any liability, penalty, forfeiture, or punishment under, the Ordinance hereby repealed, or any rules passed thereunder, or any investigation or legal proceeding in respect of any such liability, penalty, forfeiture, or punishment as aforesaid.

Substances to which this Ordinance applies.

3 This Ordinance shall apply to gunpowder and other explosives as defined by this section.

For the purposes of this Ordinance the term "explosives" shall mean gunpowder, nitroglycerine, dynamite, gun cotton, blasting powders, fulminate of mercury or of other metals, coloured fires, and every other substance or mixture, whether similar to those above-mentioned or not, used or manufactured with a view to produce a practical effect by explosion or a pyrotechnic effect ; and shall include fog signals, fireworks, rockets, detonators, cartridges, ammunition of all descriptions, and every adaptation or preparation of an explosive as above defined.

Explosives exceeding 10 lb. to be kept only in public magazines, licensed stores, or in registered premises.

4 Explosives shall not be kept at any place except in a public magazine or in a store lawfully licensed under this Ordinance for keeping explosives. Provided that this section shall not apply to the keeping of any explosives not exceeding ten pounds' weight or to the keeping in any premises registered under this Ordinance of any explosives not exceeding two hundred pounds' weight.

Store license to be obtained from government agent.

5 Any person may apply in writing for a license for a store to the government agent of the province within which such store is situated, stating his name, address, and calling, the site and construction of the store, and the amount of gunpowder or other explosive he proposes to store therein ; and the government agent shall, as soon as practicable, if the site, construction of the store, and amount and description of the explosives are in accordance with the regulations made by the Governor in manner hereinafter mentioned, grant to the applicant on payment of such fee, not exceeding two rupees and fifty cents as may be fixed by the Governor, the license applied for.

Regulations prescribing situation and construction of stores to be made by the Governor, with the advice of the Executive Council.

6 The Governor may from time to time, with the advice of the Executive Council, make regulations to—

- (1) regulate the construction and materials and fittings of stores ; and
- (2) prescribe the buildings and works from which stores are to be separated, and the distances by which they are to be separated ; and

- (3) prescribe the maximum amount of explosives, not exceeding two tons, to be kept in stores, graduated according to their construction and situation, and their distances from the said buildings and works;
- (4) prescribe the number and description of explosives to be kept in the same store or registered premises;
- (5) prescribe where two or more explosives are allowed to be kept in the same store or registered premises the maximum amount of each such explosive to be kept therein;

- (7) Except after such cleaning, all tools and implements used in or in any repairs to the store shall be made only of wood, copper, or brass, or some soft metal or material, or shall be covered with some safe and suitable material; and
- (8) Due provision shall be made by the use of suitable working clothes without pockets, suitable shoes, searching, and otherwise, or by some such means, for preventing the introduction into the store of fire, lucifer matches, or any substance or article likely to cause explosion or fire, or any iron, steel, or grit; but this rule shall not prevent the introduction of an artificial light of such construction, position, or character as not to cause any danger of fire or explosion; and

Non-transferability, renewal, and forms of store licenses.

Store licenses shall be in the form from time to time directed by the Governor.

No. 16 of 1893.

An Ordinance relating to the wearing and carrying of Knives.

A. E. HAVELOCK.

Preamble.

WHEREAS the practice of wearing and carrying knives upon the person affords facilities for the infliction of dangerous wounds upon any sudden quarrel or provocation, and it has been established that a large proportion of the homicidal crime which has occurred in the Island within recent years has been committed by the use of the knife: And whereas it is expedient, for the prevention of such crime, to restrict the practice aforesaid: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:—

Short title.

Commencement.

1 This Ordinance may be cited as "The Prevention of Crime Ordinance, 1893"; and it shall come into operation in such provinces, districts, or places, and at such time as the Governor in Executive Council shall appoint by Proclamation in the *Government Gazette*. Provided that at least one month's notice of such time shall be given in the province, district, or place described in such Proclamation, in such manner as the Governor shall in each case determine.

Definition.

2 In this Ordinance, unless the context otherwise requires—

"Knife" shall mean any knife with which a stabbing wound can be inflicted, but shall not include a knife which is commonly known as a penknife.

Powers of the Governor in Executive Council.

3 (1) It shall be lawful for the Governor, in Executive Council, by Proclamation in the *Government Gazette*—

- (a) to revoke any Proclamation issued under section 1, and upon such revocation this Ordinance shall cease to have any effect in the province, district, or place described in such revoked Proclamation; or
- (b) to exempt from the operation of this Ordinance any portion or portions (to be defined) of any province, district, or place to which this Ordinance applies; or
- (c) to exempt, with or without conditions, any person or class of persons carrying on, engaged in, or employed in any profession, trade, business, manufacture, or occupation, whether agricultural or otherwise, from the provisions of this Ordinance.

(2) The Governor in Executive Council may, by Proclamation in the *Government Gazette*, reissue any Proclamation revoked under sub-section (a), or alter, modify, or revoke any exemptions made under sub-sections (b) or (c).

Offence.

4 From and after the coming into operation of this Ordinance in any province, district, or place, it shall not be lawful for any person therein to wear or carry upon his person a knife elsewhere than in a dwelling-house or the curtilage thereof.

Provided always that this section shall not apply—

- (a) to any public servant as defined in section 19 of the Ceylon Penal Code; or
- (b) to any person in the naval, military, or volunteer service of Her Majesty.

Penalty.

5 (1) Whoever, in contravention of the last preceding section, shall wear or carry upon his person a knife, shall be guilty of an offence, and shall, upon a first conviction, be liable to a fine not exceeding ten rupees, and upon every subsequent conviction to a fine not exceeding fifty rupees, or to simple or rigorous imprisonment not exceeding three months.

Forfeiture.

(2) The police magistrate who convicts the offender shall declare the knife in respect of which the offence has been committed to be forfeited, and shall cause such knife to be destroyed.

Share of fine to informer.

(3) A police magistrate imposing a fine under this Ordinance may award to an informer any portion, not exceeding a moiety thereof, which may be actually recovered.

Arrest of offender and seizure of knife worn or carried.

6 It shall be lawful for every police officer or headman, and they are hereby required, to arrest, with or without a warrant, any person committing an offence under this Ordinance, and to seize any knife which such person, in contravention of this Ordinance, shall be wearing or carrying upon his person, and to produce such person and knife before the nearest police magistrate to be dealt with according to law.

Security to keep the peace.

7 (1) If a person is convicted of a breach of section 4, the police magistrate may, in lieu of or in addition to any penalty which he may impose under this Ordinance, order the offender to execute a bond, with or without sureties, for a sum fixed with due regard to the circumstances of the case, and not being excessive, for keeping the peace during a period not exceeding six months.

Proviso.

Provided that where the offender is a minor, the bond shall be executed only by his sureties.

Proviso.

Provided also that if the conviction is set aside, on appeal or otherwise, the bond so executed shall become void.

Certain provisions of the Criminal Procedure Code to apply.

(2) The provisions of the Criminal Procedure Code, 1883, relating to proceedings subsequent to an order to furnish security to keep the peace, and to the procedure on forfeiture of bonds, shall, *mutatis mutandis*, apply to every order made and every bond executed under this section.

Onus of proof.

8 In any prosecution for a breach of section 4, it shall lie upon the defendant to prove that he is a person not incurring a penalty for such breach by virtue of the proviso to the said section, or by virtue of any exemption proclaimed under sub-section (c) of section 3.

Village tribunals may try cases of first offence.

9 In the case of a first offence against the provisions of this Ordinance, it shall be lawful for any village tribunal, within the limits of whose jurisdiction such offence is committed, to try the offender, and to exercise each and every of the powers which a police magistrate may in the like case exercise, anything in "The Village Communities Ordinance, 1889," to the contrary notwithstanding.

Proviso.

Provided that in no case shall a village tribunal order any offender to execute a bond for keeping the peace.

11 This Ordinance shall continue in force until the Thirty-first day of December, One thousand Eight hundred and Ninety-seven, or, if the Legislative Council be then in session, until the end of such session.

Passed in Council the Fourteenth day of December, One thousand Eight hundred and Ninety-three.

MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF KANDY.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall on Saturday, October 14, 1893, at 8.30 o'clock a.m.

Present:—Hon. P. A. Templer, Chairman; R. D. Ormsby, Esq.; Dr. F. Keyt; J. B. Siebel, Esq.; J. H. Sprout, Esq.; J. N. d'Esterre, Esq.; E. Beven, Esq.; Barnes de Alwis, Esq.

1. The Minutes of Proceedings of the Meeting held on September 16 were read and confirmed.

2. The following documents were laid on the table :—General Statement of Receipts and Disbursements on account of the Municipal Fund; also separate statements in respect of the General Revenue, Police Assessment, and Water Rate Accounts from close of 1892 to September 30; Progress Report of Work done brought up to the same date; Return of Work done by the Municipal Magistrate, and of cases instituted by the several Inspectors during the month of September; and Health Officer's Report.

Resolved,—That the General Statement be forwarded, together with the Minutes of Proceedings, to the Colonial Secretary, as required by section 90 of the Municipal Councils Ordinance, as well as the Health Officer's report.

3. Read report by the Special Committee appointed on September 17 to consider draft of "An Ordinance to vest the control of General Cemeteries situated within Municipal Limits in the Municipal Council."

Resolved,—That the report be adopted and forwarded to Government, and that it be pointed out that the provisions of the Ordinance requiring that certain graves shall be numbered has not been carried out, and that the Municipal Council is of opinion that this should be done before they are asked to take over the cemetery.

4. Read letter No. 36, dated October 11, from the Colonial Secretary, inquiring what are the cremation grounds situated within Municipality.

Resolved,—That the Colonial Secretary be informed in reply that there are no cremation grounds within the Municipality which are now in use.

5. Read letter No. 32, dated September 22, from the Colonial Secretary, forwarding copy of the New South Wales Dairies Supervision Act, and inquiring whether the Council is prepared to meet the expense of inspection and control of farms, sheds, and shops which furnish the city supply, but are outside Municipal limits.

Resolved, on motion of the Chairman,—That if it can be shown that the supervision and control of the supply of milk from sources outside the Municipality can be effectually carried out, the Council will be willing, within reasonable limits, to bear the cost of such supervision and control.

6. Read letter No. 32, dated September 15, from the Colonial Secretary, in reference to the Chairman's letter No. 5 of February 28, on subject of the Trincomalee street barrel drains, the upkeep of which was taken up by Government in 1880-81, but the cost of which the Lieutenant-Governor now considers should be partly borne by the Municipal Council.

Resolved,—That the Chairman be authorized to forward a reply, and in doing so to point out that the character of the drains in question has not changed since the Government took charge of them in 1881, or since the correspondence on the subject in 1890, and that the Council was relieved of the cost of their maintenance, not only on the ground that they formed part of the road, but that the Council's finances, which have not improved in any way, had been diminished from various causes, and that the taking over of these drains was considered by Government to be a legitimate mode of assisting the Council.

7. With permission of the Council, Mr. Sproule withdrew the motion of which he had given notice with reference to the placing of a fence round the reservoir.

8. Read the following recommendation of the Standing Committee on the subject of the extension of the water supply to the premises on the south side of the lake:—"That the only tender—that by Mr. James Samarakoon—amounting to Rs. 6,650 be rejected; and that the Council be advised to have the work executed on its own account upon the second estimate of the Secretary, which amounts to Rs. 4,755.48."

Resolved,—That the recommendation be adopted.

9. Read letter dated October 9 from the Members of the Municipal Council Office staff with regard to rules for pension as provided for under section 62 of the Municipal Councils Ordinance.

Resolved,—That the letter and connected papers be circulated, and consideration deferred until next meeting.

P. A. TEMPLER,
Chairman.

Kandy, October 10, 1893.

L. VANDERSTRAATEN, Accountant.

Health Officer's Report for September, 1893.

General Health.—This is good.

Infectious Diseases.—Only a few cases of chickenpox have occurred since last report.

Drainage.—This is as before reported.

Insanitary Areas.—Special reports on several insanitary areas have already been sent to the Municipal Council; also a report on the keeping of pigs at the Queen's Hotel stables.

The road leading from Ward street to the public bathing-place requires the supervision of the police. I notice the public use the sides of the road as a latrine.

Public Latrines, Slaughter-house, and Market.—These places are in a good sanitary condition, and have been kept clean.

Cattle.—The class of cattle sent for slaughter is much the same as formerly.
