**No. 15 of 1912.**

**An Ordinance to amend "The Lepers Ordinance, 1901."**

HENRY MCCALLUM.

Preamble.

WHEREAS it is expedient to supplement "The Leper Ordinance, 1901," by making provision for the custody and administration of the property of lepers: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Leper Amendment Ordinance, No. 15 of 1912," and shall be read as one with "The Leper Ordinance, 1901," hereinafter termed "the principal Ordinance."

2 The following sections shall be added to the principal Ordinance and shall be numbered 14 to 37 respectively:

Right of leper to administration of property or proceeds thereof under supervision of court.

14. Any leper detained in a leper asylum under the provisions of this Ordinance may apply to the District Court of the district in which he resided before his detention—

- (a) For the administration of his property under the supervision of the court by a manager nominated by such leper; or
- (b) For the sale of his property or any part of his property and the administration of the proceeds thereof under the supervision of the court.

Mode of application.

15. Every such application shall be made through the Superintendent of the said asylum in accordance with the form prescribed by the schedule to this Ordinance.

Procedure upon receipt of application.

16. If the application is for the administration of the property, it shall be the duty of the court on the receipt of the application to cause a notice to be served upon the person nominated as manager by the leper to appear before him on a day fixed in the notice with a view to the consideration of the said application, and to cause to be served a copy of the said notice upon such of the relatives or dependants of the leper as it may consider necessary.

Appointment of manager.

17. If the person nominated by the leper consents to act as manager, and such person appears to the court to be a fit and suitable person so to act, the court shall appoint such person to act as the manager of the property of the leper.

Court may require further nomination.

18. (1) If the person so nominated decline to act as manager of the property of the leper, or, if the court shall be of opinion that such person is not a suitable person so to act, it may require the leper to nominate a suitable person who is willing to act, or alternatively to consent to the sale of the property, and the administration of the proceeds under the supervision of the court.

(2) If the leper fail to nominate a suitable person who is willing to act, or alternatively to notify his consent as aforesaid, the court shall proceed no further with the application.

Power of court to decline to appoint manager and to suggest sale of property.

19. (1) If it shall appear to the court, having regard to the situation and condition in life of the leper and his family, and the amount and description of his property, that it is not expedient to appoint a manager of his property, the court may so inform the leper, and require him to state whether he consents to the sale of his property, and to the administration of the proceeds thereof under the supervision of the court.

(2) If the leper so consents, the court may make order accordingly. If he fails so to consent, the court shall proceed no further with the application.

- Power of manager.
20. (1) Upon the appointment of the manager, the property of the leper shall vest in the manager, and shall be administered by him in trust for the leper under the direction of the court.
- (2) Such manager may sue or be sued in respect of any claim by or against the leper affecting his property, and may exercise all the powers that might have been exercised by the leper in respect of his property.
- Provided that no manager shall have power to sell or mortgage the property entrusted to him or any part thereof, or to grant a lease of any immovable property for any period exceeding five years without an order of the court.
- Manager to deliver inventory and valuation.
21. (1) Every person appointed as a manager under this Ordinance shall, within a time to be fixed by the court, deliver in court in duplicate an inventory of the immovable property belonging to the leper, and of all such movable property, sums of money, goods, and effects as he may receive on behalf of the leper, together with a statement of all debts due by or to him.
- (2) One copy of such inventory shall be filed of record in the court, and the other shall be served by the court upon the leper.
- Manager to furnish annual account.
22. (1) Every such manager shall furnish to the court annually, within three months of the close of the year, an account in duplicate of the property in his charge, exhibiting the sums received and disbursed on account of the property and the balance remaining in his hands.
- (2) One copy of such account shall be filed of record in the court, and the other shall be served by the court upon the leper.
- Leper or relative may impugn inventory or account.
23. The leper, or any relative or dependant of the leper, may by petition to the court impugn the accuracy of any inventory or account rendered by a manager, and upon the receipt of any such petition the court may summon the manager and inquire summarily into the matter, and make such order thereon as it shall think proper.
- Manager may be sued for an account.
24. It shall be lawful for a leper so declared under this Ordinance, or any relative of such leper, to sue for an account from any manager appointed under this Ordinance, or from his personal representative in case of his death.
- Court may punish disobedient manager.
25. The court on the application of the leper, or of any relative of the leper, or of its own motion, may impose a fine not exceeding five hundred rupees on any manager, who wilfully neglects or refuses to deliver his accounts, or to obey any order of the court made with reference to the administration of the property of the leper, and may realize such fine by attachment and sale of his property under the rules in force for the execution of decrees of court, and may commit him to custody until he shall have furnished such account or complied with such order.
- Court may remove manager.
26. The court may for any sufficient cause on the application of the leper, or, with the consent of the leper, of its own motion, remove any manager appointed under this Ordinance, and with the consent of the leper appoint any other suitable person in his place, and may order the person so removed to make over the property in his hands to his successor, and to account to such successor for all moneys received or disbursed by him.
- Manager may apply property for support of relatives or dependants of leper.
27. A manager may, subject to the consent of the leper and with the approval of the court, expend such portion of the income of the property in his charge as may be reasonable and necessary for the purpose of the support of any relative or dependant of the leper who has no other adequate means of support, and with the like approval, and subject to such conditions as the court may direct, allow any relative or dependant of the leper to remain in the enjoyment of the property of the leper or any part thereof for the purpose aforesaid.
- Payment of manager.
28. If the person appointed as manager of the property of a leper shall be unwilling to discharge the trust gratuitously, the court may fix such allowance to be paid out of the property of the leper as, under the circumstances of the case, may be thought suitable.

Court may require security.

29. The court shall have the like power to order a manager of a leper's estate to give security for the due administration of the estate as a District Court has in the case of administration of deceased person's estate.

Determination of questions arising in the administration.

30. A leper, or the manager of the property of a leper, or any person interested in the administration of the property, may apply at any time to the court by petition for the determination of any question arising in the course of the administration of the said property, and the court may thereupon, on hearing all persons interested, and after trying any issues that may be necessary to be tried for the purpose of the determination of such question, make such order as may seem just.

Sale of leper's property by order of court.

31. In any case in which a leper detained under this Ordinance applies to the court for the sale of the property or any part of his property, and for the administration of the proceeds thereof under the supervision of the court, the court, upon notice to all relatives of the leper which it may consider necessary to notify, and upon hearing all such persons interested who may desire to be heard upon such application, may make such order accordingly.

Application of proceeds of sale.

32. In any such case, or in any case in which under section 19 of this Ordinance the court otherwise orders a sale of the leper's property, the proceeds of the sale shall be paid into court, and such proceeds and the income thereof shall be applied for the benefit of the leper or his relatives or dependants in accordance with the orders of the court.

Power of leper to apply to court.

33. In any case in which a court shall have ordered the property, or the proceeds of the sale of the property, of a leper to be administered under the supervision of the court, it shall be lawful for the leper at any time to petition the court—

- (a) For the application of any part of his property or the proceeds thereof for the benefit of the leper or any other person ;
- (b) For the furnishing to such leper of any information as to the condition of his property which the leper may reasonably require ;
- (c) For the issue of directions by the court for the administration of the property in accordance with the desires of the leper ;
- (d) In respect of any other matters which the leper may consider for the advantage of himself or his relatives and dependants with reference to his property or the proceeds thereof—

and the court upon the consideration of any such petition may make such order as seems just.

Communication from leper to court.

34. (1) All applications, petitions, or communications presented to a court by a leper detained under this Ordinance may be made in writing signed by the leper, and forwarded through the Superintendent of the asylum in which he is detained, and a certificate purporting to be given by such Superintendent to the effect that any such writing was signed by the leper shall be accepted by the court as *prima facie* evidence of such signature.

Service of notices, &c., upon lepers.

(2) All notices or other documents which may be required to be served upon a leper in the course of the administration of his property under this Ordinance may be served upon him by post through the Superintendent of the asylum in which he is detained, and a certificate purporting to be given by such Superintendent to the effect that any such notice or document was served upon the leper shall be accepted by the court as *prima facie* evidence of such service.

General powers of court.

35. In making any order under this Ordinance the court shall have regard to the interests of the leper and his family and dependants, and may grant other relief than that asked for, and do all things necessary to adapt its order to the requirements of the case.

Appeals.

36. Any order made by the District Court under this Ordinance shall be subject to an appeal to the Supreme Court.

Exemption  
from stamp  
duty.

37. The court may direct in the case of the property or the proceeds of the property of any leper being administered under its supervision that, having regard to the amount of such property and the condition of life of such leper or his relatives or dependants, no stamp duty shall attach or be payable in respect of any application, petition, notice, affidavit or other document filed in court in the course of such administration by the leper, or his manager, or any relative, or dependant.
