LAND SALES IN THE NORTH-CENTRAL PROVINCE.

No. 807, N.-C. P.

Colonial Secretary's Office,
Colombo, February 5, 1892.

ON Saturday, March 26, 1892, and following days, at noon, the Government Agent for the North-Central Province will put up to auction, at his office in Anuradhapura, the under-mentioned portion of Crown Land, on the terms authorised by Government.

An allotment of land situated in the Egoda pattuwa division of the Tamankaduwa district of the North-Central Province.

Preliminary plan 298.—Egoda pattuwa.

Lot.	Village.	Name of Original Purchaser.	Name of Claimant.	Description.	Extent. A. R. P.
1128	Kuwadi	Pakir Mohidin	The Crown	Paddy land	3 1 9

Further information respecting this land may be obtained from the Hon. the Surveyor-General, and respecting the conditions of sale from the Government Agent, Anuradhapura.

By His Excellency the Governor's command,
E. NOEL WALKER,
Colonial Secretary.

No. 807, N. C.-P.

NOTICES CALLING FOR TENDERS.

SEALED Tenders (in duplicate), marked on the envelopes "Tender for Additions, &c., to the Nursing Sisters' Quarters, General Hospital, Colombo," will be received at the Colonial Secretary's Office on Monday, February 22, 1892, from persons willing to contract for the under-mentioned service.

The extra accommodation, improvements, and repairs to the Nursing Sisters' quarters, General Civil Hospital, Colombo.

The tenders are to be made on forms which will be supplied upon application at the office of the Director of Public Works, and no tender will be considered unless it is furnished on the recognised form.

A deposit of Rs. 100 will be required before any form of tender is issued; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned upon signature of a contract.

The deposit should be made at the Treasury or the Kacheheri, and the receipt of the Treasurer or the Government Agent produced when applying for forms.

Sufficient sureties will be required to join in a bond for the due fulfilment of the contract.

The amount of the bond, and all other necessary information in respect of plans, specifications, &c., can be ascertained upon application at the office of the Director of Public Works, Colombo.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

Time required for the completion of the work should be stated in the tender.

Persons whose tenders are accepted by Government will be required to bear the expenses of having security bonds prepared for the due performance of their contracts, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderers' own lawyers; and when bonds have been drawn by the tenderers' own lawyers, the name or stamp of the Proctor who drafted the bond should be affixed to the document.

Any alterations made in the tender form should bear the initials of the tenderers, and all tenders containing alterations not bearing the tenderers' initials will be treated as informal and rejected.

H. L. CRAWFORD,
for Colonial Secretary.

Colonial Secretary's Office,
Colombo, February 4, 1892.

Negombo ...	60·25	103·39	69·65	1 50	1 50	1 50	Practically	none in	the market		Maha crop damaged by high water	—	—
Kalutara ...	45·07	110·08	97·12	1 0 to 1 25	1 37 to 1 50	1 37 to 1 50	No dry grain is sold	in this	district		The extent cultivated for maha is less than usual owing to floods. The cultivation looks well	—	—
CENTRAL. KANDY. Udunuwara ...	—	—	—	1 25	1 25	—	Kurakkan Amu	0 87 0 50	1 0 0 50	— —	Transplanting of maha fields terminated in October. The growth of the plants is fair, save and except in the muddy fields, where the growth is bad. Fields cultivated with hatiyalandbala-wi began to blossom in November, and those cultivated with mawi in December. The amu chenas commenced blossoming in December. Their growth is fair	No harvesting during the quarter	Owing to excess of rain during the quarter the paddy plants in the muddy fields have not grown well

Yatinuwara ...				1 50	1 50		Kurakkan Amu	1 0 —	1 0 1 0	— —	Maha fields sown in August blossomed during the quarter; amu and kurakkan chenas sown in September also blossomed. All the lands usually cultivated for maha have been sown: crop prospects good. The crop prospects on chenas is fair	No harvesting this quarter	
Tumpane ...	—	—	—	1 0	1 12	—	Hill paddy Kurakkan	0 75 0 75	0 75 0 55	— —	Maha fields in blossom and in ear. Fields sown late for maha are being transplanted, and others are being ploughed and sown for maha. Hill paddy in chenas has blossomed, and is ripening. Crop prospects fair	About 700 acres of yala fields were harvested. Crops fair	A considerable portion of the hill paddy chenas that have ripened have been damaged by flies
Harispittau ...	—	—	—	1 12	1 25	—	Kurakkan Hill paddy Amu	0 60 — —	0 50 1 0 1 0	— — —	Maha fields blossoming; hill paddy and amu in chenas blossoming. Fair crop expected	Kurakkan crops harvested; fair	The rains in October and November were favourable to cultivation, but the rains in December were bad for blossom. Fields damaged by flies
Pata Dumbara ...	—	—	—	1 25	1 50	—	Kurakkan	1 0	1 25	—	Maha fields being cultivated; maha kurakkan chenas have been sown. Good crop expected at ten fold	The harvesting of yala fields has terminated. Crops fair, the probable yield being estimated only	—
Uda Dumbara ...	—	—	—	1 25	1 37	—	Kurakkan	1 0	1 12	—	The maha fields and chenas look fresh and healthy. The whole extent of land usually cultivated in Udasiyapattu, Medasiyapattu, and Gampaha have been sown. In Gandeka and Kandapahala maha cultivation yet going on	The yala crop was harvested during the quarter, but the yield has been a bad one, not being over eight fold. This was owing to drought in their early stage and wet weather when harvesting	There was heavy rain in October and December, which was favourable to cultivation. No serious damage to the maha fields has occurred therefrom. The yala crop was, however, spoiled

NORTHERN— <i>contd.</i> Vavuniya ...	40-23	74-46	19-66	1 68	1 78	2 0	Gingelly Kurakkan	2 27 1 41	3 18 1 68	3 96 1 96	Cultivation for kalapokam very backward owing to continuous rain and unusual sickness. Sowing not yet completed. Tanks full. It is expected that considerable extent left uncultivated now will be sown for idaippokam. The continued rain has done some damage in washing away the seed after sowing. Prospects generally good. Kurakkan cultivation damaged by rain	The greater part of the last sirupokam crop still remains unthreshed owing to the continued wet weather. A good deal of damage has been done to the stacks by rain	The tanks being full, good idaippokam and sirupokam crops may be expected this year
Mannar ...	50-87	64-04	28-43	1 50	1 50	1 50	Kampampullu, kadaikkanni, and kurakkan. Dry grain not being sold in this district, but consumed by the cultivators. The price cannot be ascertained	—	—	—	Paddy sowing for kalapokam began generally throughout the district in October; crop fair. Dry grain in Mannar island is in ears, and is being reaped; crop fair	—	Heavy rain during the quarter, which filled almost all the tanks. The bunds of some tanks were breached, but the breaches have since being repaired

	26-52	55-21	46-07	1 25 to 1 75	1 62 to 1 75	2 0 to 2 50		1 0 to 1 50	1 0 to 1 50	1 50 to 2 0			
Mullaitivu ...							Kurakkan	1 0 to 1 50	1 0 to 1 50	1 50 to 2 0	Sowing for kalapokam was in progress throughout the quarter: 6,660 bushels have been sown, against 3,068 during the last quarter of 1890. There is sufficient water everywhere, and a good crop is expected though the cultivation has been attacked with disease here and there.	Part of the sirupokam crops was reaped, stacked, and threshed in October. Rain seems to have done some damage during the process	The rainfall registered at Mullaitivu does not present the actual rainfall in the district, as much more has fallen in the interior than in the maritime pattus

LAND ACQUISITION NOTICES.

I DO hereby give public notice that I have been duly directed by His Excellency the Governor of Ceylon, with the advice of the Executive Council, acting under the provisions of "The Land Acquisition Ordinance of 1876," section sixth, to take order for the acquisition of the following land, to wit:—

An allotment of land situated in the village Tebuwana in Iddagoda pattuwa of Pasdun korale in Kalutara District.

Preliminary plan 9,945.

For a resthouse at Tebuwana.

Lot.	Name of Land.	Name of Claimant.	Extent.		
			A.	R.	P.
H 632	Araliya or Kohilawalawatta	Babasinho Appu and others	1	2	3

All persons interested in the aforesaid land are hereby required to appear personally or by agent before me at the Kalutara Kachcheri, on March 1, 1892, at 12 o'clock noon, and to state the nature of their respective interests in the land, and the amount and particulars of their claims to compensation for such interests.

Kalutara Kachcheri,
January 29, 1892.

H. W. BRODHURST,
Assistant Government Agent.
