The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

Forfeiture may be remitted.—The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 34 hereof, shall be redeemable after sale or disposal.

in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

43. *Payments in anticipation of Calls at Interest.*—The Directors may, at their discretion, receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

44. *Power to Borrow.*—The Directors may from time to time, at their discretion, borrow any sum or sums of money for the purposes of the Company, and may raise or secure the repayment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and may issue debentures of the Company charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being.
