### DRAFT ORDINANCES.

#### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance to amend "The Vehicles Ordinance, 1901."**

Preamble.

**W**HEREAS it is expedient to amend "The Vehicles Ordinance, 1901," hereinafter referred to as "the principal Ordinance": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

**1** This Ordinance may be cited for all purposes as "The Vehicles (Amendment) Ordinance, No. of 1913."

Construction.

**2** The principal Ordinance and this Ordinance shall be read and construed as one Ordinance, and may be cited for all purposes as "The Vehicles Ordinances, 1901 and 1913."

Commencement of Ordinance.

**3** This Ordinance shall come into force on such date as the Governor may, by Proclamation in the *Government Gazette*, appoint.

Substitution of new section.

**4** For section 38 of the principal Ordinance the following section shall be substituted:

Light.

38. No person shall ride, drive, or lead any vehicle along any public road, street, or thoroughfare after dark and before daylight, unless there shall be attached to such vehicle, in the case of a bicycle, tricycle, velocipede, wheel barrow, or other like vehicle, one lamp, and in the case of all other vehicles two lamps, which shall be—

- (a) So constructed as to throw a white light in the direction in which the vehicle is proceeding and a red light in the opposite direction ;
- (b) So placed, one on either side of the vehicle, as to show the width of the vehicle ;
- (c) Lighted and kept alight so as to afford adequate means of signalling the movement and position of the vehicle.

By His Excellency's command,  
Colonial Secretary's Office, L. W. BOOTH,  
Colombo, February 6, 1913. Acting Colonial Secretary.

*Statement of Objects and Reasons.*

THE object of this amending Ordinance is to diminish the risk of collisions between motors and vehicles drawn by bullocks or horses when travelling at night.

2. At present a bullock cart is only compelled to carry one light, and this is usually so slung that it is more visible in the rear than in front. A horse-drawn vehicle must carry two lights, but is under no obligation to throw any illumination to the rear, so that such a vehicle is often invisible to an approaching motor.

3. The Ordinance accordingly provides that such vehicles shall carry two lights, each throwing a white light in front and a red light behind.

4. As it is recognized that the Ordinance involves the disturbance of an established custom, and that the change cannot be introduced at short notice, a clause is inserted providing for its being brought into operation on a day fixed by the Governor.

Attorney-General's Chambers,  
Colombo, February 19, 1913.

J. VAN LANGENBERG,  
Acting Attorney-General.
