THE following circular despatch from the Secretary of State for the Colonies is published for general information.

By His Excellency's command,

L. W. BOOTH,  
Acting Colonial Secretary.

Colonial Secretary's Office,  
Colombo, April 19, 1913.

The Right Hon. LEWIS HARCOURT, M.P., to the OFFICER ADMINISTERING THE GOVERNMENT OF CEYLON.

Circular.

Downing street, March 15, 1913.

SIR,—MY attention and that of my predecessors in office has from time to time been called to cases in which gentlemen who have been Colonial Governors or have held other high appointments in the Colonial Service have, immediately upon their retirement, been offered and accepted directorships of companies operating in territories in which they recently held office.

2. The acceptance of such directorships has afforded occasion for adverse criticism, and, after much consideration, I have arrived at the conclusion that the practice is open to serious objection, as tending to impair that reputation for a disinterested sense of public duty which the Colonial Service rightly enjoys.

3. I have therefore decided to lay down for the future the following rule, viz., that no officer who has retired from the Colonial Service shall accept the directorship of any company operating in the Colony or Protectorate in which he has served without first obtaining the written consent of the Governor for the time being of the Colony or Protectorate in question, which consent during the first three years after an officer's retirement will only be given in very exceptional circumstances and after reference to the Secretary of State. And no retiring Colonial Governor shall accept such a directorship or similar position until he has obtained the necessary permission from the Secretary of State, who will in each case consult the Governor of the Colony or Protectorate affected before deciding upon the application.

4. It is doubtless desirable to support such a rule by some adequate sanction, and you should at once consider the enactment of a provision in the Pensions Law of your Government for enforcing the new rule by taking power to suspend the pension of an officer who disregards the rule or the Secretary of State's instructions. In the meantime I have to request that you will take the necessary steps to bring the ruling to the notice of all whom it may concern.

I have, &c.,  
L. HARCOURT.

“ THE PREVENTION OF CRUELTY TO ANIMALS ORDINANCE, 1907.”

WHEREAS by the proviso to section 10 of “ The Prevention of Cruelty to Animals Ordinance, 1907,” as amended by Ordinance No. 19 of 1912, it is enacted that where in any area the whole or any part of the fines recovered in respect of offences under the said Ordinance which shall have been prosecuted by any officer of any society established in Ceylon for the prevention of cruelty to animals is by law or practice already appropriated to any public authority established in the area, an order made by the Governor in Executive Council, under section 10 of the said Ordinance, shall only take effect in such area, subject to the consent of such public authority signified by resolution notified in the *Government Gazette* and to the extent authorized by such resolution :

And whereas the Municipal Council of Kandy has, under and in pursuance of the proviso to section 10 of the said Ordinance, passed the following resolution on March 15, 1913 :—

“ That from and after April 1, 1913, the whole of the fines imposed in cases instituted by any officer of the Society for the Prevention of Cruelty to Animals be paid to the Society ” :

It is hereby notified that the Officer Administering the Government in Executive Council has, under the provisions of section 10 of the said Ordinance, directed that from and after April 1, 1913, the whole of the fines recovered in respect of offences punishable under the said Ordinance which shall have been prosecuted within the limits of the Municipal Council of Kandy by any officer of the Society established in Ceylon for the prevention of cruelty to animals shall be paid to such Society.

By His Excellency's command,

L. W. BOOTH,  
Acting Colonial Secretary.
