41. *The Directors may accept surrender of shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed upon, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

42. (a) *If call or instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fails to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder or his executors or administrators, or the trustee or assignee in his bankruptcy, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

(b) *Terms of notice.*—The notice shall name a day (not being less than one month from the date of the notice) on, and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

(b) *Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money for the deficit, as they shall think fit, not being less than 9 per cent. per annum on the amount of the sums wherein default in payment had been made, but no share *bona fide* sold, re-allotted, or otherwise disposed of under Article 43 hereof, shall be redeemable after sale or disposal.

46. *Company's lien on shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. The Directors may decline to register any transfer of shares subject to such charge or lien.

47. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. PREFERENCE SHARES.

51. *Preference and deferred shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such right of preference, whether in respect of dividend, or of payment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or with such deferred rights as compared with any shares previously issued or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time to time by special resolution determine.

52. *Modification of rights and consent thereto.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes—

- (1) The holders of any class of shares by an Extraordinary resolution passed at a meeting of such holders may consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority or of any accrued dividend, or the reduction for any time or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares;
- (2) all or any of the rights, privileges and conditions attached to each class may be commuted, abrogated, abandoned, added to or otherwise modified by a special resolution of the Company in General Meeting, provided the holders of any class of shares, affected by any such commutation, abrogation, abandonment, addition or other modification of such rights, privileges, and conditions, consent thereto, on behalf of all the holders of shares of the class, by an Extraordinary resolution passed at a meeting of such holders.

Any Extraordinary resolution passed under the provisions of this Article shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent as aforesaid in any case in which but for this Article the object of the resolutions could have been effected without it.

53. *Meeting affecting a particular class of shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Shareholder, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any shareholders personally present and entitled to vote at the meeting.

55. *Interest on unpaid call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall have been due, shall pay interest for the same at the rate of nine per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

56. *Payments in anticipation of calls.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit all or any part of the amount of the shares beyond the sum actually called up.

BORROWING POWERS.

57. *Power to borrow.*—The Directors shall have power to procure from time to time, in the usual course of business, such temporary advances on the produce in hand or in the future to be obtained, from the Company's estates, as they may find necessary or expedient, for the purpose of defraying the expenses of working the Company's estates, or of erecting, maintaining, improving or extending buildings, machinery, or plantations, or otherwise. The Directors may, for the purpose of securing the repayment of any such sum or sums of money so borrowed or raised, create and issue any mortgages, debentures, mortgage debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights or assets of the Company (both present and future), including uncalled capital or unpaid calls, or give, accept, or endorse on behalf of the Company any promissory notes or bills of exchange. Provided also that before the Directors execute any mortgage, issue any debentures or create any debenture stock they shall obtain the sanction thereto of the Company in General Meeting, whether Ordinary or Extraordinary. Any such securities may be issued either at par or at a premium or discount, and may from time to time be cancelled or discharged, varied or exchanged, as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise. Every debenture or other instrument issued by the Company for securing the payment of money may be so framed that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued. A declaration under the Company's seal contained in, or endorsed upon, any of the documents mentioned in this Article and subscribed by two or more of the Directors, or by one Director and the Agent and Secretary or Agents and Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors, and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it shall be proved that such creditor was aware that it was so granted.
