Harbour Improvements.

Among the extensive works executed, a Breakwater has been built, running out from Manora point in a S. by E. direction to a distance of 1,500 ft. into 5 fathoms of water. This affords complete shelter to the Entrance Channel during the south-west monsoon; also a channel has been opened through the entrance with a depth of 21½ ft. at low water spring tides, 500 ft. in breadth. The channel is marked by buoys, black on starboard hand, red on port.

The Merewether pier, 312 ft. in length, has 26 ft. at low water alongside.

The Erskine wharf, 2,008 ft. in length, has accommodation for five vessels of the largest class.

An improved red light of the all-round-anchor pattern of ship's light is exhibited at the extreme end of the Breakwater, brightly visible in clear weather 5 nautical miles, and at east half that distance during the south-west monsoon.

The height of the light is 54½ ft. above mean sea-level, and it is maintained throughout the year.

Caution.—An electric light is used for working steamers alongside the Merewether pier and Erskine wharf. The height above mean sea-level is 67½ ft., and would be visible from the westward about 15 miles. The position of this light being north 1¼ mile from the lighthouse on Manora, Commanders of vessels are warned not to mistake it for the fixed light.

Note.—Mail steamers arriving off the port at night should burn two blue lights in quick succession; other vessels one, or two at intervals of two minutes. During the fair season pilots will board, but during the monsoon they must keep off the port until daylight.

EATON W. PETLEY,
Port Officer of Calcutta.

Calcutta, February 15, 1892.

In reply the Chairman stated that petitions had been received complaining of the drain in question, and he read a letter No. 26 of January 13, 1892, from the Superintendent of Works, explaining that the work was not taken in hand as it was one not only of repair, but of entire remodelling and reconstruction, and that his estimate will be shortly submitted.

The Chairman further undertook to require the scavenging contractor to keep the drains clean, and to request the Superintendent to submit his estimate as soon as practicable.

The Chairman replied that the scheme has not been published in the manner referred to, as it has not been quite decided whether it meets the requirements of the town.

13. Pursuant to notice Mr. C. Perera moved "that the reports of the Auditor-General be laid on the table monthly, as required under section 119 of the Municipal Councils Ordinance."

This motion was not pressed, the Chairman having stated that the reports were laid on the table after they were received, and that in future they would be included in the Agenda papers.

14. Pursuant to notice Mr. C. Perera asked "why the remarks of the Auditor-General on the accounts were not circulated among the Members of the Standing Committee in terms of a resolution of Council of November 13 last."

The Chairman explained that the papers were not circulated through a misapprehension on the part of the clerk in charge.

15. Pursuant to notice Mr. Perera moved "that the statement showing how the sum of Rs. 195,496-69 has been disbursed, required by resolution of Council of November 13 last, be laid on the table."

Mr. R. H. Morgan seconded.—Carried; the Chairman dissenting.

18. The Council then proceeded to ballot for the election of five members to form a Standing Committee for 1892, in accordance with the 88th section of the Ordinance No 7 of 1887, and the result of the ballot was declared by the Chairman to be in favour of Mr. C. Perera, Mr. C. P. Dias, Mr. R. H. Morgan, Dr. W. R. Kynsey, and Mr. D. F. Browne, who, with the Chairman, were thereupon appointed a Standing Committee for 1892.

Mr. D. F. Browne moved "that the resolution of May 10, 1889, be carried out, and that a Priestman's dredger be ordered out at once for use in the lake at an approximate cost of Rs. 12,000."

The Hon. J. J. Grinlinton seconded.—Carried; the Chairman dissenting, on the ground that though he considers a second dredger to be needed, he does not think it should be ordered until the necessary provision has been made in a Supplemental Budget.

25. The letter from Mr. Vincent Loos with reference to the new road from the Maradana Junction, and connected papers, were submitted.

Resolved, — That the circulation of the papers be completed.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transfer, and a fee of rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid; and thereupon the Directors, subject to the powers vested in them by Articles twenty-three, twenty-four, and twenty-six, shall register the transferee as a Shareholder, and retain the instrument of transfer.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting also, when a dividend is declared, for the three next days ensuing the Meeting.

TRANSMISSION OF SHARES.

29. *Title to Shares of Deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognised by the Company as having any title to the shares of such Shareholder.

30. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares; or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such Registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause thirtieth shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if, in the case of the death of any Shareholder no person shall, within twelve calendar months after such death, be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same, and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of Payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture, until payment at nine per cent. per annum; and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or Forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture; and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase; and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may, in their discretion, remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bonâ fide* sold or re-allotted, or otherwise disposed of under Article 34 hereof, shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders, for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders, or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times; and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

Calls, time when made.—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board meeting of the Directors.

Extension of time for payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof, on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

43. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his

shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter, as exceeds the amount of the calls then made upon, and due in respect of, the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

44. *Power to Borrow.*—The Directors may from time to time, at their discretion, borrow any sum or sums of money for the purposes of the Company, and may raise or secure the re-payment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and may issue debentures of the Company charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being.

- MEETINGS.

45. *Ordinary General Meeting.*—An Ordinary General Meeting of the Company shall be held at least once a year after the incorporation of the Company, and oftener whenever the Directors shall so determine. The General Meeting shall take place at such time and place as the Directors shall appoint, provided, nevertheless, that a General Meeting of the Company shall be held within six months after the date of the registration of the Company, but such General Meeting shall not (unless otherwise determined at such meeting) be considered to have been in lieu of that hereby appointed to be held in the first year after the incorporation of the Company.

46. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital and entitled to vote.

47. *Requisition of Shareholders to state object of Meeting; on receipt of Requisition Directors to call Meeting, and in default Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

48. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner hereinafter mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

49. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent, without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.

50. *Notice of other Business to be given.*—With the exceptions mentioned in the foregoing Articles as to the business which may be transacted at Ordinary General Meetings without notice, no General Meeting, Ordinary or Extraordinary, shall be competent to enter upon, discuss, or transact any business which has not been specially mentioned in the notice or notices upon which it was convened.

51. *Quorum to be present.*—No business shall be transacted at any General Meeting, except the declaration of a dividend recommended by a report of the Directors or election of a Chairman, unless there shall be present in person at the commencement of the business five or more Shareholders entitled to vote.

52. *If Quorum not present Meeting to be dissolved or adjourned; Adjourned Meeting to transact Business.*—If at the expiration of half an hour from the time appointed for the meeting the required number of Shareholders shall not be present at the meeting, the meeting, if convened by or upon the requisition of Shareholders, shall be dissolved; but in any other case it shall stand adjourned to the same day in the next week at the same time and place. And if at such adjourned meeting a quorum is not present, those Shareholders who are present shall be a quorum, and may transact the business for which the meeting was called.

53. *Chairman of Directors or a Director to be Chairman of General Meeting; in case of their absence or refusal a Shareholder may act.*—The Chairman (if any) of the Directors shall be entitled to take the chair at every General Meeting, whether Ordinary or Extraordinary, or if there be no Chairman, or if at any meeting he shall not be present within fifteen minutes after the time appointed for holding such meeting, or if he shall refuse to take the chair, the Shareholders shall choose another Director as Chairman; and if no Directors be present, or if all the Directors present decline to take the chair, then the Shareholders present shall choose one of their number to be Chairman.

54. *Business confined to election of Chairman while Chair vacant.*—No business shall be discussed at any General Meeting, except the election of a Chairman, whilst the chair is vacant.

55. *Chairman with consent may adjourn Meeting.*—The Chairman, with the consent of the meeting, may adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place, unless due notice shall be given.

56. *Minutes of General Meeting.*—Minutes of the proceedings of every General Meeting, whether Ordinary or Extraordinary, shall be entered in a book to be kept for that purpose, and shall, when so entered, be signed as soon as practicable by the Chairman of the same meeting or by the Chairman of the succeeding meeting, and the same when so entered and signed shall be evidence of all such proceedings and of the proper election of the Chairman.

VOTING AT MEETINGS.

57. *Votes.*—At any meeting every resolution shall be decided by the votes of the Shareholders present in person or by proxy, and in case there shall be an equality of votes, the Chairman at such meeting shall be entitled to give a casting vote in addition to the vote to which he may be entitled as a Shareholder, and unless a poll be immediately

demanding in writing by at least three members present and entitled to vote, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the minute book of the Company shall be sufficient evidence of the fact, without proof of the number of votes recorded in favour of or against such resolution.

58. *Poll*.—If a poll be duly demanded, the same shall be taken in such manner and at such time and place as the Chairman shall direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand of a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

59. *Poll how taken*.—If at any meeting a poll be demanded by notice in writing, signed by three Shareholders present at the meeting and entitled to vote, which notice shall be delivered during the meeting to the Chairman, the meeting shall, if necessary, be adjourned, and the poll shall be taken at such time and in such manner as the Chairman shall direct, and in such case every Shareholder shall have the number of votes to which he may be entitled as hereinafter provided; and in case at any such poll there shall be an equality of votes, the Chairman of the meeting at which such poll shall have been demanded shall be entitled to a casting vote in addition to any votes to which he may be entitled as a Shareholder and proxy, and the result of such poll shall be deemed to be the resolution of the Company in such meeting.

60. *No Poll on election of Chairman or on question of Adjournment*.—No poll shall be demanded on the election of a Chairman of the meeting or on any question of adjournment.

61. *Number of Votes to which Shareholder entitled*.—Every Shareholder shall have one vote for every share up to ten, an additional vote for every five shares beyond the first ten up to one hundred, and an additional vote for every ten shares beyond the first hundred up to four hundred, beyond which shares will not carry votes.
