The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Rural Schools Ordinance,  
No. 8 of 1907."

Preamble.

WHEREAS it is expedient to amend "The Rural Schools Ordinance, No. 8 of 1907," in certain particulars: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Rural Schools (Amendment) Ordinance, No. of 1913."

Moneys  
invalidly  
expended to be  
deemed validly  
expended.

2 All moneys expended before the passing of this Ordinance on any work done or purporting to have been done under the principal Ordinance by any District School Committee shall be deemed to have been properly and validly expended, notwithstanding that such expenditure shall not have been in accordance with the provisions of the principal Ordinance.

Substitution of  
new section 17.

3 For section 17 of the principal Ordinance the following section shall be substituted:

Provision of  
fund and  
labour.

17—Whenever any scheme has been thus approved, the village committees in the school district shall annually place at the disposal of the District School Committee, for the purpose of carrying out any work under this Ordinance, the money or labour which can be made available under section 6 of "The Village Communities Ordinance, 1889," for the purposes mentioned in sub-section (2) of the said section.

5 For sub-section (3) of section 24 the following sub-section shall be substituted :

(3) Every Village School Committee shall annually place at the disposal of the District School Committee for the purposes of this Ordinance such money or labour as can be made available for constructing and repairing school rooms.

Substitution of new section 37.

6 For section 37 of the principal Ordinance the following section shall be substituted :

37. All fines under this Ordinance shall be paid into the funds of the District School Committee of the district in which the school in relation to which the offence was committed is situated.

By His Excellency's command,

L. W. BOOTH,

Acting Colonial Secretary.

Colonial Secretary's Office,  
Colombo, September 16, 1913.

*Statement of Objects and Reasons.*

UNDER Ordinance No. 8 of 1907 the money placed at the disposal of a District Committee by any school division has to be applied solely for the purposes of that division. Experience has shown that if each school district had only one fund, the objects of the Ordinance could be more easily attained, and this amending Ordinance provides for the necessary alteration of the law.

2. In practice, in some parts of the Island the contributions of the school divisions in a school district have been funded together, and the money spent by the District School Committee at its discretion. As this procedure is not justified under the Ordinance, provision has been made for legalizing the expenditure hitherto incurred.

Attorney-General's Chambers,  
Colombo, September 12, 1913.

J. VAN LANGENBERG,  
Acting Attorney-General.
