1 This Ordinance may be cited as "The Youthful Offenders (Amendment) Ordinance, No. of 1913."

Addition of new section 20 A.

2 Immediately after section 20 of the principal Ordinance the following section shall be added and shall be numbered 20 A:

Removal of sick youthful offenders to a public hospital.

20 A (1) It shall be lawful for the manager of a reformatory or certified industrial school, by writing under his hand, to direct the removal of any sick youthful offender from a reformatory or certified industrial school to any public hospital, and such writing shall be sufficient warrant for the medical officer of such hospital to receive and detain therein such youthful offender, subject to the lawful orders of the said manager.

(2) Every youthful offender so received into such hospital as aforesaid, so long as he shall not be entitled to his discharge from such reformatory or certified industrial school in due course of law, shall continue to be subject to the provisions of this Ordinance and to any rules made thereunder in the same manner and in every respect as if he were within a reformatory or certified industrial school.

Re-transfer to

school.

(3) The medical officer of such hospital shall in respect of such youthful offender have all such powers and be liable to all such duties as by law the manager of a reformatory or certified industrial school has and is liable to.

(4) If at any time before the youthful offender shall be entitled to his discharge from such reformatory or certified industrial school in due course of law, it appears advisable to the medical officer in charge of the hospital that the youthful offender should be re-transferred to the reformatory or certified industrial school from which he was removed, he shall apply to the manager of the said reformatory or certified industrial school for a warrant of re-transfer, and such warrant signed by such manager shall be sufficient authority for the re-transfer of such youthful offender.
