Closure of Area for Application Surveys in Central Province.

NOTICE is hereby given that surveys in connection with applications for the purchase of Crown land will in future be undertaken in the Central Province in rotation according to areas.

2. The Province is divided into—

Area No. 1, which includes Matale District.

Area No. 2, which includes Kandy District.

Area No. 3, which includes Nuwara Eliya District.

3. Area No. 3 will be closed on May 1, 1914, and no applications within this area will be forwarded to the Surveyor-General for survey after that date. This, however, will not preclude applicants from submitting to the Assistant Government Agent, Nuwara Eliya, for registration applications for land within this area with a view of ascertaining whether there are any objections to the sale.

4. The next area to be closed for survey will be area No. 2, followed in due course by area No. 1. Applications for the purchase of Crown land in these two areas should be forwarded to me and to the Assistant Government Agent, Matale, respectively, as early as possible.

5. The date of closure of No. 2 area will be shortly published, and will represent the date of completion of all work in area No. 3.
