Minutes of Proceedings of a Special Meeting of the Municipal Council of Colombo held in the Town Hall on Saturday, October 11, 1913.

THE Council met this day at 3 P.M., pursuant to notice dated October 10, 1913, for the purpose of considering what steps should be taken to afford relief to those who have suffered distress and loss owing to the floods in Colombo and its suburbs.

Present —Mr. E. B. Alexander, Chairman; Mr. C. P. Dias; Mr. H. A. Jayewardene; Mr. L. B. Fernando; Mr. N. H. M. Abdul Cader; Mr. Arthur Alvis; Mr. H. L. de Mel; Mr. E. G. Jayewardene; Mr. L. B. Fernando; Mr. N. H. M. Abdul Cader; Mr. Arthur Alvis; Mr. H. L. de Mel; Mr. E. G. Jayewardene; Dr. David Rockwood; Mr. A. J. Martin; Dr. D. P. Banajee; Dr. E. V. Ratnam; Dr. W. P. Rodrigo; Mr. W. Sutherland Ross; Mr. T. Leese; and the Hon, Dr. G. J. Rutherford.

The Chairman stated that, in accordance with section No. 84, the Ordinance required that at least four days' notice should be given of a Special Meeting, but the urgency of the purpose for which he had called the Council together did not permit of the full notice required by the Ordinance which, under the circumstances, the Council might agree to waive.

Before proceeding to the business for which they had been assembled, the Chairman, by leave of Council, announced to the Members the death of Dr. M. de L. Robinson, the late Acting Medical Officer of Health, which occurred on October 8, 1913, and moved

(a) That this Council do place on record their deep regret at the sad and untimely death of the late Acting Medical Officer of Health, Dr. M. de Lancy Robinson, and their high appreciation of the valuable services rendered by him both to the Council and to the public. (b) That the Chairman be commissioned to convey to Mrs. Robinson the heartfelt condolences of the Council.

Mr. C. P. Dias seconded.—Carried unanimously.

The Chairman also, by leave of Council, stated that he would recommend to the Finance Committee and to the Council, in terms of section 24 of the Pension Minute, that the Council do pay the widow of the late Dr. M. de L. Robinson a gratuity of Rs. 1,925, being the equivalent of three months' salary of the late Acting Medical Officer of Health.

With regard to the arrangements for the discharge of the duties of the Medical Officer of Health, the Chairman informed the Council that the Acting Principal Civil Medical Officer had kindly lent to the Council, temporarily, the services of Dr. Milne, the new Sapitary Officer of Government. In the meantime the Chairman had telegraphed to Dr. W. Marshall Philip, the Medical Officer of Health, now on leave, to return immediately after selecting a fully-qualified Assistant in succession to the late Dr. Robinson.

Dr. W. P. Rodrigo hoped that it was understood that the selection would rest with the Council and questioned whether two qualified men could not be obtained locally for the pay of the Assistant Medical Officer of Health.

A discussion ensued, and it was resolved that applications should also be called for locally, and the vacancy be

advertised in the Ceylon newspapers.

The Chairman made a statement as to the work already done in connection with affording relief to those in distress owing to the floods. So far it had been ascertained that 502 houses had been either damaged or totally destroyed, but more definite and reliable information would be forthcoming when the returns which had been asked for are received from the Inspector-General of Police, who, it was understood, was collecting the information.

The Chairman asked that the Council should sanction the payment to him of a sum of Rs. 2,000 to afford immediate He explained that the Government Agent of the Western Province had in hand a sum of Rs. 7,000, the balance of a fund collected in 1872 for the relief of distress caused by the great flood of that year, and that this amount was being now utilized, but would be required for the Western Province generally.

The Hon. Dr. G. J. Rutherford proposed that a sum of Rs. 5,000 be voted by the Council to the Chairman to be expended in affording relief to those in distress through the floods in Colombo and its suburbs.

Mr. E. G. Jayewardene in seconding the motion suggested:—

(1) The free distribution of food; (2) the erection of temporary shelters; (3) the erection of temporary latrines; (4) the remission of taxation after a careful investigation of each individual case.—Carried unanimously.

The Chairman explained that the first suggestion made by Mr. Jayewardene had already been given as much practical effect to as possible. That he had authorized the Inspector-General of Police to expend Rs. 500 for the purpose, pending the sanction of Council, and had undertaken that more money would be forthcoming. That an offer had been made to the Chairman of 50 or 100 bushels of rice by Mr. M. Namasivayam of Regent street.

Possibled that the offer be thankfully accepted, and that Mr. Namasivayam by a roled to forward 50 bushels to

Resolved that the offer be thankfully accepted, and that Mr. Namasivayam be asked to forward 50 bushels to Mr. E. G. Jayewardene for distribution at Maligawatte, Mr. Jayewardene undertaking to see to its distribution.

With regard to the second suggestion made by Mr. Jayewardene, the Chairman explained that owing to the floods, there was much difficulty in procuring cadjans and bamboos. He had written to Government on the subject, and Government had kindly wired to both the Government Agent of the Southern Province and the Assistant Government Agent, Kalutara, to help in the supply of these materials which were not available from any directions but from the south of the There was a difficulty in regard to the erection of temporary sheds, as the destitute seemed averse to occupying these, preferring to find shelter where they could be with their own people instead of being with strangers. On this account the Chairman considered that it would be preferable that the materials should be supplied to the homeless, who would erect their own shelters on sites agreeable to them.

With regard to the third suggestion made by Mr. Jayewardene, the Chairman stated that he fully endorsed everything the Member for Maradana had stated as to the danger to be anticipated from the pollution of premises for want of the usual conveniences, which had been swept away or destroyed by the floods, and that the matter would receive the

attention of the Works Engineer.

With regard to the remission of taxes, the Chairman stated that he had instructed the Municipal Assessor to assess the amount of damages to the properties of the rate-payers and to re-assess the properties in view of the damages sustained thereto.

The Chairman made the following statement with regard to the closing of the Lock-gate in connection with representations made to him by Messrs. C. P. Dias and E. G. Jayewardene:—

(1) The Lock-gate has been kept closed in all previous high floods, and it was kept closed in the recent flood for the following incontrovertible reasons:

(a) The opening of the Lock-gate would have caused the submergence of the Pettah and Slave Island and all the low portions of the city bordering on the lake or to which the lake could back up. Some of the most crowded parts of the city are contained in this area and the presence, and still more the subsidence, of foul water in such an area would probably have resulted in a serious epidemic.

(b) Had rain fallen at the same time in the city, practically all the area draining to the lake would have been

under water

(c) The Lock-gate bridge, Parsons road bridge, and the Railway bridge would probably have been washed away.

(d) Access to the Fort and Harbour would have been completely cut off.

- (2) The lake sluices can deal with only a moderate amount of water as is evidenced by the rise in the lake level after local rains. The outlet of flood water through them would have had no appreciable effect whatever on the height of the flood in the recently flooded areas.
- (3) The Lock-gate was opened and flood water was allowed to pass through the lake at the first moment when it became safe to provide that outlet. This matter received the most careful and anxious consideration of the Engineering Officers of Government as well as those of the Municipality.

Mr. C. P. Dias wished to record his dissent-based on his experience of many years of the Lock-gate and its

neighbourhood—with the views of the Engineers, given expression to by the Chairman.

Dr. David Rockwood proposed that a supply of quinine be distributed free to all those in the flooded areas as a preventive of fever, which may be anticipated with the subsidence of the floods. The Hon. Dr. G. J. Rutherford seconded. - Carried unanimously

Mr. C. P. Dias suggested that the Council should provide a large quantity of tar to those in the flooded areas at a nominal cost to enable them to disinfect their premises

The Hon. Dr. G. J. Rutherford thought it would be better for the disinfection to be carried out wherever necessary by the Conservancy Staff of the Council. This was agreed to.

It was resolved that it was too early to ask for a General Public Meeting, as full details with respect to the damage and distress occasioned by the floods were not available. In the meantime contributions of money or provisions will be thankfully received by the Chairman for distribution to the destitute.
