4 (1) The inventor of a new manufacture or two or more persons, some or one of whom only are or is the true and first inventors or inventor of a new manufacture, whether he or they is or are a British subject or not, may petition the Governor for leave to file a specification thereof.

(2) The petition must be in writing signed by the petitioner or petitioners, or, in case the petitioner or petitioners shall be absent from Ceylon, by an agent authorised thereto on his or their behalf, and in the form or to the effect of the second schedule, if the inventor or inventors has or have not obtained

a patent in the United Kingdom, and in the form or to the effect of the third schedule if he or they has or have obtained a patent in the United Kingdom.

(3) The petition must contain a declaration to the effect that the petitioner is in possession of an invention, whereof he, or in the case of a joint petition one or more of the petitioners, claims or claim to be the true and first inventor or inventors, and for which he or they desires or desire to obtain leave to file a specification; and it must state the name, occupation, and address of the petitioner or petitioners, and, where a patent has been obtained in the United Kingdom, the date of the patent and the date of the actual sealing thereof, and must describe with reasonable precision and detail the nature of the invention and of the particular novelty whereof it consists, and be supplemented by such further particulars relating to the invention, and by such drawings or photographs illustrative thereof, as the Governor in Executive Council may see fit to require from the petitioner or petitioners.

Order to file
specification.

5 (1) Upon a petition under the last foregoing section the Governor in Executive Council may, after such inquiry as he thinks fit, make an order authorising the petitioner or petitioners to file a specification of the invention.

(2) Before making an order under sub-section (1), the Governor in Executive Council may direct that the petition be referred for inquiry and report to any person whom he thinks fit.

Application in
respect of con-
temporaneous
inventions.

6 (1) If two or more petitions are made on the same day for leave to file specifications of inventions which appear to the Governor in Executive Council to be identical, or so similar as to be practically identical, the Governor in Executive Council may in his discretion authorise both or all the petitioners, subject to the other provisions of this Ordinance, to file specifications of their respective inventions.

(2) If they petition on different days for leave to file specifications of such inventions as aforesaid, the petitioner or petitioners who applied on the first of the different days shall be deemed to have a preferential claim to an order authorising the filing of his or their specifications.

Acquisition and
continuance of
exclusive
privilege.

7 (1) If within six months from the date of an order under section 5, sub-section (1), or within such further time, not exceeding three months, as the Governor in Executive Council in his discretion may, on cause shown to his satisfaction, and on payment of the fee prescribed in that behalf in the fourth schedule, see fit to allow, the petitioner or petitioners causes or cause a specification of his or their invention to be filed in manner by this Ordinance required, and the fee prescribed in the fourth schedule in respect of

the filing of the specification to be paid, the petitioner or petitioners shall, subject to the other provisions of this Ordinance, be entitled to the exclusive privilege of making, selling, and using the invention in Ceylon, and of authorising others so to do, for a term of fourteen years from the date of the filing of the specification.

(2) But an exclusive privilege in respect of an invention of a new manufacture shall, notwithstanding anything in sub-section (1), cease if the inventor or inventors fails or fail to pay within the time limited in that behalf by the fourth schedule any fee prescribed in that schedule in respect of the continuance of the privilege.

(3) If, nevertheless, in any case, by accident, mistake, or inadvertence, the inventor or inventors fails or fail to pay any such fee within the time so limited, he or they may apply to the Governor in Executive Council for an enlargement of the time for making the payment.

(4) Thereupon the Governor in Executive Council may enlarge the time accordingly on payment of the fee prescribed in that behalf in the fourth schedule, and subject to the following conditions, namely :—

- (b) If any action is instituted in respect of an infringement of the exclusive privilege committed after a failure to make a payment within the time limited for the making thereof, and before the enlargement of that time, the court disposing of the action may, if it thinks fit, refuse to award or give any damages in respect of the infringement.

Form and contents of specification.

8 (1) A specification filed under this Ordinance must be in writing signed by the petitioner or petitioners, and must set forth the precise invention in respect of which the petitioner or petitioners claims or claim to become entitled to an exclusive privilege.

(2) If the specification is of an invention which is an improvement only, it must by explicit language distinguish between what is old and what is claimed to be new.

(3) Every specification must explain the principle of the invention set forth therein, and the best and latest mode in which the petitioner or petitioners has or have contemplated applying that principle, and must describe the manner of making and using the invention in such full, clear, concise, and exact terms as to enable any person of ordinary skill in the art or science to which the invention appertains, or with which it is most closely connected, to make or use the same.

Mode of filing petition and specification.

9 Every petition for leave to file a specification, and every specification filed under this Ordinance, must be left with, or sent by post to, the Colonial Secretary, and the date of the delivery or receipt thereof shall be endorsed thereon, and recorded in his office.

Register of inventions.

10 (1) A book, to be called the Register of Inventions, shall be kept in the office of the Colonial Secretary, wherein shall be entered and recorded every petition for leave to file a specification, every order made on such petition, every specification filed in pursuance thereof, and every subsequent proceeding relating to the invention described therein, except the report of the referee.

(2) Petitions for leave to file a specification shall be numbered consecutively in the order in which they are delivered or received, and be dated as of the day of their delivery or receipt, and shall be entered in the register of inventions in the order of their respective numbers.

(3) A reference shall be made in that register, in the margin of the entry of each petition, to every order on or in respect of the petition, to the specification, if any, filed in pursuance thereof, and to every subsequent proceeding relating to the invention which forms the subject of the petition.

Address book.

11 (1) Another book, to be called the Address Book, shall be kept in the office of the Colonial Secretary, wherein any person or persons filing a specification under this Ordinance, or any person or persons in whom an exclusive privilege acquired under this Ordinance, or any share or interest therein, may become vested, may from time to time cause to be stated some place in the Colony where notice of any rule or proceeding relative to the exclusive privilege may be served on him or them.

(2) A reference to each entry in the address book shall be made in the register of inventions in the margin of the entry in that register of the petition for leave to file the specification.

Provisions with respect to the register and book.

12 (1) Every entry in the register of inventions or address book, and every document entered and recorded in the register, shall, for the purposes of the law of evidence for the time being in force, be deemed to be a public document, and shall be open to the inspection of any person at all reasonable times in the office of the Colonial Secretary. Provided that the report of the referee shall not in any case be published or open to public inspection and shall not be liable to production or inspection in any legal proceeding unless the court having power to order discovery in such legal proceeding shall certify that such production or inspection is desirable in the interests of justice and ought to be allowed.

(2) The books kept under section 13 and section 32 of "The Inventions Ordinance, 1859," shall be deemed to be parts of the register of inventions and address book respectively.

Extension of exclusive privilege.

13 (1) The petitioner or petitioners to whom an exclusive privilege has been granted under section 7 of this Ordinance may, at any time not more than one year and not less than six months before the time limited for the expiration of an exclusive privilege under the said section, petition the Governor in Executive Council for an extension of the privilege for a further term.

(2) When a petition is made under sub-section (1), the Governor in Executive Council may, if he thinks fit, refer it to the district court of Colombo for report.

(3) Such court shall, in making its report, have regard to the nature and merits of the invention in relation to the public, to the profits made thereby, and to all the circumstances of the case.

(4) The procedure on the reference shall be such as the court thinks fit, and may include the issuing of citations calling upon persons claiming to have any interest in the reference to appear before the court on the day in which the reference is to be considered, or on any day to which the consideration thereof may be adjourned, and make with respect thereto any representations which they may see fit in relation to any of the matters to which the court is required by the last foregoing sub-section to have regard in making its report.

(5) If the Governor in Executive Council is of opinion, or, where a reference under sub-section (2), if the court reports that the petitioner or petitioners has or have been inadequately remunerated by his or their exclusive privilege, the Governor in Executive Council may, on payment of the fee prescribed in that behalf in the fourth schedule, make an order extending the term of the privilege for a further term not exceeding seven, or, in exceptional cases, fourteen years from the expiration of the first term of fourteen years.

(6) But an exclusive privilege of which the term has been extended under the last foregoing sub-section shall, notwithstanding anything in that sub-section, cease if the petitioner or petitioners fails or fail to pay before the expiration of each year of such extended term the fee prescribed in the schedule aforesaid in respect of the continuance of the privilege.

an exclusive privilege under this Ordinance shall have to all intents the like effect as against a subject.

(2) But the officers or authorities administering any department of the service of Her Majesty may, by themselves, their agents, contractors, or others, at any time after the delivery of the receipt of the petition for leave to file the specification of an invention, use the invention for the services of the Government on terms to be before or after the use thereof agreed on, with the approval of the Governor in Executive Council, between those officers or authorities and the inventor or inventors, or, in default of such agreement, on such terms as may be settled by the Governor in Executive Council.

16 (1) If after the filing of the specification the petitioner or petitioners has or have reason to believe that through mistake or inadvertence he or they has or have erroneously made any mis-statement in his or their petition or specification, or included therein something which at the date of the delivery or receipt of his petition was not new, or whereof he or some or one of them was not the inventor, or that the specification is in any particular defective or insufficient, he or they may petition the Governor in Executive Council for leave to file a memorandum pointing out the mis-statement, or disclaiming any part of the alleged invention, or for leave to file an amended specification, as the case may be.

(2) The petition must be in writing signed by the petitioner or petitioners, and must state how the error, defect, or insufficiency occurred, and that it was not fraudulently intended.

(3) Upon the petition the Governor in Executive Council may make an order allowing the memorandum or amended specification to be filed.

amended
specification.

17 An amended specification filed under the last foregoing section shall, except as to any action or proceeding relating to the exclusive privilege which may be pending at the time of the filing of the amended specification, have the same effect as if it had been the specification first filed: Provided that nothing in an amended specification shall be construed to extend or enlarge an exclusive privilege before acquired.

Bar to exclusive
privilege in
certain cases.

18 A person shall not be entitled to an exclusive privilege under this Ordinance—

- (a) if the invention is of no utility, or
- (b) if the invention at the date of the delivery, or receipt of the petition for leave to file the specification thereof, was not a new invention within the meaning of this Ordinance, or
- (c) if the petitioner or some one or more of the petitioners is or are not the inventor or inventors thereof, or

- (d) if the original or any amended specification does not fulfil the requirements of this Ordinance, or
- (e) if the original or any subsequent petition relating to the invention or the original or any amended specification contains a wilful or fraudulent mis-statement, or
- (f) if the petition for leave to file the specification of the invention was made under this Ordinance after the expiration of one year from the date of the acquisition of an exclusive privilege in respect of the invention in any place beyond the limits of the Colony and the United Kingdom.

Novelty of invention dependent on public use or knowledge thereof before petition to file specification.

19 An invention shall be deemed a new invention within the meaning of this Ordinance if it has not before the date of the delivery or receipt of the petition for leave to file the specification thereof been publicly used in any part of the Colony or of the United Kingdom, or been made publicly known in any part of the Colony or of the United Kingdom by means of a written publication.

Effect of public use or knowledge of invention in fraud of inventor.

20 The public use or knowledge of an invention before the date of the delivery or receipt of the petition for leave to file a specification thereof shall not be deemed a public use or knowledge within the meaning of this Ordinance if the knowledge has been obtained surreptitiously or in fraud of the inventor or inventors, or has been communicated to the public in fraud of the inventor or inventors or in breach of confidence: Provided that the inventor or inventors has or have not acquiesced in the public use of his or their invention, and that, within six months of that use, he or they petitions or petition for leave to file a specification.

Effect of temporary use of invention in public by inventor or inventors or by his or their leave.

21 Use of an invention in public by the inventor or inventors thereof, or by his or their servant or agent, or by any other person by his or their license in writing, for a period not exceeding one year immediately preceding the date of the delivery or receipt of his or their petition for leave to file a specification thereof, or knowledge of the invention resulting from such use thereof in public, shall not be deemed a public use or knowledge within the meaning of this Ordinance.

Effect of public use or knowledge of patented invention between application for the patent and petition to file specification.

22 If the inventor or inventors who has or have obtained a patent for his or their invention in the United Kingdom causes or cause a petition for leave to file a specification of the invention under this Ordinance to be delivered or received by the Colonial Secretary within twelve months from the date of actual sealing of the patent, the invention shall be deemed a new invention within the meaning of this Ordinance, if it was not publicly used or known in the Colony at or before the date of the application for the patent, notwithstanding that it may have been publicly used or known in the Colony or in some part of the United Kingdom before the date of the delivery or receipt of the petition under this Ordinance for leave to file the specification.

Effect of like public use or knowledge of unpatented invention.

23 If an inventor or inventors petitions or petition for leave to file a specification under this Ordinance while his or their application for a patent is pending in the United Kingdom, and the interval between the date of his or their application for the patent and the date of the delivery or receipt of his or their petition under this Ordinance does not exceed twelve months, the invention shall not be deemed to have been publicly used, or made publicly known, within the meaning of this Ordinance, by reason only of the invention having been used, or a description thereof having been published, in the Colony or in any part of the United Kingdom during the interval.

Effect of public use or knowledge of invention after admission to an exhibition.

24 If an inventor, being the exhibitor of his invention at an industrial or international exhibition, certified as such by the Governor, causes a petition for leave to file a specification of the invention to be delivered to or received by the Colonial Secretary within six months from the date of the admission of the invention into that exhibition, the invention shall not be deemed to have been publicly used, or made publicly known, within the meaning of this Ordinance, by

reason only of the invention having at any time after its admission into the exhibition been publicly used or made publicly known.

Cessation of exclusive privilege by order of the Governor.

25 (1) An exclusive privilege acquired under this Ordinance shall cease if the Governor in Council declares the privilege, or the mode in which it is executed, to be mischievous to the State, or generally prejudicial to the public.

(2) It shall also cease if a breach of any condition on which the petitioner or petitioners was or were authorised to file a specification, or on which the term of the exclusive privilege was extended, is, on an application under this Ordinance to the district court of Colombo proved to the satisfaction of that court, and if the Governor in Executive Council thereupon declares the privilege to have ceased.

Cessation of exclusive privilege on revocation or expiration of patent.

26 (1) An exclusive privilege acquired under this Ordinance in respect of an invention for which a patent has been obtained in the United Kingdom shall cease on the revocation or expiration of the patent.

(2) Such a privilege in respect of an invention for which a patent has not been obtained in the United Kingdom shall cease on the revocation or expiration of any patent or exclusive privilege which has been obtained or acquired for or in respect of the invention in any other country.

Action for infringement of exclusive privilege.

27 (1) Any person or persons may institute an action in the district court of Colombo against any person who, during the continuance of an exclusive privilege acquired by him or them under the Ordinance in respect of an invention, makes, sells, or uses the invention without his or their license, or counterfeits or imitates it.

(2) The action shall not be defended upon the ground of any defect or insufficiency of the specification of the invention, or upon the ground that the original or any subsequent petition relating to the invention, or the original or any amended specification contains a wilful or fraudulent mis-statement, or upon the ground that the invention is of no utility.

(3) Nor shall it be defended upon the ground that the plaintiff or plaintiffs was or were not the inventor or inventors, unless the defendant or defendants shows or show that he or they is or are the actual inventor or inventors or has or have obtained from the actual inventor or inventors a right to make, sell, or use the invention, or to counterfeit or imitate it, as the case may be.

(4) Nor shall it be defended upon the ground that the invention was not new, unless the defendant or defendants or some person through whom he or they claims or claim has or have, before the date of the delivery of the petition for leave to file the specification, publicly or actually used in the Colony or any part of the United Kingdom the invention, or that part of it with respect to which the exclusive privilege is alleged to have been infringed.

Application to declare exclusive privilege in respect of an invention not to have been acquired.

28 Any person or persons may apply to the district court of Colombo for a rule to show cause why the court should not declare that an exclusive privilege in respect of an invention to be specified in the rule has not been acquired under the Ordinance by reason of all or any of the objections following (to be specified in the rule), that is to say :—

- (a) that the invention is of no utility, or
- (b) that the invention was not at the date of the delivery or receipt of the petition for leave to file the specification a new invention within the meaning of this Ordinance, or
- (c) that the petitioner was not or none of the petitioners was the true inventor thereof, or
- (d) that the original or any amended specification does not fulfil the requirements of this Ordinance, or

- (e) that the petitioner or petitioners has or have knowingly or fraudulently included in the petition for leave to file the specification or in the original or any amended specification, as part of his or their invention, something which was not new, or whereof he or they or some one or more of them was or were not the inventor or inventors, or
- (f) that the original or any subsequent petition relating to the invention, or the original or any amended specification, contains a wilful or fraudulent mis-statement, or
- (g) that some part of the invention, or the manner in which that part is to be made and used, as described in the original or any amended specification, is not thereby sufficiently described, and this insufficiency was fraudulent and is injurious to the public.

Like application as to part of invention.

29 Any person or persons may apply to the district court of Colombo for a rule to show cause why the court should not declare that an exclusive privilege in respect of any part of an invention to be specified in the rule has not been acquired under this Ordinance, by reason of all or any of the objections following (to be specified in the rule), that is to say :—

- (a) that that part of the invention is wholly distinct from the other parts thereof, and is of no utility ; or
- (b) that that part of the invention was not, at date of the delivery or receipt of the petition for leave to file the specification, a new invention within the meaning of this Ordinance ; or
- (c) that the petitioner was not, or none of the petitioners was, the true inventor or inventors of that part of the invention ; or
- (d) that that part of the invention, or the manner in which it is to be made and used, is not sufficiently described in the original or any amended specification, and that this insufficiency is injurious to the public.

Security for costs of application under either of the two last foregoing sections.

30 The said district court may in this behalf require a person applying for a rule under either of the two last foregoing sections to give security for the payment of all costs incurred or likely to be incurred by any person or persons appearing to show cause against the rule.

Application on breach of condition.

31 (1) Any person authorised by the Governor in Executive Council in this behalf may apply to the district court of Colombo to show cause why the question of the breach of any condition on which leave to file a specification has been granted, or any other question of fact on which the cessation of an exclusive privilege under section 25 may, in the judgment of the Governor in Executive Council, depend, should not be tried in the form of an issue directed by the court.

(2) If the rule is made absolute, the court, unless the breach or other matter of fact is admitted, may direct the issue to be tried, and certify the result of the trial to the Governor in Executive Council.

Notice of proceedings to persons interested.

32 (1) Notice of any rule obtained or proceeding taken under section 28, section 29, or section 31, shall be served on all persons appearing from the address-book to be proprietors of the exclusive privilege, or to have shares or interests therein, and it shall not be necessary to serve the notice on any other person.

(2) The notice shall be deemed to be sufficiently served if a copy thereof is left at the place for the time being stated in the address book, by delivering the copy to any person resident at or in charge of the place, or, if there is no person resident at or in charge of the place, or if the place is not within the local limits of the jurisdiction of the court, by

causing the notice to be sent to the place by post by a registered letter directed to the person to whom the notice is addressed.

Order on application.

33 (1) If it appears to the district court of Colombo at the hearing of an application under section 28 or section 29, that by reason of any of the objections specified in the rule the exclusive privilege in the invention or in any part thereof has not been acquired, the court shall make an order accordingly, and thereupon the petitioner or petitioners shall, so long as the order continues in force, cease to be entitled to the exclusive privilege.

(2) If it appears to the district court of Colombo, at the hearing of any such application as last aforesaid, that the petitioner or petitioners has or have in the description of his or their invention in the petition for leave to file a specification thereof, or in the original or any amended specification, erroneously included something which at the date of the delivery or receipt of the petition for leave to file the specification was not new, or whereof he or they was or were not the inventor or inventors, or that the specification is in any particular defective or insufficient, but that the error, defect, or insufficiency was not fraudulently intended, the court may adjudge the exclusive privilege to have been acquired and to be valid, save as to the part thereof affected by the error, defect, or insufficiency : or

(3) If it appears to the district court of Colombo that the error, defect, or insufficiency can be amended without injury to the public, the court may adjudge the exclusive privilege in respect of the whole of the invention to be valid, and may, upon such terms as it thinks reasonable, order the specification to be amended in any particular in which it is erroneous, defective, or insufficient ; and thereupon the petitioner or petitioners shall, within a time to be limited by the court for the purpose, file in the office of the Colonial Secretary a specification amended according to the order.

(4) The provisions of section 17 with respect to the effect of such specifications shall apply, so far as they can be made applicable, to an amended specification filed under this section.

(5) An exclusive privilege in respect of an invention shall not be defeated upon the ground that the petition for leave to file the specification of the invention contains a mis-statement, unless the mis-statement was wilful or fraudulent.

Delivery of particulars.

34 (1) In an action for the infringement of an exclusive privilege acquired under this Ordinance the plaintiff shall deliver with his plaint particulars of the breaches complained of in the action, and the defendant shall deliver a written statement of the particulars of the grounds, if any, upon which he means to contend that the plaintiff is not entitled to an exclusive privilege in respect of the invention.

(2) In like manner, upon an application to the district court of Colombo under section 28, section 29, or section 31, the person making the application shall deliver particulars of the objections or grounds on which he means to rely.

(3) At the hearing of any such action or application, or at the trial of any issue arising out of any such application, evidence shall not be allowed to be given in proof of any breach of the exclusive privilege, or of any ground impeaching the validity of that privilege, or of any objection or ground affecting such a privilege, unless such breach or other matter as aforesaid has been stated in the particulars delivered under this section.

(4) If it is alleged that the invention was publicly used or known before the date of the delivery or receipt of the petition for leave to file the specification thereof, the places where and the manner in which the invention was so publicly used or known shall be stated in the particulars.

(5) Notwithstanding anything in the foregoing portion of this section, the court in which the suit or application is pending,

or an issue arising out of the application is being tried, may allow the plaintiff or defendant respectively to amend the particulars delivered under this section upon such terms as it thinks fit.

Title of actual inventor to exclusive privilege in case of fraud.

35 If in an action instituted in the district court at any time within fourteen years from the date of the filing of a specification of an invention under this Ordinance the actual inventor proves to the satisfaction of the court that the petitioner or petitioners was or were not the actual inventor or inventors, and that at the time of the petition for leave to file the specification the petitioner or petitioners knew or had reason to believe that the knowledge of the invention was obtained by himself or themselves or by some other person surreptitiously or in fraud of the actual inventor, or by means of a communication made in confidence by the actual inventor to him or them or to any person through whom he or they derived the knowledge, the court may make a decree declaring an exclusive privilege in respect of the invention to be vested, subject to the other provisions of this Ordinance in the actual inventor for a term of fourteen years from the date on which the specification was filed, and requiring the petitioner or petitioners to account for and pay over to the actual inventor the profits derived by him or them from the invention, or so much of those profits as the court, having regard to the degree of diligence exerted by the actual inventor in proceeding under this section and to all the other circumstances of the case, may see fit to require the petitioner or petitioners to pay.

Transmission of copies of decrees and orders to Colonial Secretary.

36 A court making a decree in an action under section 27 or section 35, or an order on an application under section 28, section 29, or section 31, shall send a copy of the decree or order, as the case may be, to the Colonial Secretary, who shall cause an entry thereof and reference thereto to be made in the register of inventions and against any entry in the address book affected thereby.

Registration cessation of exclusive privilege.

37 In the following cases, namely:—

- (a) When an exclusive privilege acquired under this Ordinance has ceased under section 7 or section 13 by reason of a fee in respect of the continuance of the privilege not having been paid within the time limited by the fourth schedule for the payment thereof, and the period, if any, within which an order might have been made for enlarging the time for the making of the payment has expired;
- (b) When an exclusive privilege acquired under this Ordinance has been declared by the Governor in Executive Council under section 25 to have ceased;
- (c) When an exclusive privilege acquired under this Ordinance has ceased under section 26 by reason of the revocation or expiration of a patent or exclusive privilege;
- (d) When the whole or any part of an exclusive privilege acquired under this Ordinance has ceased under section 33 in consequence of an order under that section;
- (e) When an exclusive privilege has been declared by a decree to have vested in an actual inventor under section 35;
- (f) When an exclusive privilege acquired under this Ordinance has ceased by reason of the expiration of the term for which it was acquired;

the Colonial Secretary shall cause an entry with respect to the cessation or vesting of the exclusive privilege to be made in the register of inventions, and a reference to that entry to be made in the margin of the entry in that register of the petition for leave to file the specification of the invention.

Rectification of register of inventions or address book.

38 (1) If any person is aggrieved by an entry in the register of inventions or address book, or by the omission of an entry therefrom, and a proceeding is not provided in the foregoing portion of this Ordinance whereby the register or book may be rectified, he may apply to the district court of Colombo for an order for the rectification of the register or book, and the court may make such order on the application as it thinks fit.

(2) A copy of the order shall be forwarded by the court to the Colonial Secretary, who shall cause an entry thereof and reference thereto to be made in the register of inventions and against any entry in the address book affected thereby.

(3) When the Colonial Secretary is a party to an application under this section, the costs of another party thereto shall not be adjudged to be payable by the Colonial Secretary.

Power for Governor in Executive Council to require grant of licenses.

39 If on the petition of any person interested it is proved to the Governor in Executive Council that, by reason of an inventor who has acquired an exclusive privilege under this Ordinance failing to grant licenses on reasonable terms—

- (a) the exclusive privilege is not being worked in Ceylon; or,
- (b) the reasonable requirements of the public with respect to the invention cannot be supplied; or,
- (c) any person is prevented from working or using to the best advantage an invention of which he is possessed;

the Governor in Executive Council may order the inventor to grant, or may himself on behalf of the inventor grant, licenses on such terms as to the amount of royalties, security for payment, or otherwise, as the Governor in Executive Council, having regard to the nature of the invention and the circumstances of the case, may deem just.

Assignment for particular places.

40 Any person for the time being entitled to an exclusive privilege under this Ordinance, or to any share or interest in such a privilege, in any local area, may, subject to the conditions of his title thereto, assign the privilege or such share or interest, as the case may be, for any place in or part of that local area.

Subscription of specifications and petitions.

41 If the petitioner or petitioners or any of them is or are absent from Ceylon, a petition for leave to file a specification, or a petition for leave to file a memorandum or amended specification, may, instead of being signed by the petitioner or petitioners under section 4, section 8, or section 16, as the case may be, be signed on behalf of the petitioner or petitioners by an agent in Ceylon authorised by him or them in writing in that behalf.

Verification of petitions.

42 (1) A petition under this Ordinance for leave to file a specification, memorandum, or amended specification must be verified by the person or persons making the petition.

(2) If the person or persons is or are absent from Ceylon, the petition may be verified by the agent who signs the petition on his or their behalf.

(3) The verification must be signed by the person or persons making it, and must be to the effect that the facts stated in the petition are true to his or their knowledge, except as to matters stated on information and belief, and that as to those matters he or they believes them to be true.

Agents.

43 Subject to the provisions of the two last foregoing sections and of any other enactment for the time being in force, any act which is required or authorised by this Ordinance to be done by any person may be done on his behalf by an agent in Ceylon having authority in writing from that person so to do the act.

Right of appeal saved.

44 All decisions and orders of the district court of Colombo made under the authority of this Ordinance shall be

subject to an appeal to the Supreme Court, and every such appeal shall be brought on and prosecuted in manner provided in the "Civil Procedure Code, 1889," and shall be subject to the provisions of the said Code: and subject to the provisions and limitations contained in the said Code, any party or parties to any action or proceeding under this Ordinance may appeal to Her Majesty in Council from any formal judgment, decree, or sentence of the Supreme Court, or against any rule or order made by such court, and having the effect of a formal or definitive sentence.

Fees.

45 (1) There shall be paid in respect of the several proceedings specified in the fourth schedule the fees in that schedule prescribed.

(2) The Governor in Executive Council may, if he thinks fit, reduce any of those fees and revoke or vary the reduction.

(3) The fees payable under this section shall be collected by means of stamps or otherwise as the Governor in Executive Council directs.

(4) A proceeding in respect of which a fee is payable under the fourth schedule shall be of no effect unless the fee has been paid.

Rules and forms.

46 (1) The Governor in Executive Council may make such rules and prescribe such forms as he thinks necessary for carrying out the purposes of this Ordinance, and may alter or amend either of the forms in the second and third schedules.

(2) Rules under this section may provide, among other matters, for the printing of specifications, memoranda, and amended specifications, and for the distribution or sale of printed copies thereof.

ARTICLES OF ASSOCIATION OF THE UPPER MASKELIYA ESTATES COMPANY, LIMITED.

1. THE regulations contained in Table C in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, which shall be governed by the regulations contained in these Articles, but subject to repeal, addition, or alteration by special resolutions. The Company may by special resolution alter or make provisions instead of or in addition to any of the regulations of the Company whether contained or comprised in these Articles or not.

2. The Company shall forthwith, after its incorporation, purchase all those two estates called and known respectively as (1) Brunswick, situated in Maskeliya, Ceylon, and containing in extent 252 acres or thereabouts; and (2) Bloomfield, also situated in Maskeliya aforesaid, and containing in extent 255 acres or thereabouts, for the sum of two hundred and sixty-eight thousand one hundred and ninety-seven rupees (Rs. 268,197), upon such terms and conditions as may be agreed upon between the Company and the proprietor or proprietors of the said estates.

SHARES.

3. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

4. The full amount of Rs. 500 per share shall be paid on allotment of each share.

5. If before or on the day appointed for payment any Shareholder does not pay the amount for which he is liable, then such Shareholder shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of the actual payment.

6. The shares, except where otherwise provided, shall be allotted at the discretion of and by the Directors who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they may consider proper. Provided that such unissued shares shall first be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the shares already held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the shares shall have been offered, within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

7. If several persons are joint-holders of any share, any one of such persons may give effectual receipt for the dividend payable in respect of such share.

8. Every Shareholder shall, on payment of 50 cents per share, be entitled to a certificate under the common seal of the Company specifying the share or shares held by him and the amount paid thereon.

9. If such certificate is worn out or lost, it may be renewed on payment of 50 cents per share.

TRANSFER OF SHARES.

10. The Company may decline to register any transfer of shares made by a Shareholder who is indebted to them.

11. The fee payable to the Company for the registration of a transfer shall be five rupees.

12. The transfer books shall be closed during the fourteen days immediately preceding the Ordinary General Meeting in each year.

13. Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing. The Directors may decline to register any transfer whatever, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, they shall, upon the request of the Shareholder desirous of executing the same, convene an Extraordinary General Meeting of the Company to resolve whether the said transfer shall be registered or not; and the resolution of such General Meeting shall be absolute.

TRANSMISSION OF SHARES.

14. The executors or administrators or heirs of a deceased Shareholder shall be the only persons recognised by the Company as having any title to his share.

15. Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

16. Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder of such share.

17. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share.

18. The instrument of transfer shall be presented to the Company, accompanied with such evidence as the Directors may require to prove the title of the transferor, and thereupon the Company shall register the transferee as a Shareholder.

Provided always that the Directors shall have the right at all times to decline to register such person as aforesaid, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register such person as a holder of such share, they shall, upon the request of such person, convene an Extraordinary General Meeting of the Company to resolve whether such transfer shall be registered or not, and the resolution of such meeting shall be absolute.

FORFEITURE OF SHARES.

19. If any Shareholder fails to pay any allotment money or call on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call together with any interest that may have accrued by reason of such non-payment.

20. The notice shall name a further day and a place or places, being a place or places at which calls of the Company are usually made payable, on and at which such call is to be paid. It shall also state that in the event of non-payment at the time and place appointed, the shares in respect of which such call was made will be liable to be forfeited.

21. If the requisitions of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may be forfeited by a resolution of the Directors to that effect.

22. Any share so forfeited shall be deemed to be the property of the Company, and may be disposed of in such manner as the Directors think fit.

23. Any Shareholder whose shares have been forfeited shall, notwithstanding, be liable to pay the Company all calls owing upon such shares at the time of the forfeiture.

INCREASE OF CAPITAL.

24. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase its capital by the creation of new shares, of such amounts per share and in the aggregate as such resolution shall direct. All new shares shall be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the existing shares held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the same shall have been offered within the time specified in that behalf by the Directors may be disposed of by the Directors in such manner as they think most beneficial to the Company.

The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

25. Any capital raised by the creation of new shares shall be considered as part of the original capital, and shall be subject to the same provisions in all respects, whether with reference to the payment of allotment money, calls, or the forfeiture of shares on non-payment of calls or otherwise, as if it had been part of the original capital.

BORROWING.

26. The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deed, or other documents, to issue letters of credit, and to grant mortgages or other deed or deeds of security over all or any of the Company's lands, property, estate and assets, but so that the sum so to be borrowed shall not at any one time exceed the sum of Rs. 20,000. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce of the estate as they may find it to be necessary or expedient for the purpose of defraying the expenses of working the said estate.

Provided also that before the Directors execute any mortgage or issue any debentures, they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors or by one Director and the Secretary, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors; and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

GENERAL MEETINGS.

27. The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

28. Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed then at such place and at such time as soon after the First day of January in each year as the Directors shall determine.

29. The above-named General Meetings shall be called Ordinary Meetings; all other General Meetings shall be called Extraordinary.

30. The Directors may, whenever they think fit—and they shall, upon a requisition made in writing by not less than one-fifth in number of the Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding not less than one-fifth part of the shares of the Company for the time being subscribed for—convene an Extraordinary General Meeting.

31. Any requisition so made by the Shareholder or Shareholders shall express the object of the meeting proposed to be called, and shall be left at the registered office of the Company.

32. Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall think fit, not being more than twenty-one days after the leaving of the requisition; and if they do not proceed to convene the said meeting within twenty-one days after the leaving of the requisition, the requisitioner or requisitionists or any other Shareholders amounting to the required number may, himself or themselves, convene an Extraordinary General Meeting to be held at such time or place as he or they shall think fit.

33. Fourteen days' notice at least, specifying the place and the hour of meeting, and the purpose for which any meeting is to be held, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner, if any, as may be prescribed by the Company.

34. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

35. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

36. In order to constitute a meeting, whether Ordinary or Extraordinary, there shall be present, either personally or by proxy, three or more Shareholders holding in the aggregate not less than one-tenth of the capital for the time being subscribed for.

37. If within one hour from the time appointed for the meeting the required number of Shareholders is not present, the meeting, if convened upon the requisition of a Shareholder or Shareholders, shall be dissolved. In any other case it shall stand adjourned to the following day at the same time and place; and if at such adjourned meeting the required number of Shareholders is not present, it shall be adjourned *sine die*.

38. The Chairman (if any) of the Board of Directors shall preside as Chairman at every meeting of the Company.

39. If there be no such Chairman, or if at any meeting he is not present at the time of holding the same, the Shareholders present shall choose some one of their number to be Chairman of such meeting.

40. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

41. At any General Meeting, unless a poll is demanded by at least two Shareholders, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the book of proceedings of the Company,

shall be sufficient evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

42. If a poll is demanded in manner aforesaid, the same shall be taken in such manner as the Chairman directs, and the result of such poll shall be deemed to be the resolution of the Company in General Meeting.

43. In the event of a resolution being brought before a General Meeting involving the sale of the Company's estates or any portion thereof, or the winding up of the Company, a majority of three-fourths of the Shareholders present and (or) represented by proxy shall be necessary to carry such resolution.

VOTES OF SHAREHOLDERS.

44. Every Shareholder shall (except as provided for in the Article immediately following) have one vote for every one share held by him up to three. He shall have an additional vote for every two shares beyond the first three up to seven, and an additional vote for three shares held by him beyond the first seven up to ten, and an additional vote for every five shares beyond the first ten.

45. When voting on a resolution involving the sale of the Company's estates or any portion thereof, or the winding up of the Company, every Shareholder shall have one vote for every share held by him.

46. If any Shareholder is a lunatic or idiot or prodigal, he may vote by his *curator*; and if any Shareholder is a minor, he may vote by his guardian, or any one of his guardians if more than one.

47. If one or more persons are jointly entitled to a share or shares, the person whose name stands first in the register of Shareholders as one of the holders of such share or shares, and no other, shall be entitled to vote in respect of the same.

48. No Shareholder shall be entitled to vote at any meeting unless all calls due from him have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been possessed of the share in respect of which he claims to vote at least three months previously to the time of holding the meeting at which he proposes to vote.

49. Votes may be given either personally or by proxy. A proxy shall be appointed in writing under the hand of the appointor, or, if such appointor is a corporation, under their common seal.

50. No person shall be appointed a proxy who is not a Shareholder, and the instrument or mandate appointing him shall be deposited at the registered office of the Company not less than forty-eight hours before the time of holding the meeting at which he proposes to vote, but no instrument or mandate appointing a proxy shall be valid after the expiration of three months from the date of its execution.

DIRECTORS.

51. The qualification of a Director shall be holding not less than ten shares of the Company upon which all calls for the time being shall have been paid.

52. The number of Directors shall not be less than three nor more than five; but this clause shall be construed as being directory only, and the continuing Directors may act notwithstanding any number of vacancies.

53. The first Directors shall be William Duff Gibbon, William Hamilton Greville Duncan, and Alexander Thomson, who shall have power to nominate and appoint a third Director, and they shall hold office, except in the event of their becoming respectively disqualified, until the first Ordinary General Meeting of the Company to be held in the year 1893.

54. As a remuneration for their services, the Directors shall be entitled to appropriate annually a sum not exceeding Rs. 1,500, to be divided between them in such manner as they may determine, but the Company in General Meeting may at any time alter the amount of such remuneration for the future.

55. One of the Directors may be appointed by the Board to act as Managing Director and (or) Visiting Agent of the Company, for such time and on such terms as the Board may determine or fix by agreement with the person appointed to the office.

POWERS OF DIRECTORS.

56. The Directors shall have power to carry into effect the purchase of the said Brunswick and Bloomfield estates hereinbefore referred to, and the lease and (or) purchase of any other lands, estates, or property.

57. The business of the Company shall be managed by the Directors either by themselves or with the assistance of a Secretary or Secretaries, Agent or Agents, to be appointed by them for such a period and on such terms as the Directors shall think fit; and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and registration of the Company, the purchase of the said estates and the cultivation thereof, and otherwise in or about the working and business of the Company.

58. The Directors shall have power to make, and may make rules or regulations for the management of the property of the Company, and for that purpose may appoint managers, agents, superintendents, officers, clerks, and servants, with such remuneration and at such salaries as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, superintendents, officers, clerks, or servants, for such reasons as they may think proper and advisable, and without assigning any cause.

59. The Directors shall also have power to open from time to time, on behalf of the Company, any account or accounts with such bank or banks as they may select or appoint, and also by such signatures as they shall appoint to draw, accept, make, endorse, sign, and enter into cheques, bills of exchange, promissory notes, bonds, mortgages, proxies to any proctor or proctors, contracts or agreements on behalf and for the purposes of the Company.

60. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and Secretary, who shall attest the sealing thereof.

61. The Directors shall exercise, in the name and on behalf of the Company, all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting.

DISQUALIFICATION OF DIRECTORS.

62. The office of a Director shall be vacated—

- (1) If he ceases to hold the due qualification in shares;
- (2) If he becomes of unsound mind or bankrupt, or take proceedings under the Bankruptcy Law for liquidation of his affairs by arrangement of, or composition with, his creditors.

63. No contract, arrangement, or transaction entered into by or on behalf of the Company with any Director, or with any Company or co-partnership of which a Director is a partner, or of which he is a Director, Managing Director, or Manager, shall be void or voidable; nor shall such Director be liable to account to the Company for any profit realised by such contract, arrangement, or transaction by reason only of such Director holding that office, or of the fiduciary relation thereto established, provided that the fact of his interest or connection therewith be fully disclosed to the Company or its Directors; but no Director shall vote in respect of any contract, arrangement, or transaction in which he is directly or indirectly interested.

ROTATION OF DIRECTORS.

64. At the first Ordinary Meeting of the Company to be held in the year 1893, all the Directors shall retire, and at the first Ordinary Meeting in every subsequent year one-third of the Directors for the time being of the number next below one-third shall retire from office.

65. The Directors to retire in any year shall always be those who have been longest in office, and in case of Directors equal in length of office shall, unless such Directors agree among themselves, be determined by ballot.

66. A retiring Director, if qualified, shall be re-eligible. The Company at the Ordinary General Meeting shall fill up the offices vacated by the retiring Directors by electing a like number of persons.

67. If at any meeting at which an election of Directors ought to take place no such election is made, the meeting shall stand adjourned till the next day, at the same time and place; and if at such adjourned meeting no election takes place, the former Directors shall continue to act until new Directors are appointed at the first Ordinary Meeting of the following year.

68. The Company may from time to time, by special resolution in General Meeting, increase or reduce the number of Directors, and may also determine in what rotation they are to go out of office.

69. Any casual vacancy in the Board of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

PROCEEDINGS OF DIRECTORS.

70. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit, and determine the quorum necessary for the transaction of business. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman, in addition to his original vote, shall have a casting vote. A Director may at any time summon a meeting of the Directors.

71. The Directors may elect a Chairman of their meetings, and determine the period for which he is to hold office; but if no such Chairman is elected, or if at any meeting the Chairman is not present at the time appointed for holding the same, the Directors present shall choose some one of their number to be Chairman of such meeting.

72. All acts done by any meeting of the Directors, or by any person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid on that day, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

73. The Directors shall cause minutes to be made in a book or books provided for and used solely for that purpose—

- (1) Of all appointments of officers made by the Directors;
- (2) Of the names of Directors present at each meeting of Directors;
- (3) Of all orders made by the Directors; and
- (4) Of all resolutions and proceedings of meetings of the Company and of the Directors.

74. And any such minute as aforesaid, if signed by any person purporting to be the Chairman of any meeting of Directors, shall be receivable in evidence without any further proof.

75. The Company in General Meeting may, by a special resolution, remove any Director before the expiration of his period of office, and appoint another qualified person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

DIVIDENDS.

76. The Directors may, with the sanction of the Company in General Meeting, declare a dividend to be paid to the Shareholders in proportion to their shares.

77. No dividends shall be payable except out of the profits arising from the business of the Company and with the sanction of the Directors.

78. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sum as they think proper as a reserve fund to meet contingencies, or for equalising dividends, or for repairing or maintaining the works connected with the business of the Company or any part thereof, and the Directors may invest the sum so set apart as a reserve fund upon such securities as they, with the sanction of the Company, may select.

79. The Directors may deduct from the dividends payable to any Shareholder all such sums of money as may be due from him to the Company on account of calls or otherwise.

80. Notice of any dividend that may have been declared shall be given to each Shareholder, or sent by post or otherwise to his registered place of abode; and all dividends unclaimed for three years after having been declared may be forfeited by the Directors for the benefit of the Company.

81. No dividend shall bear interest as against the Company.

ACCOUNTS.

82. Once at the least in every year the Directors shall lay before the Company in General Meeting a statement of the income and expenditure for the past year, made up to a date not more than three months before such meeting.

83. The statement so made shall show, arranged under the most convenient heads, the amount of gross income distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other like matters. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such items shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

84. A balance sheet shall be made out in every year and laid before the General Meeting of the Company, and such balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in schedule C to "The Joint Stock Companies Ordinance, 1861," or as near thereto as circumstances admit.

85. A written or printed copy of such balance sheet shall, seven days previously to such meeting, be delivered at or sent by post to the registered address of every Shareholder.

AUDIT.

86. The accounts of the Company shall be examined, and the correctness of the balance sheet ascertained, by one or more auditors to be elected by the Company in General Meeting.

87. If not more than one auditor is appointed, all the provisions herein contained relating to auditors shall apply to him.

88. The auditors need not be Shareholders in the Company. No person is eligible as an auditor who is interested otherwise than as a Shareholder in any transaction of the Company, and no Director or other officer of the Company is eligible during his continuance in office.

89. The first auditor or auditors of the Company shall be appointed by the Directors, and shall hold office until the second General Meeting, and afterwards the auditor or auditors shall be from time to time appointed by the Company in General Meeting.

90. The remuneration of the auditor or auditors shall be fixed by the Company at the time of their election, save that in case of the first auditor or auditors it shall be fixed by the Directors.

91. Any auditor shall be re-eligible on his quitting office.

92. If any casual vacancy occurs in the office of auditor, the Directors may appoint another auditor, who shall hold office until the next Ordinary General Meeting.

93. If no election of auditor is made in manner aforesaid, the Directors may appoint an auditor or auditors for the year then current, and fix the remuneration to be paid to him or them by the Company for his or their services.

94. Every auditor shall be supplied with a copy of the balance sheet, and it shall be his duty to examine the same with the accounts and vouchers relating thereto.

95. Every auditor shall have a list delivered to him of all books kept by the Company, and he shall at all reasonable times have access to the books and accounts of the Company. He may, at the expense of the Company, employ accountants or other persons to assist him in investigating such accounts, and he may, in relation to such accounts, examine the Directors or any other officer of the Company.

96. The auditors shall make a report to the Shareholders upon the balance sheet and accounts, and in every such report they shall state whether in their opinion the balance sheet is a full and fair balance sheet containing the particulars required by these regulations, and properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs, and in case they have called for explanations or information from the Directors, whether such explanations or informations have been given by the Directors, and whether they have been satisfactory; and such report shall be read, together with the report of the Directors, at the Ordinary Meeting.

NOTICES.

97. Notices by the Company may be authenticated by the signature (printed or written) of the Secretary or other person appointed by the Directors to do so.

98. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

99. Notices requiring to be served by the Company upon the Shareholders may be served either personally, or by leaving the same or sending them through the post, in a letter addressed to the Shareholders at their registered places of abode, and any notice so served shall be deemed to be well served for all purposes, notwithstanding that the Shareholder to whom such notice is addressed may be dead, unless and until his executors or administrators shall have given notice to the Managing Director or Secretary of the Company of some address in Ceylon.

100. All notices directed to be given to the Shareholders shall, with respect to any share to which persons are jointly entitled, be given to whichever of the said persons is named first in the register of Shareholders, and notice so given shall be sufficient notice to all the holders of such share.

101. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

102. Every Shareholder residing out of Ceylon shall name an address in Ceylon at which all notices shall be served upon him, and all notices served at such address shall be deemed to be well served. If he shall not have named such an address, he shall not be entitled to any notices.
