9. No tender will be considered unless in respect of it all the conditions herein laid down have been strictly fulfilled.

10. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

11. Tenderers should state in the tender forms the price per gallon, in Ceylon currency, for delivery to the General Manager of the Railway over ship's side in Colombo harbour, and also the additional amount to be paid per gallon for delivery at the Railway Stores, as defined in paragraph 15 below.

15. The successful tenderer (hereinafter called "the contractors") shall undertake to provide at least three shipments of petrol during the continuance of the contract, whereby sufficient petrol may be delivered to the General Manager of the Railway over ship's side in Colombo harbour to enable the Railway petrol store to be kept properly stocked thereby; and should the contractors fail to carry out this undertaking, they shall supply sufficient petrol from their own store as will enable the Railway petrol store to be kept properly stocked.

16. The petrol shall be delivered either in substantially constructed steel drums, or in hermetically sealed tins securely packed in strongly constructed wooden cases. In either case, the receptacles must be so constructed and secured as to prevent any possibility of leakage or damage

23. Any payments for which the contractors may be liable under the conditions of clauses 21 and 22 shall be deducted by the General Manager of the Railway from any moneys which may be due to the contractors under the contract, provided that nothing in the contract shall affect the General Manager of the Railway's right to recover such payments by action at law.

24. Subject to the provisions of clause 25 below, if the contractors fail to supply petrol on the conditions laid down in this notice or in the contract, or shall supply petrol inferior in quality to the standard sample, or shall commit a breach of any of the covenants on the contractors' part to be observed and performed, then and in any of the said cases the General Manager of the Railway shall be at liberty, by notice in writing, to forthwith determine the contract, and thereupon the contractors shall be liable to pay to the General Manager of the Railway all cost and expenses incurred by reason of such failure to supply petrol or by the supplying of petrol of inferior quality or by such breach of covenant, and shall in addition be liable to forfeit the sum of Rs. 1,000, which must be deposited by the contractors as

security for the due performance of the terms of the contract.

25. Should tenderers desire to claim exemption from any penalties laid down in this notice on the grounds of exceptional and unforeseen difficulties, such as the act of God, &c., they must specify fully on the tender form the conditions under which they propose to claim exemption.

26. The decision of the General Manager of the Railway as to whether the contractors have been guilty of any breach of the covenants and conditions on the part of the contractors to be done, observed, and performed, and upon all questions arising out of or incidental to the contract, shall be deemed final and conclusive, and the contractors shall be bound thereby.
