## MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to provide for the Registration of Dentists in Ceylon.

Preamble.

WHEREAS it is expedient to provide for the registration of persons lawfully qualified to practise dentistry or dental surgery in Ceylon: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title and commencement.

1 This Ordinance may be cited as "The Dentists Registration Ordinance, No. of 1914," and shall come into force at such date, not being less than six months after the passing of this Ordinance, as the Governor, with the advice of the Executive Council, shall by Proclamation appoint: Provided that immediately after the passing of this Ordinance and before the said date it shall be lawful to register persons as dentists in accordance with the provisions of this Ordinance, and to do all things which are prescribed by this Ordinance for such purpose.

Keeping of register.

2 (1) The Registrar of the Ceylon Medical College shall keep a register of dentists qualified to practise dentistry and dental surgery in Ceylon. The register shall be, as nearly as may be, according to form A in the schedule to this Ordinance.

Evidence of qualification for registration.

(2) The said Registrar shall not register any person as a dentist unless he produces—

(a) In the case of a person claiming to be qualified under any Act of the United Kingdom the proof required by section 11 of this Ordinance.

(b) In the case of a person claiming to be qualified otherwise than under any Act of the United Kingdom a certificate of the Council of the Ceylon Medical College that such person is entitled to be registered under this Ordinance.

(3) Every such registration shall be liable to a stamp duty of five rupees, which shall be paid by each dentist before his name is entered in such register.

Publication of copy of the register.

3 A copy of the register shall be published by the Registrar of the Ceylon Medical College in the *Government Gazette* as soon after the commencement of this Ordinance as may be convenient; and thereafter a copy of the register, as it stands at such time, shall be published by the said Registrar as soon as may be after the first day of January in each year. Any copy of the *Government Gazette* containing the most recent copy of the register shall be *prima facie* evidence in all legal proceedings that the persons therein specified are registered under this Ordinance; and the absence of the name of any person from such copy shall be *prima facie* evidence that such person is not registered under this Ordinance.

Keeping the register up to date.

4 (1) The Registrar of the Ceylon Medical College shall keep the register correct in accordance with the provisions of this Ordinance, and shall make from time to time the necessary alterations in the addresses or qualifications of the persons registered under this Ordinance, and shall cancel in the register the names of all persons so registered who have died or ceased to be qualified.

(2) Whenever any person registered under this Ordinance changes his residence he shall forthwith notify his new address to the said Registrar.

(3) The said Registrar may write a letter to any registered person, addressed to him according to his address in the register, to inquire whether he has changed his residence, and if he does not receive an answer to such letter within six months of the sending thereof he may erase from the register the name of such person; provided always that the same may be restored at the request of the Council of the Ceylon Medical College.

Notification of change of qualification.

5 (1) Any person registered under this Ordinance who may obtain any degree or qualification other than the degree or qualification in respect of which he is registered may cause such other degree or qualification to be inserted in the register, in substitution for or in addition to the degree or qualification already registered, on payment of a fee of fifteen rupees.

(2) Such fees shall be paid into the general revenue of the Colony.

Fraudulent or incorrect entries.

6 Any entry in the register which is proved to the satisfaction of the Council of the Ceylon Medical College to have been fraudulently or incorrectly made may be erased from the register, provided that a record of the reason for every such erasure is entered in the register and signed by the Registrar.

Right of registered dentists to practise.

7 Every person registered under this Ordinance shall be entitled to practise dentistry and dental surgery in Ceylon, and to demand and recover reasonable charges for services rendered by him as such dentist, and the costs of medicines and surgical appliances supplied by him.

Right to recover charges for dental practice.

8 No person shall be entitled to recover any charge in any court of law for any dental operation, service, work, or attendance, or for any medicine which he shall have prescribed and supplied, unless he shall prove upon the trial that he is registered under this Ordinance.

Meaning of words "legally qualified dentist."

9 The words "legally qualified dentist" or "duly qualified dentist," or any words importing a person recognized at law as a dentist, where used in any Ordinance or regulation, shall be construed to mean a dentist registered under this Ordinance.

Naval and military dentists.

10 All dentists of His Majesty's Navy and Army serving in Ceylon on full pay shall be deemed to be registered under this Ordinance.

Registration of persons entitled under any Act of the United Kingdom.

11 Any person claiming to be entitled under any Act of the United Kingdom to be registered in Ceylon under this Ordinance shall be so registered upon producing to the Registrar of the Ceylon Medical College, in proof of his title thereto, a declaration, according to the form B in the schedule hereto, made by him before any justice of the peace; provided that the name of such person appears in the dentists' register then most recently published under any Act of the United Kingdom, or he produces to the said Registrar a duly certified copy of the entry of his name in the original register or any branch register of the General Medical Council or any branch council in the United Kingdom.

Grant of certificates by the Council that holder is entitled to be registered.

12 (1) No person who is not entitled to be registered under the last foregoing section shall be registered as a dentist unless he produces a certificate from the Council of the Ceylon Medical College that he is entitled to be so registered.

(2) The Council of the Ceylon Medical College shall not grant the certificate referred to in the foregoing sub-section to any person, unless they are satisfied that he is of good character, and unless he—

- (a) Has passed through such a course of study and examination as has been or may be prescribed by the Council; or
- (b) Has submitted his diploma or other certificate of his being duly qualified to practise as a dentist to the examination and approval of the Council, who may require by sworn declaration before a justice of the peace or other evidence such proof of identity and good character, of the authenticity of such diploma or certificate, and of the right of the holder to practise elsewhere under such diploma or certificate, as they shall deem fit; and any person wilfully making a false declaration shall be liable to the punishment provided by law for the offence of giving false evidence.

(3) The Council shall by regulations approved by the Governor, with the advice of the Executive Council, and published in the *Government Gazette*, from time to time prescribe and define what diplomas or certificates will be entertained by the Council of the Ceylon Medical College in any application by any person to obtain a certificate under this section; and no diploma or certificate shall be included by the Council in such regulations which does not furnish, in the opinion of the Council, a sufficient guarantee of the possession by the holder of the requisite knowledge and skill for efficient practice as a dentist.

Reference to Governor in Executive Council.

13 If the Council is not satisfied with the diploma or other certificate of an applicant, or with the evidence of qualification, or with the character of the applicant, it shall submit the case with a full report thereon, together with all documents in connection therewith, to the Governor. The Governor, with the advice of the Executive Council, shall decide whether the Council of the Ceylon Medical College shall or shall not give the certificate as aforesaid. Such decision shall be final and conclusive, and if in the applicant's favour he shall thereupon be entitled to receive a certificate from the Council.

Erasure of names from register.

14 The Council of the Ceylon Medical College shall cause to be erased from the register the name of any person who either before or after the passing of this Ordinance has been or may be declared disqualified for practice, or whose name has been struck off the roll, register, or record of the hospital, university, college, or other body in Ceylon or elsewhere from which such person received any diploma, degree, certificate, or other instrument upon the faith of which such person was admitted to practise in Ceylon; and thereupon such person shall no longer be deemed to be a dentist; provided that such Council, before causing the name of such person to be erased, shall give such person, if possible, an opportunity of showing cause before the Council why his name should not be erased from the register.

Removal from register of names of persons who have been convicted, &c.

15 If any dentist registered under this Ordinance is convicted of any indictable offence or, after due inquiry, is considered by the Council to have been guilty of infamous conduct in any professional respect, the Council may, if they think fit, inform the Colonial Secretary thereof, stating the particulars of the case in full, and the Colonial Secretary may thereupon, if he thinks fit, cause the name of such dentist to be struck off the register; provided that the name of such person may be restored thereafter to the register at the request of the Council.

Decision of questions with regard to registration, &c.

16 All questions respecting the right of any person to be registered, or the mode of registration, or the liability of any person to be struck off the register, or the claim of any such person to be restored thereto, and all questions respecting any alteration of the register shall, in case of dispute, be decided by the Council, subject to an appeal to the Governor, with the advice of the Executive Council. If there is no such appeal, the order, direction, or decision of the Council shall be final. If there is such an appeal, the decision of the Governor, with the advice aforesaid, shall be final, and he may give all such directions to the Council of the Ceylon Medical College as may be necessary for enforcing such decision.

Punishment for fraudulently procuring persons to be registered.

17 If any person fraudulently procures or attempts to procure himself or any other person to be registered under this Ordinance by making or producing or causing to be made or produced any false or fraudulent representation or declaration, either orally or in writing, he and every person aiding or assisting him shall be guilty of an offence, and shall on conviction thereof be liable to imprisonment of either description which may extend to two years, or to fine, or to both such punishments.

Penalty.

18 (1) From and after the date on which this Ordinance shall come into operation no person other than a dentist registered under this Ordinance or a duly qualified medical practitioner shall be entitled—

(a) To take or use the name or title of dentist or dental surgeon or any other name, words, title, or description either alone or in conjunction with any other word or words implying or tending to the belief that he is entitled to practise dentistry or dental surgery by modern scientific methods; or

(b) To practise for gain or to profess to practise or to publish his name as practising dentistry or dental surgery or to perform any dental operation or service.
