Separate paging is given to each Part in order that it may be filed separately.

GOVERNMENT NOTIFICATION.

“THE QUARANTINE AND PREVENTION OF DISEASES ORDINANCE, No. 3 OF 1897.”

IT is hereby notified for public information that His Excellency the Governor, in exercise of the powers vested in him by section 4 of the above-named Ordinance, and with the advice of the Executive Council, has been pleased to vary Regulation No. 34, Part V., of the Regulations dated September 17, 1907, and published in the *Government Gazette* No. 6,207 of September 20, 1907, by the addition thereto of the following regulation (to be numbered 34 A), namely:—

34 A. Any building or place to which rats have direct access from drains, or in which rat holes are found not properly blocked up and cemented, shall be considered insanitary, and no such building or place shall be used for the storage of grain, and if the owner or occupier shall fail to carry out such works as the proper authority may consider necessary to prevent the direct access of rats and to block up rat holes, he shall be guilty of an offence.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, March 2, 1914.

R. E. STUBBS,
Colonial Secretary.
