R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of the Draft Bill is—

(1) To extend the period of notice required for opening or working a mine. At present this period is one week, and this is found inadequate in practice to allow the Government to take the necessary administrative measures. The period is therefore extended to one month.

(2) To give to the Governor in Executive Council power to make rules—

(a) For keeping the surroundings of mines and factories in a clean and sanitary condition, and also

(b) For the sending in of reports to the Inspector of Mines and Factories of any loss of life or any personal injury to any person in a mine or factory by reason of any accident or mishap at such mine or factory. At present only the sending of such notices to the Government Agent is contemplated.
