The successful tenderer will be required to deposit forthwith one-tenth of the purchase amount for twelve months in cash, and should the offer be accepted by His Excellency the Governor, to furnish approved security for one-half of the purchase amount for twelve months, or in cash for one-third of such amount, within thirty days of the date of the receipt by him of the notification of the Governor's acceptance of his offer.

He will also be required to deposit money to pay the fees of the Crown Counsel for examining and giving his opinion of the title deeds of properties tendered by him as security and for examining and settling the security bond, and the fees charged by the Crown Counsel for examining documents and drawing the security bond, the expenses of appraising the properties and of registering the security bond, and the stamp duty on the bonds under the Ordinance No. 22 of 1909.

All title deeds tendered as security should be accompanied by a certificate obtained from the Registrar of Lands that the lands to which they relate are unencumbered. This certificate must be obtained at the cost of the party offering the security.
