4. The lessee shall not plant any other trees, plants, or shrubs, save and except cinnamon bushes and grass, without the written consent of the lessor.

5. The Crown shall be at liberty, during the term of the lease, on giving one month's notice to the lessee, to resume possession of the premises hereby demised or any portion thereof, and to sell or otherwise appropriate such premises or such portions thereof as may be required for building allotments or other public purposes, or for the benefit of His Majesty; and a proportionate deduction shall be made from the instalments of rents subsequent to the appropriation of such land by the Crown, such proportion to be estimated with reference to the gross acreage of the premises hereby demised, and without reference to the quality of the land appropriated by the Crown as aforesaid. The lessee shall, at the expiration of such notice, peaceably surrender the said premises with everything thereon unto the lessor, but the lessee shall not be entitled to any compensation by reason thereof.

6. If any portion of the plantation and premises hereby demised be adjudged during the continuance of the tenancy to be private property and not to belong to the Crown, such adjudication shall in no way determine the tenancy, but an abatement in the rent shall be made by the lessor on behalf of the Crown proportionate to the acreage declared to be private property.

7. The lessee shall not during his tenancy cut or peel any cinnamon sticks which shall not have come to maturity, nor shall he at any time destroy or injure any cinnamon bushes or trees or timber on the said plantation growing, nor shall he at any time commit any waste thereon. Provided, however, that nothing herein contained shall prevent the lessee from harvesting such cinnamon as is fit to be harvested in the usual course of husbandry.

8. The lessee shall permit the lessor or his agent or agents at all reasonable times during the tenancy to enter upon the said leased premises and plantation to view the state and condition thereof.

9. During the last year of the term it shall be lawful for the lessor to appoint one or more persons who shall superintend the cutting and peeling of cinnamon then growing upon the said plantation, and so soon as such superintendent or superintendents have been appointed, the lessee shall not cut or harvest any cinnamon, save with the approval and consent of one of such superintendents.

10. The lessee shall, from time to time during the said term, when and so often as need shall require, at his own cost, well and substantially repair and maintain the boundary marks and hedges, mounds, banks, fences, drains, and ditches, which indicate the boundaries of the premises hereby demised.

11. The lessee shall be at liberty to manure the premises hereby demised or any portion thereof subject to Municipal regulations.

12. The lessee shall at the expiration or sooner determination of the said term deliver up the said plantation and leased premises and all fixtures and additions thereto in such good and husbandlike condition as aforesaid, and in all respects in such state and condition as shall be consistent with the due performance of the agreements and stipulations herein contained.

13. The lessee shall, for more perfectly securing to the Crown the due performance of the conditions above set forth, execute with one or more sureties, immediately after the execution of these presents, a bond of even date herewith in favour of Our Sovereign Lord the King for the sum of Rupees _____, and hypothecating to the Crown the properties therein mentioned.

14. If any other quarterly instalments of rent hereby secured shall be in arrear for more than thirty days, or if the lessee commit a breach of any of the foregoing covenants, it shall be lawful for the lessor for and on behalf of the Crown to re-enter upon the said plantation and leased premises without making any compensation to the lessee, and thereupon it shall be optional to the lessor on behalf of the Crown either to sell the remainder of the term at the risk of the lessee or to forthwith determine the tenancy of the said plantations and leased premises.

15. The lessee will pay all taxes due on account of this land and be subject to Municipal regulations.

In witness whereof the said _____ and the said _____ have hereunto set their hands at _____, this _____ day of _____, in the year of Our Lord One thousand Nine hundred and _____.
