Consistently with the limitations specified above, candidates are at liberty to name any of the foregoing subjects, provided that the maximum number of marks that can be obtained from the subjects chosen is limited to 6,000. If this maximum is exceeded by a candidate's selection, he will be required to indicate one of his subjects, the marks for which should, in his case, be reduced so as to bring his maximum marks within the prescribed limit. The marks so reduced will be subject to a correspondingly reduced deduction.

\* The Civil Service Commissioners will regard no person as constitutionally fitted for appointment to the Civil Service of India who has not been satisfactorily vaccinated within the last seven years.

† A syllabus, defining the character of the examination in the various subjects, may be obtained on application to the Secretary, Civil Service Commission, London, W.

Moreover, if a candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.\*

6. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be selected candidates for the Civil Service of India, provided that they appear to be duly qualified in other respects. Should any selected candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate.

7. Selected candidates, before proceeding to India, will be on probation for one year, at the end of which time they will undergo an examination, called the final examination, in the following compulsory subjects† :—

	Marks.

For Madras .. .. .	Tamil or Tèlugu
(At the option of the candidate.)	

In Hindustani the candidate will be required to be acquainted with both the Persian and the Nagari character.

A candidate assigned to Bengal or Assam, whose mother tongue is Bengali, must offer for examination Hindustani ; a candidate assigned to Bombay, whose mother tongue is Marathi, must offer for examination Hindustani ; and a candidate assigned to Madras, whose mother tongue is either of the languages shown against his Province, must offer the other for examination.

9. In the final examination, as in the open competition, the merit of the candidates examined will be estimated by marks (which will be subject to deductions in the same way as the marks assigned at the open competition), and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it. The examination will be conducted on paper and *visà voce*, as may be deemed necessary.

If any candidate is prevented by sickness or any other adequate cause from attending such examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the final examination to be held in the following year, or at a special examination.

10. The selected candidates will also be tested during their probation as to their proficiency in riding.

The examinations in riding will be held as follows :—

- (1) Shortly after the result of the open competitive examination has been declared, or at such time or times as the Commissioners may appoint during the course of the probationary year.
- (2) Again, at the time of the final examination. Candidates who may then satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Civil Service of India will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed, to be added to their marks in the final examination. Candidates who fall short of this adequate proficiency, but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100 ; they will be allowed to proceed to India, and will on their arrival there be subjected to such further tests in riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A candidate who fails at the end of the year of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in riding will be liable to have his name removed from the list of selected candidates.

11. The selected candidates who, on examination, shall be found to have a competent knowledge of the subjects specified in Regulation 7, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character, conduct during the period of probation, and ability to ride, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force at the time for that Service.

12. Persons desirous to be admitted as candidates must apply on forms, which may be obtained from "The Secretary to the Civil Service Commissioners, London," at any time after December 1, in the year previous to that in which the examination is to be held. No person will be admitted to the examination from whom the Secretary to the Civil Service Commissioners has not received on or before June 1 (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the examination is to be held, an application, in the handwriting of the candidate, on the prescribed form.

\* It is notified for general information that the number of marks deducted for bad handwriting may be considerable.

† Instructions, showing the extent of the examination, will be issued to selected candidates, as soon as possible after the result of the open competition is declared.

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements :—

(i.) Selected candidates will be allotted to the various Provinces upon a consideration of all the circumstances, including their own wishes ; but the requirements of the Public Service will rank before every other consideration.

(ii.) An allowance amounting to £150 will be given to any candidate who passes his probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrews, Aberdeen, and London (University College) ; Victoria University, Manchester.

This allowance will be paid to the selected candidate in four instalments on the following dates respectively :— December 24, after his selection, March 25, June 24, and the date of his signing his covenant on being finally appointed to the Service.

With the final instalment an allowance on account of passage to India will be paid to each newly appointed Civilian to the amount of £37. 10s. 0d. for passage to Calcutta, Madras, or Bombay, and £43 for passage to Rangoon, the officer then making his own arrangements for his passage.

The payment of each of the first three instalments will be conditional on the receipt, by the Secretary of State, through the Civil Service Commissioners, of a certificate that the candidate has fulfilled up to date the requirements of the authorities, and shown satisfactory conduct at the Authorized University or College ; the fourth and final instalment will be paid as soon as the selected candidate has signed his covenant, and for its payment no certificate from College Authorities will be required.

The whole probation must ordinarily be passed at the same institution. Migration will not be permitted, except for special reasons approved by the Secretary of State.

(iii.) Each candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety, jointly and severally, to refund all monys he may have received from the Secretary of State for India in the event of—

- (1) His failure to pass the final examination within the time prescribed by the regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Civil Service of India ; or
- (2) His subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.

(iv.) All candidates obtaining certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force, they may be required to make towards their own pensions or for the pensions of their families. The stamps payable on these covenants amount to £1.

(v.) The seniority in the Civil Service of India of the candidates obtaining certificates will be determined according to the order in which they stand on the list resulting from the combined marks of the open competitive and final examinations.

(vi.) Candidates obtaining certificates will be required to report their arrival in India within such period after the grant of their certificates of qualification as the Secretary of State may in each case direct.

(vii.) Candidates who fail to satisfy the Civil Service Commissioners at the final examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.

#### Syllabus of any Open Competitive Examination for the Civil Service of India, Clerkships (Class I.) in the Home Civil Service, and Eastern Cadetships in the Colonial Service that may be held in the Year 1915, and of any other Competition that may be held in combination therewith.

In view of the importance of legible handwriting in the Public Service, candidates are warned that the provision as to deductions for bad handwriting in these competitions will be strictly enforced.

Candidates are warned that full marks cannot be obtained on any paper, unless the whole of it is answered, or, in cases where the number of questions to be answered is specified, unless the full number specified is answered.

*English Composition.*—An Essay to be written on one of several specified subjects.

*Sanskrit Language and Literature.*—Translation from Sanskrit ; composition in Sanskrit ; Sanskrit Literature, including the life, thought, and antiquities of Ancient India, together with such knowledge of history as bears upon the subject ; questions on the Sanskrit Language (including questions on Philology).

Composition will be required in Classical Sanskrit alone ; elsewhere Vedic Sanskrit is also included.

Candidates are expected to make a special study of the Seventh Mandala of the Rig-veda, but other Vedic hymns may also be set in the examination.

*Latin Literature.*—Questions on the Latin Language (including questions on Philology) and on Roman Literature and Antiquities.

*English Language and Literature.*—The examination will be in two parts. In the one candidates will be expected to show a general acquaintance with the course of English Literature, as represented in the chief writers in verse and prose, between the reign of Edward III. and the death of Queen Victoria.

A minute and detailed knowledge will not be looked for in this part of the examination. But its aim will be to test how far the candidates have studied at first hand the chief productions of the greatest English writers, and are acquainted with the leading characteristics of their thought and style, and with the place which each of them occupies in the history of English Literature.

The other part of the examination will relate to one of the following periods, which will follow each other year by year in rotation :—

Period I : 1360 to 1600, Chaucer to Spenser.

Period II : 1600 to 1660, the later Elizabethans.

Period III : 1660 to 1744, the age of Dryden and Pope.

Period VI. : 1832 to 1892, from the death of Scott to the death of Tennyson.

The examination in this part will require from the candidates a more minute acquaintance with the history of the English Language and Literature, as illustrated in the chief works produced in each period, and will be based to a considerable extent, but by no means exclusively, on certain books specified each year by the Commissioners. The names and other indications placed beside the dates are intended to suggest the general character of the literary development of the period, and, consequently, the natural limits of the examination. All the works of Shakespeare and Milton, for example, will be regarded as falling within the period 1600 to 1660 ; all the works of Wordsworth and Coleridge within the period 1800 to 1832 ; all the works of Carlyle, Landor, and Macaulay within the period 1832 to 1892.
