By His Excellency's command,

Colombo, September 12, 1914. Colonial Secretary.

Statement of Objects and Reasons.

ORDINANCE No. 13 of 1913, which empowered the Incorporated Society for the Propagation of the Gospel in Foreign Parts and Ernest Arthur Copleston, Bishop of Colombo, to sell the premises known as St. Thomas's College and to buy another allotment of land, did not authorize them to allow part of the purchase money of the new premises to remain on mortgage.

2. The object of this Bill is to supply this defect.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Opium Ordinance, 1910."

Preamble.

WHEREAS it is expedient to amend "The Opium Ordinance, 1910": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Opium (Amendment) Ordinance, No. of 1914."

Substitution of new sub-section (5) for sub-section (5) of section 11.

2 For sub-section (5) of section 11 of the principal Ordinance the following sub-section shall be substituted:

(5) Where any person who has been registered as a consumer of opium (hereinafter referred to as a registered consumer)—

(a) Has been convicted of any offence under this Ordinance or any rule made thereunder; or

(b) Has been convicted of any offence which, in the opinion of the Government Agent or Assistant Government Agent, renders a cancellation of his certificate expedient; or

(c) Has not for a period of six consecutive months been supplied with opium under the authority of his certificate,

the Government Agent or Assistant Government Agent shall cause the name of such person to be removed from the register. Provided that the Government Agent or Assistant Government Agent may at any time in his discretion issue a new certificate authorizing the supply of such quantity of opium as he may think fit to any person whose name shall have been so removed, and may cause the name of such person to be re-entered in the register.

Substitution of new paragraph for paragraph (a) of section 12.

3 For paragraph (a) of section 12 of the principal Ordinance the following paragraph shall be substituted:

(a) No opium shall be supplied to any person other than a registered consumer or registered vedarala, who personally produces his certificate showing that he is entitled to be supplied with opium by the authorized vendor to whom the certificate is produced. Provided that in the case of such classes of persons as may be specified by rules in that behalf opium may be supplied to the authorized agent of such persons in accordance with such conditions as may be prescribed in the rules.

Addition of new paragraphs (n) and (o) to sub-section (2) of section 14.

4 The following paragraphs shall be added to sub-section (2) of section 14 of the principal Ordinance, and shall be numbered (n) and (o) respectively :

(n) Provide for the revision from time to time of the register of consumers, for the reduction of the amount of opium allowed to any registered consumer, and for the superseding of existing certificates by new certificates issued in accordance with such revision or reduction.

(o) Regulate the cases in which opium may be issued to authorized agents of consumers, and the conditions of such issue.

Addition of new paragraphs (i) and (j) to sub-section (2) of section 18.

5 The following paragraphs shall be added to sub-section (2) of section 18 of the principal Ordinance, and shall be numbered (i) and (j) respectively :

(i) Provide for the revision from time to time of the register of vedaralas, for the reduction of the amount of opium allowed to any registered vedarala, and for the superseding of existing certificates by new certificates issued in accordance with such revision or reduction.

(j) Regulate the cases in which opium may be issued to authorized agents of registered vedaralas, and the conditions of such issue.

By His Excellency's command,
Colonial Secretary's Office, R. E. STUBBS,
Colombo, September 18, 1914. Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to deal with three points that have arisen in the administration of the Opium Ordinance.

2. *Cancellation of Certificates.*—It is found in experience that some consumers do not make use of their certificates. In most of these cases it is probable that the certificates were originally obtained for a fraudulent purpose. In other cases a consumer is perforce prevented from obtaining opium by a sentence of imprisonment, under which he is cured of his habit. The provision of the Ordinance which authorizes the cancellation of certificates has accordingly been re-modelled so as to include these cases. In any case in which a certificate is cancelled, power is given to the Government Agent or Assistant Government Agent in his discretion at any time to grant a new certificate.

3. *Revision of Registers.*—The registers of consumers and vedaralas require periodical revision. Persons on the register may have died or left the Colony, and it is possible for other persons to make fraudulent use of the certificates issued to them. Periodical revision is accordingly provided for by new paragraph (n) to be added to section 14 by section 4 of this Ordinance, and by new paragraph (i) to be added to section 18 by section 5.

4. Provision is at the same time made for the reduction of the amount of opium allowed to registered consumers and vedaralas in cases where experience shows that this is necessary. It is found in practice that some registered consumers are drawing excessive quantities and are disposing of the surplus.

5. *Supply of Opium to Agents.*—At present any registered consumer or vedarala may obtain the opium allowed to him through an agent. This unrestricted power is found in practice to be subject to abuse. It is proposed, therefore, in the case of consumers, to limit this privilege to specified cases, and to regulate the supply of opium to agents both in the case of registered consumers and registered vedaralas by special rules.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Ceylon Paper Currency Ordinance, 1884."

Preamble.

WHEREAS it is expedient to amend "The Ceylon Paper Currency Ordinance, 1884": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Ceylon Paper Currency (Amendment) Ordinance, No. of 1914."

Addition of new section 24.

2 Immediately after section 23 of the principal Ordinance the following section shall be added and shall be numbered 24:

Certificate under the hand of the Treasurer to be conclusive evidence as to the spuriousness of certain currency notes.

24 (1) In any proceedings in which the genuineness of any currency note shall be in question, a certificate under the hand of the Treasurer to the effect that such note is spurious, on the ground that it does not contain the secret features characteristic of a genuine note of corresponding denomination, number, and date, shall be received in all courts of law as conclusive evidence of the spuriousness of such note.

(2) The Treasurer shall not be examined or cross-examined with respect to any such certificate.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, September 21, 1914.

R. E. STUBBS,
Colonial Secretary

Statement of Objects and Reasons.

THE object of this Ordinance is to give due effect to a change which has been introduced in the manufacture of currency notes, with a view to the protection of the public and the Government against forgery.

2. All currency notes now embody certain secret characteristic features, which are known to the Treasurer. The Ordinance provides that a certificate from this officer that a note is spurious, on the ground that it does not contain its proper characteristic secret features, shall be conclusive evidence in a court of law.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to provide for the Appropriation of a certain sum of Money out of the Fund referred to in "The Tea Cess Ordinance, 1909," for purposes other than those authorized by the said Ordinance.

Preamble.

WHEREAS it is expedient to authorize the appropriation of a certain sum of money out of the balance of the proceeds of the export duty levied on tea under Ordinance No. 4 of 1894, which was unexpended on December 31, 1908 (hereinafter referred to as the "Tea Cess Fund"), for purposes other than those authorized by "The Tea Cess Ordinance, 1909": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Tea Cess Ordinance, No. of 1914."

2 The Committee authorized under "The Tea Cess Ordinance, 1909," to administer the Tea Cess Fund may appropriate out of the said fund the sums specified in the schedule to this Ordinance for the purposes therein indicated.

SCHEDULE.

	Rs.
To the H. R. H. The Prince of Wales' War Fund for the purpose of relieving distress among the British people ..	30,000
For buying and despatching tea to the Russian troops	30,000

By His Excellency's command,
Colonial Secretary's Office, R. E. STUBBS,
Colombo, September 30, 1914. Colonial Secretary.

Statement of Objects and Reasons.

THE "Thirty Committee" is desirous of appropriating out of the fund it administers two contributions of Rs. 30,000 each, one towards the Prince of Wales' Fund and the other towards providing a gift of tea to Russian troops.

2. Under "The Tea Cess Ordinance, No. 2 of 1909," it has no power to make any such appropriation, the purpose to which the fund may be applied being limited to that of "increasing the consumption of Ceylon tea in foreign lands."

3. The object of the present Ordinance is to give effect to the patriotic desires of the "Thirty Committee" and those whom they represent.

DRAFT ORDINANCES.

(Continued from page 773.)

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance relating to Trading with the Enemy.

Preamble.

WHEREAS it is expedient to provide for the enforcement of the law relating to trading with the enemy: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Trading with the Enemy Ordinance, No. of 1914."

Penalties for trading with the enemy.

2 (1) Any person who, during the present war, trades or attempts to trade, or has since the 4th of August, 1914, traded or attempted to trade, with the enemy, shall be guilty of an offence, and shall be liable—

- (a) On summary conviction to imprisonment of either description for a period not exceeding twelve months, or to a fine not exceeding seven thousand five hundred rupees, or to both; or
- (b) On indictment to imprisonment of either description for a period not exceeding seven years, or to a fine not exceeding seven thousand five hundred rupees, or to both;

and in either case to the forfeiture of the goods or money in respect of which the offence was committed.

(2) "Trading with the enemy" in this Ordinance means any act or transaction prohibited by or under any Proclamation issued by His Majesty the King dealing with such trading.

(3) Any officer of any firm or company knowingly party to any offence under this Ordinance shall be liable to the same punishment as that prescribed for the offence.

(4) No proceedings shall be instituted in respect of any offence under this Ordinance, except at the instance or with the previous sanction of the Attorney-General.

Powers of inspection, search, and inquiry.

3 (1) In any case in which it is suspected or anticipated that an offence under this Ordinance has been or will be committed by any person, firm, or company, a Police Magistrate, on being satisfied in that behalf by information on oath

laid before him by or with the authority of an Executive Officer, may authorize by warrant any person named in the warrant—

- (a) To inspect any books or documents belonging to or under the control of any such person, firm, or company ;
- (b) To require any person able to give information respecting the business or trade of any such person, firm, or company to give such information ;
- (c) If accompanied by a police officer, to search any premises used in connection with such business or trade.

(2) An Executive Officer, by written order in any case which he shall certify in such order to be a case of urgency, may without warrant give to any person the same authority which a Magistrate may under this section give to any person by warrant.

(3) Any person who shall refuse or neglect to produce any books or documents or to give any information which he may be required to produce or give to any person authorized by warrant or written order under this section, or who shall knowingly give false information to any person so authorized, shall be guilty of an offence, and shall be liable on summary conviction to imprisonment of either description for a period not exceeding six months, or to a fine not exceeding seven thousand five hundred rupees, or to both.

(4) For the purposes of this section an "Executive Officer" means any of the following officers: the Colonial Secretary, the Attorney-General, the Government Agent or Assistant Government Agent, the Principal Collector of Customs, and the Inspector-General of Police.

Powers of control.

4 (1) Where it appears to the Governor in Executive Council with reference to any person, firm, or company—

- (a) That an offence under this Ordinance has been or is likely to be committed in connection with the business or trade of any such person, firm, or company ; or
- (b) That the control or management of any such person, firm, or company has been or is likely to be so affected by the state of war as to prejudice the effective continuance of its business or trade, and that it is in the public interest that the business or trade should continue to be carried on,

the Attorney-General may apply to a District Court for the appointment of a Controller of such business or trade, and the District Court shall have power to appoint such Controller at such time and under such conditions and with such powers as the court thinks fit, and the powers so conferred shall be either those of a receiver and manager, or those powers subject to such modifications, restrictions, or extensions as the court thinks fit, including, if the court considers it necessary or expedient, powers for enabling the Controller to borrow money after special application to the court for this purpose, and to create charges on the property of the person, firm, or company in priority to existing charges.

(2) The court shall have power to direct how and by whom the cost of any proceedings under this section and the remuneration for charges and expenses of the Controller shall be borne, and shall have power, if it thinks fit, to charge any such costs, charges, and expenses on the property of the person, firm, or company in such order of priority in relation to any existing charges as it thinks fit.

5 In any case in which the Governor in Executive Council is satisfied that any class of goods is in practice being consigned to any neutral country wholly or mainly by way of transmission to the enemy, he may by Order in Council, subject to the sanction of the Secretary of State, prohibit the exportation of such goods from Ceylon to such country, subject to such

conditions and qualifications as may be contained in the Order. And any person infringing or attempting to infringe any of the provisions of the said Order in Council shall be guilty of an offence, and shall be liable to the same penalties as those prescribed by section 2 of this Ordinance.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 2, 1914.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

This Ordinance is proposed on the instructions of the Secretary of State with a view to providing means for the enforcement of the two Proclamations relating to trading with the enemy issued by His Majesty the King since the commencement of the war. It follows closely upon the lines of the Trading with the Enemy Act, 1914, just passed by the Imperial Parliament.

2. Section 5 does not appear in the Act of the Imperial Parliament. Its object is to allow the Government, with the sanction of the Secretary of State, in cases where it is known that any particular commodity is being largely exported to an enemy country by way of a neutral country, to prohibit absolutely or subject to conditions the export of that commodity to the neutral country in question.
