† These lots (4a10 and 151 in final village plan 28) are sold on condition that the purchaser provides galvanized iron crossings over the Ambewela-ela sufficiently large to carry the drainage water from these lots, and that he signs a condition that he will keep the ela clear of any silt that may get into it from these lots.

Further information regarding these lands can be obtained from the Government Agent, Province of Uva, and plans of them from the Surveyor-General.
