**An Ordinance to provide for the Registration of Dentists
in Ceylon.**

Preamble.	<p>WHEREAS it is expedient to provide for the registration of persons lawfully qualified to practise dentistry or dental surgery in Ceylon; Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:</p>
Short title and commencement.	<p>1 This Ordinance may be cited as "The Dentists Registration Ordinance, No. of 1915," and shall come into force at such date, not being less than six months after the passing of this Ordinance, as the Governor, with the advice of the Executive Council, shall by Proclamation appoint: Provided that immediately after the passing of this Ordinance and before the said date it shall be lawful to register and license persons as dentists in accordance with the provisions of this Ordinance, and to do all things which are prescribed by this Ordinance for such purpose.</p>
Keeping of register.	<p>2 (1) The Registrar of the Ceylon Medical College shall keep a register of dentists qualified to practise dentistry and dental surgery in Ceylon. The register shall be, as nearly as may be, according to form A in the schedule to this Ordinance.</p>
Evidence of qualification for registration.	<p>(2) The said Registrar shall not register any person as a dentist unless he produces—</p> <p>(a) In the case of a person claiming to be qualified under any Act of the United Kingdom, the proof required by section 11 of this Ordinance.</p> <p>(b) In the case of a person claiming to be qualified otherwise than under any Act of the United Kingdom, a certificate of the Council of the Ceylon Medical College that such person is entitled to be registered under this Ordinance.</p> <p>(3) Every such registration shall be liable to a stamp duty of five rupees, which shall be paid by each dentist before his name is entered in such register.</p>
Publication of copy of the register.	<p>3 A copy of the register shall be published by the Registrar of the Ceylon Medical College in the <i>Government Gazette</i> as soon after the commencement of this Ordinance as may be convenient; and thereafter a copy of the register, as it stands at such time, shall be published by the said Registrar as soon as may be after the first day of January in each year. Any copy of the <i>Government Gazette</i> containing the most recent copy of the register shall be <i>primâ facie</i> evidence in all legal proceedings that the persons therein specified are registered under this Ordinance; and the absence of the name of any person from such copy shall be <i>primâ facie</i> evidence that such person is not registered under this Ordinance.</p>
Keeping the register up to date.	<p>4 (1) The Registrar of the Ceylon Medical College shall keep the register correct in accordance with the provisions of this Ordinance, and shall make from time to time the necessary alterations in the addresses or qualifications of the persons registered under this Ordinance, and shall cancel in the register the names of all persons so registered who have died or ceased to be qualified.</p> <p>(2) Whenever any person registered under this Ordinance changes his residence he shall forthwith notify his new address to the said Registrar.</p> <p>(3) The said Registrar may write a letter to any registered person, addressed to him according to his address in the register, to inquire whether he has changed his residence, and if he does not receive an answer to such letter within six months of the sending thereof he may erase from the register the name of such person; provided always that the same may be restored at the request of the Council of the Ceylon Medical College.</p>
Notification of change of qualification.	<p>5 (1) Any person registered under this Ordinance who may obtain any degree or qualification other than the degree or qualification in respect of which he is registered may cause such other degree or qualification to be inserted in the register, in substitution for or in addition to the degree or qualification already registered, on payment of a fee of fifteen rupees.</p>

(2) Such fees shall be paid into the general revenue of the Colony.

Fraudulent or incorrect entries.

6 Any entry in the register which is proved to the satisfaction of the Council of the Ceylon Medical College to have been fraudulently or incorrectly made may be erased from the register, provided that a record of the reason for every such erasure is entered in the register and signed by the Registrar.

Right of registered dentists to practise.

7 Every person registered under this Ordinance shall be entitled to practise dentistry and dental surgery in Ceylon, and to demand and recover reasonable charges for services rendered by him as such dentist, and the costs of medicines and surgical appliances supplied by him.

Right to recover charges for dental practice.

8 No person shall be entitled to recover any charge in any court of law for any dental operation, service, work, or attendance, or for any medicine which he shall have prescribed and supplied, unless he shall prove upon the trial that he is registered under this Ordinance.

Meaning of words "legally qualified dentist."

9 The words "legally qualified dentist" or "duly qualified dentist," or any words importing a person recognized at law as a dentist, where used in any Ordinance or regulation, shall be construed to mean a dentist registered under this Ordinance.

Naval and military dentists.

10 All dentists of His Majesty's Navy and Army serving in Ceylon on full pay shall be deemed to be registered under this Ordinance.

Registration of persons entitled under any Act of the United Kingdom.

11 Any person claiming to be entitled under any Act of the United Kingdom to be registered in Ceylon under this Ordinance shall be so registered upon producing to the Registrar of the Ceylon Medical College, in proof of his title thereto, a declaration, according to the form B in the schedule hereto, made by him before any justice of the peace; provided that the name of such person appears in the dentists' register then most recently published under any Act of the United Kingdom, or he produces to the said Registrar a duly certified copy of the entry of his name in the original register or any branch register of the General Medical Council or any branch council in the United Kingdom.

Grant of certificates by the Council that holder is entitled to be registered.

12 (1) No person who is not entitled to be registered under the last foregoing section shall be registered as a dentist unless he produces a certificate from the Council of the Ceylon Medical College that he is entitled to be so registered.

(2) The Council of the Ceylon Medical College shall not grant the certificate referred to in the foregoing sub-section to any person, unless they are satisfied that he is of good character, and unless he—

(a) Has passed through such a course of study and examination as has been or may be prescribed by the Council; or

(b) Has submitted his diploma or other certificate of his being duly qualified to practise as a dentist to the examination and approval of the Council, who may require by sworn declaration before a justice of the peace or other evidence such proof of identity and good character, of the authenticity of such diploma or certificate, and of the right of the holder to practise elsewhere under such diploma or certificate, as they shall deem fit; and any person wilfully making a false declaration shall be liable to the punishment provided by law for the offence of giving false evidence.

(3) The Council shall by regulations approved by the Governor, with the advice of the Executive Council, and published in the *Government Gazette*, from time to time prescribe and define what diplomas or certificates will be entertained by the Council of the Ceylon Medical College in any application by any person to obtain a certificate under this section; and no diploma or certificate shall be included

by the Council in such regulations which does not furnish, in the opinion of the Council, a sufficient guarantee of the possession by the holder of the requisite knowledge and skill for efficient practice as a dentist.

Reference to Governor in Executive Council.

13 If the Council is not satisfied with the diploma or other certificate of an applicant, or with the evidence of qualification, or with the character of the applicant, it shall submit the case with a full report thereon, together with all documents in connection therewith, to the Governor. The Governor, with the advice of the Executive Council, shall decide whether the Council of the Ceylon Medical College shall or shall not give the certificate as aforesaid. Such decision shall be final and conclusive, and if in the applicant's favour he shall thereupon be entitled to receive a certificate from the Council.

Erasure of names from register.

14 The Council of the Ceylon Medical College shall cause to be erased from the register the name of any person who either before or after the passing of this Ordinance has been or may be declared disqualified for practice, or whose name has been struck off the roll, register, or record of the hospital, university, college, or other body in Ceylon or elsewhere from which such person received any diploma, degree, certificate, or other instrument upon the faith of which such person was admitted to practise in Ceylon; and thereupon such person shall no longer be deemed to be a dentist; provided that such Council, before causing the name of such person to be erased, shall give such person, if possible, an opportunity of showing cause before the Council why his name should not be erased from the register.

Removal from register of names of persons who have been convicted, &c.

15 If any dentist registered under this Ordinance is convicted of any indictable offence, or, after due inquiry, is considered by the Council to have been guilty of infamous conduct in any professional respect, the Council may, if they think fit, inform the Colonial Secretary thereof, stating the particulars of the case in full, and the Colonial Secretary may thereupon, if he thinks fit, cause the name of such dentist to be struck off the register; provided that the name of such person may be restored thereafter to the register at the request of the Council.

Decision of questions with regard to registration, &c.

16 All questions respecting the right of any person to be registered, or the mode of registration, or the liability of any person to be struck off the register, or the claim of any such person to be restored thereto, and all questions respecting any alteration of the register, shall, in case of dispute, be decided by the Council, subject to an appeal to the Governor, with the advice of the Executive Council. If there is no such appeal, the order, direction, or decision of the Council shall be final. If there is such an appeal, the decision of the Governor, with the advice aforesaid, shall be final, and he may give all such directions to the Council of the Ceylon Medical College as may be necessary for enforcing such decision.

Punishment for fraudulently procuring persons to be registered.

17 If any person fraudulently procures or attempts to procure himself or any other person to be registered under this Ordinance by making or producing or causing to be made or produced any false or fraudulent representation or declaration, either orally or in writing, he and every person aiding or assisting him shall be guilty of an offence, and shall on conviction thereof be liable to imprisonment of either description which may extend to two years, or to fine, or to both such punishments.

Prohibitions and penalties.

18 (1) From and after the date on which this Ordinance shall come into operation no person other than a dentist registered under this Ordinance or a duly qualified medical practitioner shall be entitled—

(a) To take or use the name or title of dentist or dental surgeon or any other name, words, title, or description either alone or in conjunction with any other word or words implying or tending to the belief that he is entitled to practise dentistry or dental surgery, or—

(b) To practise for gain or to profess to practise or to publish his name as practising dentistry or dental surgery, or—

(c) To perform for gain any dental operation or service.

Provided that the extraction of teeth shall not be deemed a dental operation or service within the meaning of the last preceding paragraph.

(2) No person registered under this Ordinance as a dentist shall assume the title of doctor unless he is registered as a legally qualified medical practitioner under "The Medical Registration Ordinance, 1905."

Provided that any registered dentist, who is the holder of any degree entitling him to use the title "Doctor" in the country where such degree was granted, and who shall have been using such title in Ceylon at the date of the passing of this Ordinance, may, notwithstanding anything contained in this Ordinance, or "The Medical Registration Ordinance, 1905," continue to use such title.

(3) Any person acting in contravention of this section shall be guilty of an offence, and shall be liable to a fine not exceeding two hundred rupees.

Saving as to vedaralas, Government apothecaries, and estate dispensers.

19 Nothing in this Ordinance shall preclude any person authorized to practise for gain under "The Medical Registration Ordinance, 1905," from rendering to any patient in the course of his practise any dental service, not being a dental operation, or from recovering his charges in respect of such service or in respect of any medicine supplied in connection therewith.

Transitory provisions for special license to existing practitioner.

20 (1) Notwithstanding anything contained in this Ordinance, the Registrar of the Ceylon Medical College shall issue a special license to any of the following persons, that is to say:

(a) Any person who shall satisfy the Council of the Ceylon Medical College that at the date of the passing of this Ordinance he has been continuously engaged in the practice of dentistry or dental surgery in Ceylon for a period of five years;

(b) Any person who at the said date has been engaged in such practice for a lesser period, and to whom the said Council may on special grounds think the issue of such a license expedient;

and shall keep, publish, and revise a list of such persons so specially licensed in the same manner as the register of dentists.

(2) Any such person shall be entitled to practise dentistry and dental surgery in the same manner as a registered dentist, and shall (with the necessary modifications) have the same rights and immunities and be subject to the same liabilities and penalties as such registered dentist. Provided that no such person shall be entitled to use any other title or designation than that of "Licensed Dentist," and any such person using any other title or designation shall be guilty of an offence, and shall be liable on conviction to a fine not exceeding two hundred rupees.

Justice of the Peace.

By His Excellency's command,
Colonial Secretary's Office, R. E. STUBBS,
Colombo, January 28, 1915. Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to provide a system for the registration of dentists practising in Ceylon.

2. For this purpose it provides for the keeping of a register (section 2), its publication (section 3), and periodical revision (section 4).

3. The persons entitled to be registered are—

- (a) Any person entitled to practise as a dentist in the United Kingdom (section 11);
- (b) Any person who has passed through such a course of study and examination as may be prescribed (section 12 (2) (a)); and
- (c) Any person possessing any colonial or foreign qualifications in dentistry or dental surgery as may be recognized by the Council of the Ceylon Medical College, with the approval of the Governor in Council (section 12 (2) (b)).

4. The provisions of the Ordinance follow the general lines of "The Medical Registration Ordinance, No. 2 of 1905." The following four points, however, require special notice:—

- (a) The prohibition of dental practice by unqualified persons;
- (b) The use of the title "Doctor" by dentists;
- (c) The position of vedaralas, Government apothecaries, and estate dispensers;
- (d) The position of existing unqualified practitioners.

5. *Dental practice by unqualified persons.*—Under section 18 a person who is not a registered dentist or qualified medical practitioner may not call himself a dentist, or practise for gain as a dentist, or perform any dental operation or service for gain. It is not considered, however, that this should preclude the mere extraction of teeth, as this operation may be necessary in places where the population has no access either to a qualified dentist or to a qualified medical practitioner.

6. *Use of title of "Doctor" by Dentists.*—This is prohibited. Some American dental institutions grant the degree of "Doctor in Dentistry," but the use of the title "Doctor" by such persons would appear to be an offence under "The Medical Registration Ordinance, 1905," section 19. It is thought right, however, that if there are such persons in Ceylon who have been up to the present using the title "Doctor" by virtue of this degree, they should be allowed to continue to use it. This is accordingly legitimized by the proviso to section 18, sub-section (2).

7. *Position of Vedaralas, Government Apothecaries, and Estate Dispensers.*—In addition to regular medical practitioners, "The Medical Registration Ordinance, 1905," recognizes—

- (a) Vedaralas;
- (b) Government apothecaries;
- (c) Estate dispensers appointed with the approval of the Principal Civil Medical Officer.

As these persons are authorized by law to practise medicine and surgery, they ought not to be precluded from rendering dental services, such as the prescription of fomentations and decoctions for their patients. They are accordingly protected by section 19.

8. *Position of existing unqualified practitioners.*—It is probable that a certain number of persons at present professing to practise dentistry would not be able to obtain registration under the Ordinance. Section 20 accordingly provides that where any such person has been engaged in dental practice for five years, he shall have a special license entitling him to continue to practise. Power is also given to issue licenses to persons who have been engaged in dental practice for a lesser period, if it is thought that on special grounds the issue of such a license is expedient. Persons so licensed are not entitled to assume any other designation except that of a licensed dentist.

9. This Ordinance is a re-draft of the Ordinance of the same title previously gazetted. The points in which it differs from the previous draft are as follows:—

- (a) The restriction of the prohibition of the performance of dental operations or services by unregistered persons to cases in which such operations or services are performed for gain;
- (b) The exception of tooth-extraction from that prohibition;
- (c) The prohibition of the assumption of the title "Doctor" by dentists;
- (d) The qualified recognition of vedaralas, Government apothecaries, and estate dispensers;
- (e) The provision for existing practitioners.
