DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance further to amend "The Colombo Municipal Council Waterworks Ordinance, 1907."

Preamble. **WHEREAS** it is expedient further to amend "The Colombo Municipal Council Waterworks Ordinance, 1907": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title. 1 This Ordinance may be cited as "The Colombo Municipal Council Waterworks (Amendment) Ordinance, No. of 1915."

Amendment of section 38 of the principal Ordinance. 2 In line 2 of section 38 of the principal Ordinance the words "by all consumers of water" are hereby repealed.

By His Excellency's command,
 Colonial Secretary's Office, R. E. STUBBS,
 Colombo, February 3, 1915. Colonial Secretary.

Statement of Objects and Reasons.

THIS Ordinance is occasioned by a recent decision of the Supreme Court, which has decided that the regulations of the principal Ordinance do not apply to contractors who install water pipes and connections, but only to consumers.

2. The inconvenience of this decision is met by the omission of the words "by all consumers of water."

Attorney-General's Chambers,
 Colombo, January 23, 1915.

ANTON BERTRAM,
 Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Ceylon Penal Code."

Preamble.

WHEREAS it is expedient to amend "The Ceylon Penal Code" in certain particulars: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Ceylon Penal Code (Amendment) Ordinance, No. of 1915."

Amendment of section 120.

2 In line 8 of section 120 of the principal Ordinance, after the words "by law established, or" the word "attempts" shall be inserted.

Amendment of section 180.

3 In line 11 of section 180 of the principal Ordinance the words "one thousand rupees" shall be substituted for the words "one hundred rupees."

Addition of new section 392 A.

4 The following section shall be inserted immediately after section 392 of the principal Ordinance and shall be numbered 392 A:

Criminal breach of trust by agent in respect of postal articles.

392 A Any person who, acting or purporting to act as the agent of any other person, receives from a postal officer any postal article for delivery to such other person and—

- (a) Wilfully throws away, destroys, keeps, or secretes; or
- (b) Without reasonable excuse (the burden of proving which shall lie upon him) fails duly to account for such article, or unduly delays such delivery,

shall be deemed guilty of criminal breach of trust, and shall be liable to the punishment prescribed therefor.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, January 27, 1915.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to introduce three minor amendments into the Penal Code.

2. Section 2 inserts in section 120 of the Penal Code a word necessary to complete the sense, which appears to have been omitted by an accident.

3. Section 3 enhances the fine which may be imposed under section 180 for "giving false information with intent to cause a public servant to use his lawful power to the injury of another person." The present limit (Rs. 100) is obviously too low.

4. Section 4 declares that a person who receives a postal article on behalf of some other person from a postal officer and intercepts that article shall be guilty of criminal breach of trust. Attention to the necessity of this section was drawn by the case of a public officer who intercepted a series of communications addressed to the head of his department containing complaints against himself. It was not found possible under the existing law to bring the offender to justice on this account.

January 7, 1915.

ANTON BERTRAM,
Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to confirm and give legal effect to a Settlement made between the Government and the Proprietors of Lands irrigable under the Sagamam-Vamiyadi Irrigation Scheme.

Preamble.

WHEREAS a scheme for the restoration of the Sagamam tank was sanctioned and carried out under the provisions of Ordinance No. 21 of 1867 :

And whereas by a resolution passed at a meeting of the proprietors of lands irrigable under the said scheme on the 14th and 15th days of November, 1877, it was agreed between the Government and the said proprietors that the contribution in respect of the cost of the restoration of the said tank payable by the proprietors should be fixed at the amount of one rupee per acre per annum for a period of fifteen years :

And whereas the greater part of the said amount has now been paid :

And whereas further lands were sold as being irrigable under the said scheme subject to the said contribution, and whereas about 971 acres of such lands are included in the specification now in force under the said scheme, but no contribution towards the cost of the scheme has yet been paid by the proprietors of the said lands :

And whereas the said scheme was in the years 1900–1905 enlarged by the execution of certain new works in connection with the Vamiyadi tank, the said scheme, since the sanctioning of the said works, being known as the Sagamam-Vamiyadi Scheme :

And whereas at a meeting of the proprietors of lands irrigable under the said Sagamam-Vamiyadi Scheme, held on the 19th day of November, 1900, the resolutions set out in the first schedule to this Ordinance were adopted and were subsequently sanctioned by the Government :

And whereas questions have since arisen between the Government and the proprietors with reference to the further contributions provided for by the third and fourth resolutions set out in the said first schedule, and with reference to the future cost of the maintenance of the said scheme :

And whereas pending the settlement of the said questions a temporary rate of one rupee per acre per annum was sanctioned and collected for the years 1908, 1909, 1910, but such rate has not been collected for the years 1911, 1912, 1913, 1914 :

And whereas at a meeting of the proprietors held on the 12th day of October, 1914, it was announced on behalf of the Government that the future cost of the maintenance of the said scheme would be provided for by the imposition of a maintenance rate under section 39 of "The Irrigation Ordinance, No. 16 of 1906," and thereupon in consideration of an undertaking on behalf of the Government that the proprietors should be exempted from the new construction rate provided for in the said third and fourth resolutions set out in the first schedule all questions at issue between the Government and the said proprietors were settled by the adoption of the resolutions set out in the second schedule to this Ordinance :

And whereas it is necessary to confirm and to give legal effect to the said settlement :

Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Sagamam-Vamiyadi Irrigation Scheme Ordinance, No. of 1915."

Exemption of proprietors from certain charges.

2 No sum shall be deemed to be due from any proprietor of any land irrigable under the Sagamam-Vamiyadi Scheme in respect of the third and fourth resolutions set out in the first schedule to this Ordinance.

Specification prepared for purpose of giving effect to settlement to have force of law.

3 A specification prepared for the purpose of giving effect to the resolutions set out in the second schedule to this Ordinance shall for all purposes have the same force, with reference to the lands scheduled therein, as a specification prepared under section 32 of "The Irrigation Ordinance, 1906."

FIRST SCHEDULE.

Resolutions passed at a meeting of proprietors of lands irrigable under the Sagamam-Vamiyadi Irrigation Scheme held on the 19th day of November, 1900 :—

1. That all lands now paying towards the cost of the original works at Rs. 15 an acre in fifteen annual instalments, as previously agreed upon, continue to pay the same till the full amount is realized.
2. That all new lands sold under the conditions of payment of Rs. 15 an acre in fifteen annual instalments of Re. 1 commence to pay the same from date of completion of works.
3. That the balance cost of the new works on the Sagamam-Vamiyadi Scheme, after deducting the sum estimated to be recovered under Resolution No. 2, to be equally divided among the total extent of land irrigable under the Sagamam-Vamiyadi Scheme, and the contribution to be recovered in ten annual instalments from the proprietors of land benefited thereby.
4. That the payment of the ten instalments referred to in Resolution No. 3 to commence from the date of completion of the new works on the Sagamam-Vamiyadi Irrigation Scheme, and concurrently with the recovery of the Re. 1 instalment referred to in Resolutions Nos. 1 and 2.

SECOND SCHEDULE.

Resolutions passed at a meeting of proprietors of lands irrigable under the Sagamam-Vamiyadi Irrigation Scheme held on the 12th day of October, 1914 :—

1. That all original proprietors who have not paid the full amount of Rs. 15 per acre on account of construction should pay the balance still due in annual instalments of Re. 1 per acre per annum commencing from January 1, 1915.
2. That the proprietors of new lands, in extent 971 acres, shall pay the construction rate of Rs. 15 per acre in instalments of Re. 1 per acre per annum from 1915.
3. That all proprietors agree to pay the arrears of Re. 1 rate due for the years 1911, 1912, 1913, 1914, in annual payments of Re. 1 per acre, commencing from 1914.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 11, 1915.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

1. The object of this Ordinance is fully explained in the title and the preamble. It gives effect to a settlement arrived at between the Government and the proprietors of lands irrigable under the Sagamam-Vamiyadi Scheme.
2. The original scheme was considerably more expensive than the estimate. The enlargement subsequently agreed upon did not give the results that were anticipated. In the result it has been determined to cut the loss on the cost of construction, and to collect from all proprietors, both new and old, the contribution determined upon in 1877 on the original scheme. The additional rate which the proprietors agree to pay in respect of the new works is accordingly waived. All questions as to the cost of future maintenance are set at rest by the adoption of the procedure provided for by section 39 of "The Irrigation Ordinance, 1906."
