MISCELLANEOUS NOTICES.

GENERAL CONDITIONS APPLICABLE TO ALL EXCISE LICENSES.

" The Excise Ordinance, No. 8 of 1912."

Excise Notification No. 29.

T is hereby notified that His Excellency the Governor has, under the provisions of section 24 of "The Excise Ordinance, No. 8 of 1912," been pleased to direct that the following shall be the general conditions applicable to all Excise licenses on and after October 1, 1914, from which date the general conditions applicable to all Excise licenses appearing in Excise Notification No. 2, dated December 18, 1912, will be cancelled.

Colonial Secretary's Office, Colombo, March 4, 1914. By His Excellency's command, R. E. STUBBS, Colonial Secretary

General Conditions applicable to all Excise Licenses.

1. Sales at taverns (whether country liquor or foreign liquor) must be conducted in a suitable building, of which the whole or part must be set aside for exclusive use as a tavern. If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. In the case of taverns in Municipalities, Local Board towns, or towns brought under the operation of the Small Towns Sanitary Ordinance, the tavern premises shall have no doors except into the main street. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the vendor or a caretaker.*

2. The possession upon any licensed premises of any liquor or intoxicating drug, except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited.

3. A signboard must be affixed to the front of each licensed distillery, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, or tavern (including beer and porter) showing the number and nature of the license, the name of the licensee, and, in the case of country liquor taverns, the current rate of sale. These particulars must be legibly painted in English or the local vernacular. The license and a printed copy of these conditions must be hung up in a conspicuous place within all licensed premises. In the case of taverns the license must show the names of the salesmen.

4. All liquor and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them, either to increase their intoxicating power or for any other purpose. All officers authorized to inspect licensed premises (*vide* condition 21 *infra*) are authorized to detain any liquor or intoxicating drug reasonably suspected to be unfit for consumption or use, or which they may believe to have been tampered with, and all licensees shall give all such officers all such facilities and assistance as they may require for the exercise of their powers.

5. The sale or transport of liquor or intoxicating drugs by persons below the age of sixteen, or by persons suffering from leprosy or any contagious disease, and the employment of such persons for the sale of the same, are prohibited. The names of all persons employed or proposed to be employed in godowns, warehouses, taverns, or bars shall be furnished to the Government Agent, who may forbid the employment of any person of whom he may disapprove.

6. No licensed premises should be opened before 6 A.M. or kept open after 8 P.M. except under special authority. The hours for opening and closing premises licensed for the sale of foreign liquor (other than taverns) will be inserted in the licenses in accordance with local conditions at the discretion of the Government Agent. Taverns shall remain open between the hours of 6 A.M. and 8 P.M., and shall be kept closed at all other hours. The Government Agent may, with the approval of the Excise Commissioner, extend the hour of closing to suit local conditions, and shall enter such hour of closing in the license. No sale shall take place between the time at which the tavern is required to be closed at night and 6 A.M. next morning.

7. No drunkenness, disorder, or gaming shall be permitted in taverns and other licensed premises. Every person licensed to sell liquor and every keeper of any licensed premises shall refuse to admit to, and shall turn out of, the premises in respect of which the license is granted any person who is drunk, violent, quarrelsome, or disorderly, and any person whose presence on the premises would subject him to a penalty under any Ordinance for the time being in force.

8. No robbers, thieves, habitual criminals, or disorerly or riotous persons or reputed prostitutes shall be harboured in any licensed premises. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer by the licensee.

(1)

^{*} In taverns which are clearly of a superior character, private bars may be sparingly allowed by the Government Agent, under a special license to be granted by him, free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop, or through a separate door clearly labelled or provided with a proper signboard to show its nature.

9. No person shall be harboured in any licensed premises between the hours of closing and opening such premises, and no constable shall be harboured in such premises during his time of duty.

10. Taverns situated on or adjacent to the line of march must be closed, if the Government Agent so orders, while a regiment or detachment of European or native soldiers is passing, or is encamped in the vicinity; and, if the Government Agent so orders, any licensed premises must be temporarily closed in times of religious excitement, or when a disturbance exists or is apprehended. Every Excise licensee shall of his own motion close his licensed premises when there is a riot or disturbance in the neighbourhood.

11. The right is reserved to the Government Agent to grant "Occasional Licenses" for the sale of liquor on the occurrence of fairs, festivals, &c. Such licenses shall ordinarily be granted to the tavern keepers who usually supply the locality; or to the representative of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the discretion of the officer issuing the licenses.

12. No liquor shall be sold or given---

- (a) Except at licensed premises specially approved by the Officer Commanding the Troops in the Colony or the Officer Commanding the Station or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the Excise authorities and specified in the license-
 - (1) To sailors in the Royal Navy, soldiers, and the members of their families ; or
 - (2) To any other person living in barracks.

 - (b) Whilst on duty to any—
 (1) Member of the Police Force or officer of the Excise Department; or
 (2) Railway servant; or
 - (c) In any circumstances to any-
 - (1) Person under sixteen years of age ; or
 - (2) Insane person ; or
 - (3) Person known or believed to be intoxicated.

13. No privilege of manufacture, supply, or sale, or any interest therein shall be sold, transferred, or sub-rented without the Government Agent's previous permission ; nor, if the Government Agent so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

14. Taverns must be kept open, unless their temporary closure is authorized under condition 10 supra, and such supply of liquor as the Government Agent may consider sufficient to meet local requirements must be maintained therein. Taverns not opened by dates to be fixed by the Government Agent shall be liable to be re-sold at the risk of the licensees.

15. No liquor shall be sold in taverns except for cash. All licensees shall be bound to supply liquor on demand and on tender of cash to any person entitled to demand it.

16. No liquor or intoxicating drug shall be sold either below the minimum or above the maximum prices fixed for sale of the same in accordance with the law for the time being in force.

17. No liquor or intoxicating drug in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit ; nor shall liquor or intoxicating drugs be sold at godowns or warehouses in quantities less than the minima prescribed.

18. True accounts of transactions shall be maintained from day to day in ink in forms approved by the Excise Commissioner, and shall be kept in the licensed premises. Such accounts shall be correctly and promptly totalled at the end of each month. The accounts and passes shall be in printed books, which may be obtained from any Kachcheri on payment of cost price, or on production of receipts for the payment of the cost price into a Government Treasury. Passes for liquor or intoxicating drugs received and the counterfoils of passes issued must be carefully filed in the licensed premises. The signing of blank passes for subsequent issue is prohibited. The accounts and counterfoils of passes shall be preserved by the licensee for one year after the period covered by the license, and shall be produced when called for by an officer not below the rank of Assistant Superintendent of the Excise Department.

19. Such returns and information as may be required by the Excise Commissioner or by the Government Agent from time to time shall be furnished by holders of licenses.

20. When any weights, measures, or instruments have been prescribed for use in any licensed premises, only such weights, measures, and instruments as have been prescribed shall be possessed or used on such premises, and they shall be tested and stamped by the stamping establishemnt of the district, if the Government Agent shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

21. The officers authorized to inspect licensed premises are-

- - -

(1) Any officer of the Revenue Department of rank not lower than a Ratemahatmaya, Mudaliyar, Muhandiram, or officer of like rank ; and

(2) Any officer of the Excise Department of rank not lower than Inspector.

These officers are empowered to enter and examine the premises, to test weights and measures in use, and the liquor and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the licensed premises. All licensees shall give to all such officers all such facilities and assistance as they may require for the exercise of their powers. Nothing in this condition shall be interpreted as depriving Police Officers of any powers vested in them by law.

22. An inspection notebook with the pages numbered consecutively shall be kept by the licensee in the licensed premises for the entry in it by Inspecting Officers of their remarks, and be handed over to the Superintendent or Assistant Superintendent of Excise, or any officer authorized by him to receive it, on a receipt being given therefor.

23. Licensees are bound to report to the Government Agent all instances which come to their knowledge of persons employed by them in the manufacture, transport, or sale of liquor and intoxicating drugs committing breaches of the Excise laws, and to comply with the Government Agent's orders respecting the continued employment of such persons. No persons who have been convicted under the Ceylon Penal Code or under "The Excise Ordinance, No. 8 of 1912," shall be employed in the transport or sale of liquor and intoxicating drugs without the Government Agent's previous permission.

24. Pecuniary dealings of any kind whatever by licensees with officials of the Excise Department are absolutely prohibited.

25. All premises licensed as taverns (including premises for the sale of beer and porter), bars, refreshment rooms, or restaurants, and all vessels, measures, and other articles used for the storage or sale of liquor therein, shall be kept scrupulously clean.

26. All licensees shall be bound by any additional general rules that may be prescribed under the Excise law, and, if so required by the Government Agent or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

ARRACK RENT SALE CONDITIONS, 1915-16.

Notice under "The Excise Ordinance, No. 8 of 1912."

THE following conditions on which the arrack rents for the period October 1, 1915, to September 30, 1916, will be sold have been approved by His Excellency the Governor, under section 18 of the Excise Ordinance, No. 8 of 1912, and are hereby published for general information :--

Arrack Rent Sale Conditions.

1. The Board appointed by His Excellency the Governor shall have power to refuse to receive any bid or tender, subject to which power the highest bidder or tenderer shall be declared to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold. Such sale shall not, however, be considered binding on him or the Government until the same be sanctioned by His Excellency the Governor.

2. The grantee shall, immediately on his being declared the grantee, sign the memorandum hereunder written, and shall forthwith pay to the Government Treasury the value of one month's rent in cash, which amount shall be forfeited in whole or in part, at the discretion of the Government Agent, upon breach by the grantee of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach.

and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. 3. The grantee shall execute, within ten days of the intimation to him of His Excellency's confirmation of the sale, a bond without hypothecating property, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions of sale. Provided, however, that where the grantee proposes to give land belonging to other persons as security for the bond mentioned in condition 4 hereof, the owners of such land shall sign the bond referred to in this present condition as sureties in addition to the grantee.

4. The grantee shall also, within forty days of his purchase, mortgage with the Government Agent unencumbered landed property which, in the opinion of the Government Agent, is of the value of six months' rent, or shall deposit and pledge with the Government Agent cash to the amount of four months' rent, entering at the same time into a bond, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions. The grantee shall at the same time execute in the form sanctioned by law a power of attorney to confess judgment in any action which may be instituted against him on the said bond.

5. If security be given in cash, the amount deposited on the day of sale shall be allowed to count as part of the four months' rent which the grantee has to deposit as security. If, however, security be given in land, the cash deposit shall be retained as security additional to the landed property mortgaged with the Government Agent, and shall be hypothecated with it.

6. The grantee shall pay the purchase money in ______ equal monthly instalments at the Office of the Government Agent at ______. The first instalment shall be considered as due and payable on the ______, and the remainder on the last day of each of the ______ succeeding months of the said term respectively, and in case of non-payment of any instalment or any part thereof at the time when the same shall become due, such instalment shall carry interest at the rate of nine per cent. per annum, and the Government Agent shall be at liberty to re-sell the said privilege on behalf of the Crown under condition 12. Where any monthly instalment or any part of such instalment remains unpaid for thirty days or more from the date when payment of the same falls due, the grantee shall pay, in addition to the interest on such amount, a fine equivalent to six per cent. per annum on the amount due, calculated for the full period of the arrears.

7. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.
 9. Licenses to sell arrack by retail at taverns in the localities specified in the list hereto annexed marked A shall

9. Licenses to sell arrack by retail at taverns in the localities specified in the list hereto annexed marked A shall be issued to the grantee on his application, provided that the sites be approved by the Government Agent. The grantee shall also be allowed to establish storehouses at the under-mentioned places, but such storehouses shall be used exclusively for supplying taverns, and the grantee shall not be at liberty to sell or issue arrack in quantities of less than three gallons at a time at any such storehouse.

10. All arrack exposed or kept for sale in the taverns shall be of a strength not less than 30 degrees under proof, according to Sykes's hydrometer test, no allowance being made for the degree of obscuration introduced into the arrack by the addition of flavouring or colouring materials; and all arrack kept or exposed for sale in taverns and storehouses shall be open at all times to inspection and test by Excise Officers.

11. The grantee shall be bound to receive any arrack, not exceeding thirty-five gallons, which may be found in the estate of any deceased person, or which may be confiscated by a Magistrate or Excise Officer, or which may belong to any wholesale or retail dealer whose license shall be withdrawn, and to pay to the Government Agent the value of the same at the rate of twenty per cent. below the mininum retail price thereof.

12. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to forfeit the amount paid by the grantee under clause 2 hereof, or any portion thereof, and also either---

- (a) To re-sell the said privilege, or so much of the term thereof as may be unexpired, in which case the grantee shall be liable to the Crown for any loss that may arise from such re-sale, and shall not be entitled to any profit that may arise therefrom; such re-sale shall in no way release the grantee from payment to the Crown of any instalment which may have fallen due under these conditions. The said privilege may be re-sold in such way as His Excellency the Governor may direct; or
- (b) To resume possession of the said privilege, or so much of the term thereof as may be unexpired, and the same to have again, collect, receive, retain, and enjoy as of his former estate, and the said grantee, his executors and administrators, and all others thenceforth utterly to expel, put out, and remove, and thereupon to vacate and determine the sale, as to the said Government Agent shall seem meet. Resumption of possession under this clause shall not deprive the Crown of the right to recover any instalment of the purchase money which may have become due under the conditions, nor of the right to re-sell at the risk of the grantee under clause (a) of this condition.

13. It shall be lawful for the Government Agent, after any re-sale of the said privilege at the risk of the grantee under the foregoing condition, to withdraw all the licenses issued by him in respect of any storehouses under condition 9, and the grantee shall, within forty-eight hours after the notice of such withdrawal has been personally served on him or affixed to the storehouse or storehouses so licensed as aforesaid, deliver up to the Government Agent at the Kachcheri every such license to be cancelled, and shall forthwith cease to sell or issue arrack at any such storehouses.

14. In the event of the grantee failing to pay his instalments after they shall have become due, or being otherwise in default, the Government Agent shall be at liberty to credit the grantee privilege with the amount deposited by him as security for such grantee privilege, without waiting for a judgment or process of the Court condemning the renter in such sum,

15° The grantee and his survives shall on their signing the conditions of sale elect, and under their hands signify, a place at which all notices and processes whatever, preparatory to or connected with legal proceedings at any stage thereof against them in respect of any sum of money due on account of the said rent, shall be left. And all such notices or processes as aforesaid left at the place so elected shall be considered as good and effectual to all intents and purposes as if the same were served personally.
16. The grantee, before entering upon the said privilege, shall pay (a) the charges of the Crown Proctor for examination.

4)

16. The grantee, before entering upon the said privilege, shall pay (a) the charges of the Crown Proctor for examining the title deeds of properties tendered by the grantee as securities and for drawing and, if necessary, attesting the security bond, (b) the fees for any opinions of Counsel which the Crown Proctor may consider desirable to obtain in connection with such deeds or security bond, (c) the expenses of appraising the properties; and in default thereof the Government Agent shall be at liberty to appropriate the amount of such charges, fees, and expenses out of any payment on account of the said privilege. The grantee shall also, at his own expense, furnish with each deed so tendered by him an abstract of title and a certificate of encumbrances in respect thereof, and shall promptly supply any information that the Crown Proctor may require in connection therewith. Should any such deed have been at any time previously examined by the Crown Proctor in respect of any arrack rent, the grantee shall, when tendering the deed, furnish full particulars and dates of such previous examination.

17. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

18. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the military canteens, which are altogether excluded from the privilege aforesaid.

19. The right of Government to distil, manufacture, and sell, or to issue licenses for the distilling, manufacture, or sale of methylated spirits is hereby expressly reserved from the privilege sold under these conditions.

20. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

21. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

22. The Government Agent reserves to himself the right to grant licenses for the sale and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, and the right to issue licenses in respect of methylated spirits.

23. The grantee and the servants employed by him in taverns and storehouses are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

2. (a) The grantee shall, immediately on being declared the grantee, pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form Excise T 23 within fourteen days of sale of the privilege above prescribed.

6. No licensed tree shall be tapped or toddy drawn therefrom unless such tree shall first have been marked in a manner prescribed by the Excise Commissioner.

7.
