MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend "The Medical Wants Ordinance, No. 9 of 1912."

Preamble.	W HEREAS it is expedient to amend "The Medical Wants Ordinance, No. 9 of 1912": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :
Short title.	1 This Ordinance may be cited for all purposes as "The Medical Wants (Amendment) Ordinance, No. of 1915."
Substitution of new section 13.	2 For section 13 of the principal Ordinance the following new section shall be substituted :
Duties of kanganies.	13 (1) It shall be the duty of every kangani employed upon an estate to give information to the superintendent of every birth, death, and case of sickness or accident in his gang. (2) Any kangani who shall fail so to do shall be guilty of an offence against this Ordinance.
Addition of new sub-sections to section 27 of the principal Ordinance.	3 The following sub-sections shall be added to section 27 of the principal Ordinance, and shall be numbered (2) and (3), section 27 being re-numbered 27 (1) : (2) In the case of any produce not directly exported by the proprietor of the estate, such rules may provide for the calculation as nearly as may be upon such evidence as the Committee may determine of the amount of export duty paid upon such produce, and any amount so calculated shall for the purpose of the allowance of rebate be deemed to have been paid upon exportation. (3) Such rules shall be deemed to have effect as from the 1st day of January, 1914.

By His Excellency's command,
Colonial Secretary's Office, R. E. STUBBS,
Colombo, July 20, 1915. Colonial Secretary.

Statement of Objects and Reasons.

THE main object of this Ordinance is to provide for the calculation of rebate of the export duty levied on estate produce under the Medical Wants Ordinance not directly exported by the proprietor of an estate. As the Ordinance stands at present, rebate can only be allowed in cases where the payment of the duty can be proved. This amendment will enable the Medical Wants Committee (as from January, 1, 1914) to calculate the amount of rebate that should be allowed in such cases from the Colombo accounts sales, or other evidence, making a reasonable allowance in respect of local consumption.

2. The Ordinance further provides that a kangani is under obligation to report cases of accident, as well as every case of birth, death, and sickness, to the Superintendent.

Attorney-General's Chambers,
Colombo, June 21, 1915.

Attorney-General.

(2) A trial under this section may be held either upon indictment or upon information exhibited by the Attorney-General, and the limitations of section 385 shall not apply to an information so exhibited

(5) In any trial for sedition under this section, notwithstanding anything contained in the Penal Code, and notwithstanding that the offence was committed before the enactment of this section, the Court may impose any sentence which might be imposed under the law for the time being in force in England:

Provided that in the case of any offence committed before the enactment of this section no sentence shall be imposed upon the person convicted which might not have been passed upon him if this section had not been enacted, whether under the Penal Code or otherwise.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, July 23, 1915.

R. E. STUBBS,
Colonial Secretary.
