DRAFT ORDINANCES.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to dispense with the Publication of Public Documents in Vernacular Versions in the "Government Gazette."

- Preamble.** WHEREAS it is expedient to dispense with the publication of public documents in vernacular versions in the "Government Gazette": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :
- Short title.** 1 This Ordinance may be cited as "The Gazette Ordinance, No. of 1916."
- Meaning of "public document."** 2 The expression "public document" in this Ordinance includes any notification, notice, advertisement, rule, regulation, by-law, or other document of public interest.
- Vernacular publications dispensed with.** 3 Notwithstanding anything contained in any Ordinance, or in any rule, regulation, by-law, or order made thereunder, it shall not be necessary to publish in the "Government Gazette" any vernacular version of any public document which is otherwise therein published in English; and the publication of such vernacular version shall not be deemed to be a condition precedent to the validity of any such public document, or of any act done or to be done, or of any proceeding taken or to be taken, subsequent to or in pursuance thereof.

Substituted
publication.

4 In any case in which it is provided by any Ordinance, or any rule, regulation, by-law, or order made thereunder, that any public document required to be published in the "Government Gazette" shall be published therein in a vernacular version, there shall be substituted for such publication a public notice of the contents of such document or the substance thereof by the issue of leaflets, placards, or advertisements, or in such other manner as shall be most appropriate for bringing the substance of such document to the attention of the persons interested.

Provided that no such public notice shall be deemed to be a condition precedent to the validity of any such public document, or of any act done or to be done, or proceeding taken or to be taken subsequent to or in pursuance of the publication for which such public notice is substituted.

By His Excellency's command,

A. S. PAGDEN,

Colonial Secretary's Office, Acting Colonial Secretary.
Colombo, December 20, 1915.

Statement of Objects and Reasons.

THE publication in the *Government Gazette* of vernacular versions of rules, regulations, and public notices is found in practice to be both expensive and ineffectual. The expense involved is considerable. The persons to whose notice it is necessary to bring such documents do not read the *Government Gazette*, and it is desirable that other steps should be taken for the purpose.

(2) The Ordinance accordingly abolishes the publication of vernacular versions in the *Government Gazette*, and provides that in any case where such publication is required by law publication by leaflets, placards, advertisements, or in some other appropriate method shall be substituted. Such substituted publication is, however, not to be a condition precedent to the validity of the document, or of any act or proceeding dependent on the publication of the vernacular version as not being on record in the same manner as a *Gazette* publication, it might be impracticable to prove it if occasion required.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Toll Ordinance, 1896."

Preamble.

WHEREAS it is expedient to amend "The Toll Ordinance, 1896": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Toll (Amendment) Ordinance, No. of 1916."

Addition of new section 25 A.

2 Immediately after section 25 of the principal Ordinance the following section shall be added, and shall be numbered 25 A:

Governor in Executive Council may make over any existing or future tolls to any Provincial or District Road Committee.

25 A (1) It shall be lawful for the Governor in Executive Council to make over to any Provincial Road Committee or District Road Committee any existing or future tolls lawfully established.

(2) In any such case all the provisions of this Ordinance shall apply to all tolls so made over, and for the purpose of such tolls all references to the Crown in this Ordinance shall be construed as though they were references to the Provincial Road Committee or District Road Committee in question, and all references to a Government Agent or Assistant Government Agent shall be construed as though they were references to the Chairman of the Provincial Road Committee

or District Road Committee in question; and any such Provincial or District Road Committee may exercise the same remedies and rights of suit at common law or otherwise with respect to such tolls as the Crown may exercise with respect to tolls under this Ordinance.

(3) All sums collected or received in respect of any toll so made over shall be retained by the Provincial Road Committee or District Road Committee in question, and appropriated for the purposes of its general administrative expenses.

Transitory.

3 All sums which may have been paid by the Government to a Provincial Road Committee as representing the proceeds of the collection of a toll for the purpose of its general administrative expenses shall be deemed to have been lawfully so paid.

By His Excellency's command,
Colonial Secretary's Office, A. S. PAGDEN,
Colombo, January 6, 1916. Acting Colonial Secretary.

Statement of Objects and Reasons.

AFTER the abolition of road and bridge tolls in 1910, it was decided that a lump sum should be annually appropriated to compensate the Provincial Road Committees for the loss of revenues so occasioned, and this has been annually done.

2. Ferry tolls, however, were not abolished, but continued to be levied by the Government, but for the purpose of the annual grant were treated as though they had been abolished, and the Provincial Road Committees, instead of enjoying the actual receipts which they bring in, only receive instead an annual compensation calculated on the average annual yield of such tolls prior to 1911, which has, in fact, proved inadequate.

3. It has therefore been determined to make arrangements authorizing the transfer of any existing or future tolls to Provincial or District Road Committees, who will manage them and receive the income, a corresponding reduction being made in the annual grant.

4. Section 3 is designed to deal with a case to which the Colonial Auditor has called attention, in which the proceeds of a particular toll has been so handed over to the Provincial Road Committee without legal authority during the past year.
