### DRAFT ORDINANCES.

#### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

#### An Ordinance to amend "The Toll Ordinance, 1896."

Preamble.

WHEREAS it is expedient to amend "The Toll Ordinance, 1896": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Toll (Amendment) Ordinance, No. of 1916."

Addition of new section 25 A.

2 Immediately after section 25 of the principal Ordinance the following section shall be added, and shall be numbered 25 A:

Governor in Executive Council may make over any existing or future tolls to any Provincial or District Road Committee.

25 A (1) It shall be lawful for the Governor in Executive Council to make over to any Provincial Road Committee or District Road Committee any existing or future tolls lawfully established.

(2) In any such case all the provisions of this Ordinance shall apply to all tolls so made over, and for the purpose of such tolls all references to the Crown in this Ordinance shall be construed as though they were references to the Provincial Road Committee or District Road Committee in question, and all references to a Government Agent or Assistant Government Agent shall be construed as though they were references to the Chairman of the Provincial Road Committee or District Road Committee in question; and any such Provincial or District Road Committee may exercise the same remedies and rights of suit at common law or otherwise with respect to such tolls as the Crown may exercise with respect to tolls under this Ordinance.

(3) All sums collected or received in respect of any toll so made over shall be retained by the Provincial Road Committee or District Road Committee in question, and appropriated for the purposes of its general administrative expenses.

Transitory.

3 All sums which may have been paid by the Government to a Provincial Road Committee as representing the proceeds of the collection of a toll for the purpose of its general administrative expenses shall be deemed to have been lawfully so paid.

By His Excellency's command,  
Colonial Secretary's Office, A. S. PAGDEN,  
Colombo, January 6, 1916. Acting Colonial Secretary.

*Statement of Objects and Reasons.*

AFTER the abolition of road and bridge tolls in 1910, it was decided that a lump sum should be annually appropriated to compensate the Provincial Road Committees for the loss of revenues so occasioned, and this has been annually done.

2. Ferry tolls, however, were not abolished, but continued to be levied by the Government, but for the purpose of the annual grant were treated as though they had been abolished, and the Provincial Road Committees, instead of enjoying the actual receipts which they bring in, only receive instead an annual compensation calculated on the average annual yield of such tolls prior to 1911, which has, in fact, proved inadequate.

3. It has therefore been determined to make arrangements authorizing the transfer of any existing or future tolls to Provincial or District Road Committees, who will manage them and receive the income, a corresponding reduction being made in the annual grant.

4. Section 3 is designed to deal with a case to which the Colonial Auditor has called attention, in which the proceeds of a particular toll has been so handed over to the Provincial Road Committee without legal authority during the past year.

**MINUTE.**

The following Draft of a proposed Ordinance is published for general information:—

**An Ordinance to amend "The Criminal Procedure Code, 1898."**

Preamble.

WHEREAS it is expedient to amend "The Criminal Procedure Code, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Criminal Procedure Code (Amendment) Ordinance, No. of 1916."

Addition of new sub-section to section 406 of the principal Ordinance.

2 The following sub-section shall be added to section 406 of the principal Ordinance and shall be numbered (6), and shall be inserted immediately after sub-section (5) of the said section:

(6) The deposition of a Government officer taken and attested by a Police Magistrate in the presence of the accused and deposing to the receipt, custody, or disposal of any document, the validity or identity of which was at no stage in the proceedings challenged by the accused, may be given in evidence in any inquiry, trial, or other proceeding under this Code, although the deponent is not called as a witness, subject to the condition contained in sub-section (5) of this section.

Amendment  
of tabular  
statement of  
offences in  
schedule II

3. The tabular statement of offences in schedule II. of the principal Ordinance shall be amended as follows :

In the statement relating to section 380 of the Ceylon Penal Code the words " where the value of the property in respect of which the offence is committed does not exceed one hundred rupees " shall be inserted in continuation of and after the words " Police Court " in the 8th column.

By His Excellency's command,  
Colonial Secretary's Office, A. S. PAGDEN,  
Colombo, January 15, 1916. Acting Colonial Secretary.

*Statement of Objects and Reasons.*

THE object of this Ordinance is to amend section 406 of the Criminal Procedure Code with a view to dispensing with the attendance of Government officers summoned as witnesses before the higher courts, who in the lower court merely depose to the receipt, custody, or disposal of some document, the validity of which is at no stage in the proceedings challenged by the other side. This amendment, however, is subject to the provision contained in sub-section (5) of that section, viz., that the court may, if it think fit, summon and examine the deponent.

2. Advantage has also been taken to supply an omission in the tabular statement of offences in schedule II. As the schedule stands at present, a man who is charged with theft of property exceeding in value a sum of one hundred rupees has to be tried by the District Court, whereas if he commits robbery of property worth over a hundred rupees he can be tried by a Police Magistrate.

Colombo, November 5, 1915. Attorney-General.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend " The Riot Damages Ordinance,  
No. 23 of 1915."

Preamble.

WHEREAS it is expedient to amend " The Riot Damages Ordinance, No. 23 of 1915 " : Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title and commencement.

1 This Ordinance may be cited as " The Riot Damages (Amendment) Ordinance, No. of 1916," and shall be deemed to have been in force as from the date of the commencement of the principal Ordinance.

Colombo scheme validated.

2 The scheme framed by the Municipal Council of Colombo under the principal Ordinance, and published in the " Government Gazette " No. 6,759 of December 3, 1915, shall be conclusively deemed to have been framed and approved in accordance with the principal Ordinance, and to have the force of law.

Power of Municipal Council to frame supplemental scheme.

3 The following sub-section shall be added to section 32 of the principal Ordinance :

(5) A Municipal Council, subject to the approval of the Governor in Executive Council, may from time to time frame a supplemental scheme for the amendment of any scheme framed under the principal Ordinance, and all the provisions of this section shall apply to such supplemental scheme.

By His Excellency's command,  
Colonial Secretary's Office, A. S. PAGDEN,  
Colombo, January 17, 1916. Acting Colonial Secretary.

*Statement of Objects and Reasons.*

THE object of this Ordinance is—

- (a) To remove doubts that have been suggested as to the validity of the scheme framed by the Colombo Municipal Council under "The Riot Damages Ordinance, No. 23 of 1915," on the ground that the scheme was framed and approved before the Municipal limits were declared a riot area, and before the particulars of the assessment of damages were published.
- (b) To authorize Municipalities to frame supplemental schemes when an amendment of the original scheme is found necessary.

Colombo, January 14, 1916.

Attorney-General.

## MINUTE.

The following Draft of a proposed Ordinance is published for general information, in substitution of the Draft Ordinance with the same title published in the *Government Gazette* of November 5, 1915:—

An Ordinance to amend "The Trading with the Enemy Ordinance, No. 20 of 1914."

Preamble.

WHEREAS it is expedient to amend "The Trading with the Enemy Ordinance, No. 20 of 1914": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited for all purposes as "The Trading with the Enemy (Amendment) Ordinance, No. of 1916."

Addition of new section 6.

2 After section 5 of the principal Ordinance the following section shall be added, and shall be numbered 6:

Provision as to declarations as to ultimate destination of exported goods.

6. (1) The Principal Collector of Customs may require a person, in the course of making entry before shipment, to make a declaration as to the person or country for whom any goods are ultimately destined.

(2) In any such case the exporter shall, if and when required by the Principal Collector of Customs, produce evidence to his satisfaction that those goods have not reached a person who is an enemy or treated as an enemy, or a country which is an enemy country or treated as an enemy country, under any law, whether Colonial or Imperial, for the time being in force relating to trading with the enemy; and if he fails to do so he shall be liable to a penalty of treble the value of the goods, or one thousand rupees, at the election of the Principal Collector of Customs, unless he proves that the goods reached the person or country without his consent or connivance, and that he took all reasonable steps to secure that the ultimate destination of the goods should be the person or country mentioned in the declaration.

(3) If the Principal Collector of Customs has reason to suspect that any such declaration as aforesaid is false in any material particular, the goods may be detained until the Principal Collector of Customs is satisfied as to the truth of the declaration, and, failing such satisfaction, may be treated as if they were goods subject to a prohibition or exportation under "The Necessaries of War Exportation Ordinance, No. 19 of 1914."

Addition of new section 7.

3 The following section shall be added immediately after the section added to the principal Ordinance by the last preceding section, and shall be numbered 7 :

Power to seize imported goods.

7. Where the Principal Collector of Customs has reason to suspect that the country of origin of any goods imported into the Colony is an enemy country, or a country treated as an enemy country, under any law, whether Colonial or Imperial, for the time being in force, or that such goods are being imported in contravention of the law relating to trading with the enemy, the goods may be seized as though they were goods enumerated or described in the table of prohibitions and restrictions contained in schedule C of Ordinance No. 17 of 1869, and may be forfeited under the said Ordinance, unless it is proved that the country of origin of such goods is not an enemy country or a country so treated as aforesaid, or that such goods are not imported in contravention of the law relating to trading with the enemy, as the case may be.

Addition of new section 8.

4 The following section shall be added to the principal Ordinance, and numbered 8 :

Power of Principal Collector of Customs to require goods in transit to be landed.

8. (1) The Principal Collector of Customs at the port of Colombo and the Collector of Customs at any other port in the Colony may require any goods on board any ship, not being a neutral ship, entering such port, to be landed and detained subject to his orders, and may detain such ship until such requirement is complied with.

(2) Any master or any other officer in charge of any such ship to whom any such requirement shall be addressed, who shall refuse or neglect to comply with such requirement, or shall attempt in any way to evade the same, shall be guilty of an offence, and liable on summary conviction to a fine not exceeding one thousand rupees, or to imprisonment of either description for a period not exceeding six months, or to both.

By His Excellency's command,

Colonial Secretary's Office, A. S. PAGDEN,  
Colombo, January 18, 1916. Acting Colonial Secretary.

#### *Statement of Objects and Reasons.*

THE object of this Ordinance is to bring the Colonial law of trading with the enemy into line with that of the mother country on two points, which have been recently there dealt with under the Customs (War Powers) Act, 1915, and the Customs (War Powers) Act, No. 2, 1915:—

(a) The power of the Customs authorities to require declarations of ultimate destination. (These declarations are already required and given in practice.)

(b) The presumption that goods suspected to be of enemy origin are of such origin, until the contrary is proved.

2. A further point is provided for by clause 4. It has been found necessary to take measures to restrict trading with enemy firms established in China and Siam, and lists (commonly known as "White Lists") have been published in all parts of the Empire indicating the firms in these countries into which trading is permissible. The object of the clause is to allow the Customs authorities to intercept goods consigned to or from firms not on these lists, when in transit through Colombo on British or allied vessels, and to detain them for the purpose of prize proceedings, or such other proceedings as may be taken for their condemnation. It accordingly provides that the Principal Collector may require any goods on any such ship to be landed and detained subject to his orders.
