2. (a) The grantee shall, immediately on being declared the grantee, pay to the Government Agent a sum equivalent to two months' rent of the privilege as a security deposit, which amount shall be liable to forfeiture in whole or in part, at the discretion of the Government Agent, for breach of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach. The grantee shall hypothecate the said security deposit by a bond in form Excise T 23 within fourteen days of sale of the privilege above prescribed.

(b) If the highest bid or tender under condition 1 exceeds the sum of Rs. 2,000 the grantee shall at the same time execute, if so required by the Government Agent, in the form sanctioned by law, a power of attorney to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege.

(c) The grantee shall, on signing the conditions of sale, elect, and under his hand signify, a post office to which all notices and processes whatever in connection with the above said privilege shall be addressed under registered post; and all such notices or processes as aforesaid so addressed to the post office so elected and posted in due course shall be considered as good and effectual to all intents and purposes as if the same were served personally.

3. The grantee shall pay the purchase money to the Government Agent in equal monthly instalments. The first instalment shall be considered due and payable on \_\_\_\_\_, 191—, and the remainder on the last day of each succeeding month. Interest at the rate of 9 per cent. per annum shall be payable on all arrears.

4. If any instalment of the purchase money or any part of an instalment remains unpaid after the same shall have become due and payable, the Government Agent shall have power, after fifteen days' notice to the grantee of his intention to do so, without further process of law, to cancel the license or licenses issued to the grantee, and to re-sell the privilege at the risk and loss of the grantee. The notice referred to may be given in such manner as the Government Agent may direct.

5. The grantee shall, on receipt of the license to sell, furnish to the Superintendent or Assistant Superintendent of Excise an application on the prescribed form showing the numbers and situations of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and no tree shall be tapped or toddy drawn for this purpose except under cover of a license setting forth the numbers and situations of the trees, the name of the drawer, and the tavern for which the fermented toddy is intended.

6. No licensed tree shall be tapped or toddy drawn therefrom unless such tree shall first have been marked in a manner prescribed by the Excise Commissioner.

7. The grantee, if he taps the trees and draws the toddy himself, or, if he delegates the work to another person, such person shall, at the time of tapping the trees or drawing the toddy, invariably carry the license on his person, and shall produce it forthwith on the demand of any Excise Officer or village headman.

8. The grantee shall have no concern or interest, direct or indirect, in the sale of arrack, or in the purchase of any privilege for the sale of arrack, within the Revenue District in which he possesses the privilege of selling toddy.

9. No fermented toddy shall be sold at a lower price than 40 cents per gallon, and in proportion for any smaller quantity.

10. The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site. No tavern shall be opened at any place except with the approval of the Government Agent.

11. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of fermented toddy at the taverns within the area covered by the privilege.

12. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

At the sale held this day of the privilege above described, \_\_\_\_\_ became the grantee of the said privilege in consideration of the payment of Rupees \_\_\_\_\_ as a fee therefor, and the said grantee, having paid to the Government Agent the sum of Rupees \_\_\_\_\_ by way of security deposit under clause 2 of these conditions, hereby agrees to complete the purchase according to the above conditions, and the Government Agent hereby acknowledges the receipt of the said deposit.

**Notice under "The Excise Ordinance, No. 8 of 1912."**

THE following conditions on which the arrack rents for the period October 1, 1916, to September 30, 1917, will be sold have been approved by His Excellency the Officer administering the Government under section 18 of the Excise Ordinance, No. 8 of 1912, and are hereby published for general information :—

**Arrack Rent Sale Conditions.**

THE conditions under which the exclusive privilege of selling arrack by retail within \_\_\_\_\_ for the term of twelve months from October 1, 1916, to September 30, 1917, inclusive, is sold are, in addition to the general conditions applicable to all excise licenses published in the *Government Gazette* No. 6,615 of March 13, 1914, as follows :—

1. The Board appointed by His Excellency the Governor shall have power to refuse to receive any bid or tender, subject to which power the highest bidder or tenderer shall be declared to be the grantee of the privilege, and shall conform to and perform all the conditions under which the privilege is sold. Such sale shall not, however, be considered binding on him or the Government until the same be sanctioned by His Excellency the Governor.

2. The grantee shall, immediately on his being declared the grantee, sign the memorandum hereunder written, and shall forthwith pay to the Government Treasury the value of one month's rent in cash, which amount shall be forfeited in whole or in part, at the discretion of the Government Agent, upon breach by the grantee of any of the conditions; and such forfeiture shall be in addition to any other penalty prescribed by the conditions for such breach.

3. The grantee shall execute, within ten days of the intimation to him of His Excellency's confirmation of the sale, a bond without hypothecating property, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions of sale. Provided, however, that where the grantee proposes to give land belonging to other persons as security for the bond mentioned in condition 4 hereof, the owners of such land shall sign the bond referred to in this present condition as sureties in addition to the grantee.

4. The grantee shall also, within forty days of his purchase, mortgage with the Government Agent unencumbered landed property which, in the opinion of the Government Agent, is of the value of six months' rent, or shall deposit and pledge with the Government Agent cash to the amount of four months' rent, entering at the same time into a bond, with or without sureties, at the discretion of the Government Agent, for the due performance of the conditions. The grantee shall at the same time execute in the form sanctioned by law a power of attorney to confess judgment in any action which may be instituted against him on the said bond.

5. If security be given in cash, the amount deposited on the day of sale shall be allowed to count as part of the four months' rent which the grantee has to deposit as security. If, however, security be given in land, the cash deposit shall be retained as security additional to the landed property mortgaged with the Government Agent, and shall be hypothecated with it.

6. The grantee shall pay the purchase money in \_\_\_\_\_ equal monthly instalments at the Office of the Government Agent at \_\_\_\_\_. The first instalment shall be considered as due and payable on the \_\_\_\_\_, and the remainder on the last day of each of the \_\_\_\_\_ succeeding months of the said term respectively, and in case of non-payment of any instalment or any part thereof at the time when the same shall become due, such instalment shall carry interest at the rate of nine per cent. per annum, and the Government Agent shall be at liberty to re-sell the said privilege on behalf of the Crown under condition 12. Where any monthly instalment or any part of such instalment remains unpaid for one month or longer from the date when payment of the same falls due, the grantee shall pay, in addition to the interest on such amount, a fine equivalent to six per cent. per annum on the amount due, calculated for the full period of the arrears.

7. The grantee shall have no claim to a remission if the Government Agent or his Assistant shall find it necessary to order the taverns upon any road to be closed for a limited period during the march of troops, or upon the plea of losses arising from any cause whatever.

8. No payment of any sum due by the grantee to the Crown shall be considered as duly made unless the grantee shall produce a Kachcheri receipt therefor; and no money which, for his own convenience, the grantee may think fit to leave in the Shroff's hands shall be considered as money paid under this contract.

9. Licenses to sell arrack by retail at taverns in the localities specified in the list hereto annexed marked A shall be issued to the grantee on his application, provided that the sites be approved by the Government Agent. The grantee shall also be allowed to establish storehouses at the under-mentioned places, but such storehouses shall be used exclusively for supplying taverns, and the grantee shall not be at liberty to sell or issue arrack in quantities of less than three gallons at a time at any such storehouse.

10. All arrack exposed or kept for sale in the taverns shall be of a strength not less than 30 degrees under proof, according to Sykes's hydrometer test, no allowance being made for the degree of obscuration introduced into the arrack by the addition of flavouring or colouring materials; and all arrack kept or exposed for sale in taverns and storehouses shall be open at all times to inspection and test by Excise Officers.

11. The grantee shall be bound to receive any arrack, not exceeding thirty-five gallons, which may be found in the estate of any deceased person, or which may be confiscated by a Magistrate or Excise Officer, or which may belong to any wholesale or retail dealer whose license shall be withdrawn, and to pay to the Government Agent the value of the same at the rate of twenty per cent. below the minimum retail price thereof.

12. Should the grantee fail to perform any of the conditions of sale, the Government Agent shall be at liberty to forfeit the amount paid by the grantee under clause 2 hereof, or any portion thereof, and also either—

(a) To re-sell the said privilege, or so much of the term thereof as may be unexpired, in which case the grantee shall be liable to the Crown for any loss that may arise from such re-sale, and shall not be entitled to any profit that may arise therefrom; such re-sale shall in no way release the grantee from payment to the Crown of any instalment which may have fallen due under these conditions. The said privilege may be re-sold in such way as His Excellency the Governor may direct; or

(b) To resume possession of the said privilege, or so much of the term thereof as may be unexpired, and the same to have again, collect, receive, retain, and enjoy as of his former estate, and the said grantee, his executors and administrators, and all others thenceforth utterly to expel, put out, and remove, and thereupon to vacate and determine the sale, as to the said Government Agent shall seem meet. Resumption of possession under this clause shall not deprive the Crown of the right to recover any instalment of the purchase money which may have become due under the conditions, nor of the right to re-sell at the risk of the grantee under clause (a) of this condition.

13. It shall be lawful for the Government Agent, after any re-sale of the said privilege at the risk of the grantee under the foregoing condition, to withdraw all the licenses issued by him in respect of any storehouses under condition 9,

and the grantee shall, within forty-eight hours after the notice of such withdrawal has been personally served on him or affixed to the storehouse or storehouses so licensed as aforesaid, deliver up to the Government Agent at the Kachcheri every such license to be cancelled, and shall forthwith cease to sell or issue arrack at any such storehouses.

14. In the event of the grantee failing to pay his instalments after they shall have become due, or being otherwise in default, the Government Agent shall be at liberty to credit the grantee with the amount deposited by him as security for such privilege, without waiting for a judgment or process of the Court condemning the renter in such sum.

15. The grantee and his sureties shall on their signing the conditions of sale elect, and under their hands signify, a place at which all notices and processes whatever, preparatory to or connected with legal proceedings at any stage thereof against them in respect of any sum of money due on account of the said rent, shall be left. And all such notices or processes as aforesaid left at the place so elected shall be considered as good and effectual to all intents and purposes as if the same were served personally.

16. The grantee, before entering upon the said privilege, shall pay (a) the charges of the Crown Proctor for examining the title deeds of properties tendered by the grantee as securities and for drawing and, if necessary, attesting the security bond, (b) the fees for any opinions of counsel which the Crown Proctor may consider desirable to obtain in connection with such deeds or security bond, (c) the expenses of appraising the properties; and in default thereof the Government Agent shall be at liberty to appropriate the amount of such charges, fees, and expenses out of any payment on account of the said privilege. The grantee shall also, at his own expense, furnish with each deed so tendered by him an abstract of title and a certificate of encumbrances in respect thereof, and shall promptly supply any information that the Crown Proctor may require in connection therewith. Should any such deed have been at any time previously examined by the Crown Proctor in respect of any arrack rent, the grantee shall, when tendering the deed, furnish full particulars and dates of such previous examination.

17. The Government Agent is not bound to find sites for taverns in the event of the grantee not being able to procure sites from private parties or otherwise.

18. The grantee shall have no power to interfere in any way, directly or indirectly, with the sale of arrack at the military canteens, which are altogether excluded from the privilege aforesaid.

19. The right of Government to distil, manufacture, and sell, or to issue licenses for the distilling, manufacture, or sale of methylated spirits is hereby expressly reserved from the privilege sold under these conditions.

20. The Government Agent shall exercise his right, as he may think proper, of issuing licenses to any person to sell foreign liquor by the glass or the bottle.

21. The grantee shall have no concern or interest, direct or indirect, with the sale of fermented toddy, or with the purchase of any privilege for the sale of toddy within the area of his rent.

22. The Government Agent reserves to himself the right to grant licenses for the sale and use of spirits distilled in the Island for chemical and other purposes, but not for drinking purposes, and the right to issue licenses in respect of methylated spirits.

23. The grantee and the servants employed by him in taverns and storehouses are prohibited from having any pecuniary dealings with Excise Officers. The grantee will be responsible for the acts of his servants.

24. During the last month of the rent the grantee shall not, without permission previously obtained from the Government Agent, sell or otherwise dispose of in his rent area arrack exceeding by more than 20 per cent. the average monthly consumption for the preceding three months.

25. The purchaser shall, within ten days from the date on which the privilege commences to run, or within such extended time as the Government Agent may grant, apply to the Government Agent and obtain a license or licenses for the sale by retail of arrack at each of the taverns within the area covered by the privilege.

26. No barrel, cask, keg, vat, or other large receptacle shall be used to store, keep, or transport arrack, unless it shall bear clearly marked on it its correct capacity in terms of gallons.

#### MEMORANDUM.
