than those laid down in these rules.

6. The above-mentioned rates are only to be granted in cases of decidedly faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction will be made from the apportioned rate. Where there has been obvious negligence, irregularity, or misconduct, the grant of an allowance will be altogether withheld.

7. The claim of an officer of the Local Board to pension will be considered to have commenced from the date of his first permanent appointment to the fixed

establishment of the Local Board.

8. Every officer on the provisional and temporary establishment drawing a salary of over Rs. 250 per annum will, in the event of transfer to the fixed establishment, be entitled to reckon his provisional and temporary services when it has been continuous with his subsequent permanent service.

9. The services in respect of which superannuated allowances are granted should in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of

the office

10. The pension will be computed upon the salary of the permanent office held by an officer of the Local Board at the time of his retirement, provided he shall have held such appointment for at least three years, otherwise the pension shall be calculated upon the average of salaries attached to the permanent offices held by such person during the three years next preceding the commencement of such pension.

11. In case of suspension or reduction or abolition of office, temporary allowances may be assigned according to the specified rates, on condition, however, that the persons receiving the same shall be liable to be recalled into service, and with the understanding that they are to be re-employed, if their services have been satisfactory as opportunity may offer, in preference to new applicants for office.

12. In the case of officers to whom temporary allowances may be assigned in accordance with rule 11 on the abolition or re-organization of their offices, and who may be afterwards re-employed, one-half of the period during which they have been in receipt of such allowance will be allowed to count towards pension on their final retirement.

13. In the case of the abolition of an office, a period of ten years shall be added to the actual service in computing the allowance of persons who have served twenty years and upwards, of seven years where the service is over fifteen and under twenty years, and of five years where the service is over ten and under fifteen years. To persons who shall have served under ten years and not less than five years a gratuity shall be granted calculated at the rate of one month's pay for each year's service,

with an additional allowance of three months' pay. To persons who shall have served less than five years a gratuity shall be awarded calculated at the rate of one month's pay for each year's service, with one month's pay added. The number of years to be added to actual service on abolition of office should not be more than that which, if added to the age of the retiring officer, would make that age up to sixty, except that one year may be added in the case of an officer of the actual age of sixty or more, unless the officer was quite disqualified for further service.

14. In the case of persons retired through abolition of office, who, if they had served the extra time granted by rule 13 for compensation, would at the expiry of that time be over fifty-five, the provisions in rule 13 shall not be binding on the Local Board, but each particular case will be decided after a full consideration of all

the circumstances attending it.

15. Should the term of office not warrant the assignment of an annual allowance, a gratuity may be granted at the rate of one month's salary for each year of service. For a fractional part of a year's service exceeding six months half a month's salary

will be added to the gratuity.

- 16. If any person being in receipt of any pension or superannuation allowance from the Local Board shall be convicted of any offence in any court of justice in the Island for which he shall be sentenced to death, or to any term of imprisonment with hard labour exceeding six months, such pension or superannuation allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon, or unless the Local Board shall otherwise order.
- 17. Every person hereafter appointed to any office under the Local Board to which a pension is attached on retirement may be required to retire from the service of the Local Board on or after attaining the age of fifty-five upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Board.

18. As a contribution to the pension fund a deduction of 4 per cent. shall be

made from the salary of each officer entitled to pension.

19. All sums so deducted shall be deposited monthly in the Government Savings

Bank pending permanent investment or other disposal by the Board.

20. Should an officer be transferred to a post under Government or under another Local Board or other public authority with the approval of the Board, he shall retain his claim to ultimate pension for service rendered to the Board, provided that he retires from the latter service under circumstances which would entitle him to pension in terms of this Minute.

21. Should an officer who retires on pension find after such retirement an employment under Government, or under another semi-official body, on a salary equal to or higher than what he drew from the Board at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary, he shall be entitled to only so much of his pension as, when added to the salary of the new appointment, will make his total emolument equal to the salary last drawn

by him previous to his retirement.

22. When an officer seeking pension under this Minute is found to be already in receipt of a pension from another public body or from Government, his maximum pension under this Minute shall be such as when added to such other pension shall not exceed thirty-five-sixtieths of the highest salary drawn by the officer at any time during the course of his service, be it under Government or under the semi-

official body

23. Local Board employés drawing a salary of less than Rs. 250 per annum and retiring on account of age or infirmity after serving continuously for a period of twenty-five years and upwards may, if the Board be satisfied that they are unfit, owing to age or infirmity of body or mind, to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 5 per mensem in each case as the Board may award. Persons in receipt of a daily pay, who have completed a period of twenty-five years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one month's pay for every three years of service.

24. Subject to the approval of His Excellency the Governor, the Board may allow a gratuity to the widow or orphans of an officer in the event of his death,

provided that he has not received from the Board any gratuity.

IT is notified for general information under section 39 of the land sale regulations that the Superintendent of Madampe estate has applied for the purchase of 2 roods of Crown land, situated at Madampe, in Atakalan korale, in the District of Ratnapura, and bounded on the south by village reserved forest, on the north by land belonging to Madampe estate, on the east by the stream reservation, and on the west by the old Gansabhawa road and its reservation.

The purpose for which the land is required is the building of a new and larger factory to replace the smaller one that has lately been burnt down.

The grounds for treating the case exceptionally are that the estate has not sufficient level ground on which

to build the new factory without the grant of this small additional piece of Crown land.

The said land will be sold to the said applicant at Rs. 150 per acre, unless valid reasons to the contrary are adduced to the satisfaction of His Excellency the Governor within six weeks from the date hereof.

By His Excellency's command,

Colonial Secretary's Office, Colombo, July 10, 1916. R. E. STUBBS, Colonial Secretary.
