The following Draft of a proposed Ordinance is published for general information:—

#### An Ordinance to amend "The Customs Duties Amendment Ordinance, 1898."

Preamble.

WHEREAS it is expedient to amend "The Customs Duties Amendment Ordinance, 1898": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Customs Duties Amendment Ordinance, No. of 1916."

Substitution of new definition of "kerosine oil."

2 For the definition of "kerosine oil" in section 3 of the principal Ordinance the following definition shall be substituted:

"Kerosine oil" shall include the liquids commonly known by the names of rock oil, Rangoon oil, Burma oil, kerosine, petroleum, paraffin oil, mineral oil, petroline, gasoline, benzol, benzoline, benzine, and any liquid that is made from petroleum, coal, schist, peat, or any other bituminous substance, or from any products of petroleum with a flashing point of less than 150° F., and any inflammable hydrocarbon (including any mixture of hydrocarbon and any liquid containing hydrocarbon) which is capable of being used for providing reasonably efficient motive power for a motor car.

Substitution of new section 5.

Rebate of duty on kerosine oil used in oil engines.

3 For section 5 of the principal Ordinance the following new section shall be substituted :

5 (1) A rebate shall be allowed by the Principal Collector of Customs of duty paid on kerosine oil used as the source of motive power in stationary oil engines and in engines of vehicles employed in the transport of goods upon the production of such certificate and such evidence as may be prescribed by regulations to be made by the Governor, with the advice of the Executive Council, under this Ordinance.

(2) The rebate shall be paid out of the duties received by the Principal Collector of Customs, anything in section 16 of the Ordinance No. 17 of 1869 to the contrary notwithstanding.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, July 21, 1916.

R. E. STUBBS,  
Colonial Secretary.

*Statement of Objects and Reasons.*

THE objects of this Ordinance are :—

- (a) To abolish the rebate of duty on petrol used for motor cars, except in so far as such cars are employed in transport of goods. There appears to be no justification for retaining the exemption from duty for the purpose of articles of luxury of this description ;
- (b) To bring the definition of " kerosine oil " in our Ordinance into line with that in use in England.

Attorney-General's Chambers,  
Colombo, July 13, 1916.

Attorney-General.

The following Draft of a proposed Ordinance is published for general information :—

**An Ordinance to impose an Export Duty on Plumbago.**

Preamble.

WHEREAS it is expedient to impose an export duty on plumbago, and whereas such duty can most conveniently be imposed by enhancing the duty by way of royalty payable under Ordinance No. 21 of 1873 (hereinafter referred to as " the principal Ordinance " ) :

Be it therefore enacted by the Governor of Ceylon, with the advice and consent of the Legislative Council thereof, as follows :

Increase of duty.

1 In section 1 of the principal Ordinance, for the words " twenty-five cents per hundredweight " there shall be substituted the words " three per centum *ad valorem* ."

Application of sections of the Customs Ordinance relating to *ad valorem* import duties.

2 The following sub-section shall be added to section 2 of the principal Ordinance, the first part of the said section being numbered accordingly :

(2) The provisions of sections 42 and 43 of Ordinance No. 17 of 1869 shall apply to every such entry and to the plumbago which is or ought to be therein specified, as though all references to the entry mentioned in the said sections were references to such entry, and as though all references to importation and to an importer in the said sections were references to exportation and to an exporter respectively, and the said sections shall be construed accordingly.

Exemptions.

3 For the purpose of the application of this Ordinance to any contract entered into before the 22nd day of July, 1916, the Governor may allow any shipment of plumbago either in whole or in part to be exported at the rate of duty provided for by the principal Ordinance on such conditions as he may determine.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, July 25, 1916.

R. E. STUBBS,  
Colonial Secretary.

*Statement of Objects and Reasons.*

THE object of this Ordinance is to provide for the imposition in respect of plumbago of an export duty corresponding to those recently imposed on other descriptions of colonial produce. It has been determined, after consultation with the interests concerned, that the most convenient form for such a duty is an *ad valorem* duty.

2. Section 2 applies to the enhanced duty the provisions of the Customs Ordinance relating to *ad valorem* import duties, under which goods which are considered to be under-valued by the importer may be taken over at the importer's valuation.

3. Section 3 enables the Governor to give relief in respect of existing contracts.

July 20, 1916.

ANTON BERTRAM,  
Attorney-General.
