An auction sale of the under-mentioned ebony will be held at the Central Timber Depôt, Kew road, Slave Island, Colombo, on Saturday, July 29, 1916, at 9 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per ton, and no advance of less than Rs. 5 per ton will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.

4. Depôt weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depôt weight and the weight ascertained after re-weighing be more than $1\frac{1}{2}$ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within $1\frac{1}{2}$ per cent. by the purchaser; any difference between the depôt weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. 6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.
