THE Council met this day at 3 P.M., pursuant to notice dated July 28, 1916.

Present:—Mr. R. W. Byrde, Chairman; Mr. C. P. Dias; Mr. N. H. M. Abdul Cader; Mr. Arthur Alvis; Mr. H. L. de Mel; Mr. E. G. Jayewardene; Dr. D. P. Banajee; Dr. E. V. Ratnam; the Hon. Mr. T. H. Chapman; Mr. J. A. Perera; Mr. T. L. Villiers; Mr. F. R. Senanayake; Mr. C. H. Wellard; the Hon. Dr. G. J. Rutherford; and Mr. W. A. Cave.

1. The Minutes of the General Meeting of July 7, 1916, having been previously printed and a copy thereof having been sent to each Member of Council, were taken as read.

Before the Minutes were confirmed, Mr. J. A. Perera rose to a point of order with regard to the dissent of the Member for Wellawatta, and asked for the ruling of the Chairman as to whether the portion of the dissent, beginning with the words "Now for my justification for the words complained against (4th paragraph on 2nd page)....." up to and including the paragraph "Perusal of the above undisputed..... justified (6th paragraph on 3rd page)" is in order.

The Chairman ruled that the portion of the dissent commencing from the words "But it is a curious fact" (10th line of the 3rd paragraph on 2nd page) to the end of the dissent was out of order. He stated that the first part contained a personal allusion to a Member of the Council and the rest was irrelevant and disrespectful to the Chairman, and should be expunged.

Mr. J. A. Perera rose to a point of order with regard to the dissent of the Member for Wellawatta, and asked for the ruling of the Chairman as to whether the portion of the dissent commencing from the word "from which I make the following quotations (in the second line of the 4th paragraph on 1st page) to the end of last paragraph but one (on 3rd page)," viz., "From the above quotation..... and even more," is in order.

The Chairman ruled that the portion of the dissent mentioned was out of order, as it was irrelevant, and should be expunged.

The Council then resolved that the Minutes of the General Meeting of July 7, 1916, be confirmed, as amended.

2. The Chairman read the following:—

Statement re Plague.

There have been 38 further cases of human plague and 17 cases of rat plague bringing the totals for the year up to 153 human and 38 rat cases. The corresponding totals for last year were 40 human and 37 rat cases, while in the preceding year there were 279 cases of human plague. Mr. J. A. Perera asked the Chairman to acquaint the Council with the facts which led to the name of the firm of Messrs. Samarakone Bros. being taken off the list.

The Chairman recounted the facts.

Mr. J. A. Perera thereupon stated that the only point to be considered is whether the period of suspension of the license was a sufficient punishment, and added that he would like to have the opinion, on this point, of a Member of the Standing Committees who considered this matter.

Mr. C. P. Dias gave it as his opinion that the suspension of the license for one year was a sufficient punishment.

Mr. T. L. Villiers opposed the motion.

The motion was put to the meeting and declared carried, 9 voting for it and 6 against.

(Dr. D. P. Banajee left the meeting at this stage).

Mr. Abdul Cader dissenting.

* DRAFT RULES REFERRED TO ABOVE.

Standing Committee on Law and General Subjects of March 29, 1916.

Business.

- (7) To consider the rate which should be charged to mosques for water supplied in excess of 5,000 gallons. (Reg. No. 300.)

Orders.

- (7) It is considered that the charge of Re. 1 per 1,000 gallons is justified under section 33.

Mr. Abdul Cader dissenting.

It is also considered that the Council has no rights under the existing rules to grant the first 5,000 gallons free merely by resolution.

In view of the fact that water supplied to a mosque is virtually water used for domestic purposes, it is recommended that the following amendments (as shown in italics) be made in the regulations of Ordinance No. 18 of 1907 in order to give the Council power to deal with the case.

Regulation 32.—The prices of water supplied by meter *in respect of premises paying consolidated rates or a fixed sum in lieu of such rates* shall be as follows, &c.

(2) (e)—Delete.

Regulation 33.—Delete.

Regulation 34.—In all cases in which water is supplied *in respect of premises paying consolidated rates or a fixed sum in lieu of such rates* for the following purposes and not measured by meter, the following charges shall be paid in advance to the Municipal Council, &c.

Alter 34 into 33.

Regulation 35.—The Municipal Council may supply water to private boarding houses or houses taking in paying guests *and paying consolidated rates or a fixed sum in lieu of such rates*, and charge for the same at the rate of 50 cents per head per month on the average number of boarders or paying guests lodging at each house during the month.

Alter 35 into 34.

Regulation 35.—*In the case of water supplied for purposes other than those specified above or in respect of premises not paying consolidated rates or a fixed sum in lieu of such rates, the Municipal Council may make such charges in respect thereof as may from time to time be fixed by a resolution of the Council.*

Resolution.

With regard to the above item, Mr. N. H. M. Abdul Cader moved:—(a) That the charge which has been erroneously made be refunded; (b) that the meter be removed; (c) that the amendments as suggested by the Standing Committee on Law and General Subjects at its meeting held on March 29, 1916, be regarded as unnecessary and that the Ordinance should remain as it is. Dr. E. V. Ratnam seconded.

Mr. C. P. Dias and Mr. E. G. Jayewardene supported the motion.

Mr. J. A. Perera spoke in favour of the recommendation of the Standing Committees.

NOTIFICATIONS UNDER "THE PATENTS ORDINANCE, 1906."

THE following Specification has been accepted :—

No. 1,506 of August 25, 1916.

Henry Cornelis de Mel.

"An-improved rubber tapping knife."

Abstract :—

This tapping knife is characterized by the manner in which the blade is ground to form cutting edges and by the manner in which the guards are formed. The blade is of an ordinary flat type with the guards formed by flanging the two outside edges; but the guard on one edge being flanged, say, upwards, the guard on the other flange is flanged downwards. The leading and rear cutting edges of the blade on each side of the centre line are correspondingly ground to chisel edges on the reverse and obverse, so that with such manner of grinding the chisel edges, and such manner of forming the guards, the tool may be used either for a pushing cut or, by turning the tool over topside below, it can be used for a pulling cut. The blade is attached to the shank by a bolt and a dowel pin engaging a slot in the blade and there is a spring provided as well. If the blade is attached in such a way as to give a pushing and pulling cut to the left of the operator, a pushing and pulling cut to the right of the operator may be obtained by attaching the blade again, after revolving it through 180° about the bolt as a centre, until the dowel pin engages a second slot in the blade on the other side of the central bolt.

The claims are :—

1. A rubber tapping knife consisting of a blade and safety guards characterized in that the blade is loosely attached to the shank by means of a bolt and nut and held in position by means of a spring, a slot in the blade and a pin provided on the shank, substantially as described and illustrated.

2. A rubber tapping knife as claimed in claim 1, the blade of which having two cutting edges and two marking edges and characterized in that it can be used as a pull or push knife by turning the handle top side downwards, substantially as described and illustrated.

3. A rubber tapping knife as claimed in claim 1, the blade of which can be turned without removing or loosening the bolt and nut, substantially as described and illustrated.
