The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Police Ordinance, 1865."

Preamble.

WHEREAS it is expedient to amend "The Police Ordinance, 1865": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Police (Amendment) Ordinance, No. of 1916."

Addition of new section 24 A.

2 The following section shall be added immediately after section 24 of the principal Ordinance, and shall be numbered 24 A:

Appointment of Deputy Inspectors-General.

24 A. The Governor may appoint Deputy Inspectors-General of Police to discharge such respective functions of the Inspector-General of Police as the Inspector-General of Police may from time to time assign to them, and the expression "Inspector-General of Police" in this or any other Ordinance shall be deemed to include any Deputy Inspector-General of Police already appointed under such designation, or hereafter appointed in pursuance of this section.

Amendment of section 33 of the principal Ordinance.

3 In section 33 of the principal Ordinance, after the words "all other expenses," there shall be inserted the words following: "including where there is a public water supply, the cost of supplying water to the police station, premises, quarters, and barracks."

Amendment of section 34 of principal Ordinance.

Provision for apportionment of expenses of police force between town and adjoining district.

Addition of sub-sections to section 40 of the principal Ordinance.

Addition of new section 40 A.

Repeal of Ordinance No. 5 of 1867.

4 The following proviso shall be added to section 34 of the principal Ordinance immediately before the last proviso to the said section :

Provided further that where the police force in any town is maintained for the joint purposes of such town and any adjoining district not included in the limits of such town, such sum shall not exceed such fair proportion of the total amount necessary for the maintenance of the said force, as the Governor, with the advice and consent of the Executive Council, shall from time to time determine and appoint.

5 The following sub-sections shall be added to section 40 of the principal Ordinance :

(2) Such notice shall further intimate that written objections to the assessment will be received at a place stated in the notice within one month from the date of the service of the notice.

(3) The Government Agent shall cause all objections so received to be registered in a book to be kept for this purpose, and shall give notice in writing to each objector of the day, time, and place when and whereat his objections will be investigated.

(4) At the time and place so fixed the Government Agent shall investigate or cause to be investigated the objections, in presence of the objector (or an agent authorized by him in writing) if he shall appear, and if not, in his absence. The Government Agent may adjourn his investigation from time to time for reasonable cause.

(5) When any objection is disposed of by the Government Agent, he shall cause his decision to be notified to the objector, and the same shall be noted in the book of objections, and any necessary amendment shall be made in the assessment book.

(6) Every assessment, against which no objection is made, shall be final for the year.

6 The following section shall be added immediately after section 40 of the principal Ordinance, and shall be numbered 40 A :

40 A. (1) If any person is aggrieved by the decision of the Government Agent with regard to the assessment of any house, building, land, or tenement, he may within one month of receiving the notification of the Government Agent's decision under the last preceding section institute an action objecting to such decision in the Court of Requests having jurisdiction in the place where such house, building, land, or tenement is situate, if the amount of the rate or rates on the annual value of such house, building, land, or tenement does not exceed three hundred rupees, and in the District Court having such jurisdiction where such amount exceeds the sum of three hundred rupees.

(2) Upon the trial of any action under this section, the plaintiff shall not be allowed to adduce evidence of any ground of objection which is not stated in his written objection to the Government Agent.

(3) Every such court shall hear and determine such action according to the procedure prescribed for such court by the law for the time being in force regulating the hearing and determination of actions brought in such court, and the decision of such court shall in all cases be subject to appeal to the Supreme Court.

(4) Every such appeal shall be governed by the provisions of chapter LVIII. of "The Civil Procedure Code, 1889," or by any Ordinance hereafter enacted, regulating the making of appeals to the Supreme Court from any judgment, decree, or order of Courts of Requests or District Courts.

(5) Neither the institution of such action nor any appeal therein shall stay the levying of the whole or any part of such rate or rates, and the excess, if any, collected shall be returned according to the decision of such Court of Requests or District Court if there be no appeal, or of the Supreme Court if in case of appeal.

7 Ordinance No. 5 of 1867 is hereby repealed.

By His Excellency's command,
Colonial Secretary's Office,
Colombo, October 30, 1916.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

This Ordinance deals with four points :—

(a) It gives formal recognition to the appointment of Deputy Inspectors-General of Police (section 2).

(b) It makes it clear that, where a police station is established in a town which has a public water supply, water must be supplied to the station free of charge (section 3).

(c) It empowers the Governor in Executive Council, in cases where a Police Force is maintained in any town for the joint purposes of that town and the surrounding district, to charge the town with a fair proportion only of the expense of its maintenance. "The Police Ordinance, 1865," only contemplates towns where a Police Force is maintained for the exclusive purpose of the town itself (section 4).

(d) It enlarges the facilities for objections to assessments of police rates. At present, by the combined effect of section 40 of "The Police Ordinance, 1865," and Ordinance No. 5 of 1867, any person aggrieved by the assessment of a rate must institute an action within fifteen days after the service of notice of the assessment. The present Ordinance assimilates the procedure for objections to that in force under "The Municipal Councils' Ordinance, No. 6 of 1910." It provides for objections being first made and considered by the Government Agent, and allows for application to the courts within one month after notification of the Government Agent's decision to the objector (sections 5 and 6).

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to amend "The Opium Ordinance, 1910."

Preamble.

WHEREAS it is expedient to amend "The Opium Ordinance, 1910": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Opium (Amendment) Ordinance, No. of 1916."

Amendment of section 13 of the principal Ordinance.

2 In sub-section (1) of section 13 of the principal Ordinance, after the words "registered consumer," there shall be inserted the words "or any other person."

By His Excellency's command,

Colonial Secretary's Office,
Colombo, November 4, 1916.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

THE object of this Ordinance is to remedy a defect in section 13 of "The Opium Ordinance, 1910," which has been pointed out by a recent judgment of the Supreme Court. The section only provides for the punishment of breaches of rules when committed by authorized vendors, registered vedaralas, or registered consumers. The words "or any other person" appear to have been omitted by an oversight, and are now supplied by this Ordinance.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance further to amend "The Medical Wants Ordinance, No. 9 of 1912."

Preamble.

WHEREAS it is expedient further to amend "The Medical Wants Ordinance, No. 9 of 1912": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Medical Wants (Amendment) Ordinance, No. of 1916."

Substitution of new paragraphs.

2. The following paragraphs shall be substituted for paragraphs (d) and (e) in section 30 of the principal Ordinance:

- (d) In the case of all expenditure properly chargeable to a capital account in respect of all hospital or dispensary buildings declared by the Governor, with the advice of the Medical Wants Committee, to have been primarily constructed or to be primarily maintained for the accommodation of immigrant labourers (including, in the case of buildings completed after the commencement of this Ordinance, the cost of construction), such an annual amount as would be sufficient to liquidate such expenditure, together with interest at four per centum per annum on any unliquidated part thereof, in such equal annual instalments as the Governor, with the like advice, may from time to time determine, until such expenditure is so liquidated, or alternatively, if the Governor, with the like advice, shall, with reference to any period of twelve months in question, so determine, the amount of any such expenditure, or of any part thereof outstanding, in a lump sum.
- (e) In the case of any special hospital or dispensary building completed after the commencement of this Ordinance, such contribution to the cost of construction, whether by way of annual instalments on the terms aforesaid or otherwise, as the Governor, with the advice of the Medical Wants Committee, may determine.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, October 21, 1916.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

THE Ordinance as it now stands provides—

- (a) For the apportionment of the expenditure incurred on all existing hospitals and dispensaries in which the general public as well as estate labourers are treated between the general revenue and the Medical Wants Fund in proportion to the extent to which they are used by the general public and by estate labourers respectively (*vide* section 30 (b) and 30 (c)); and
- (b) For the payment of all capital expenditure incurred on hospital and dispensary buildings (including, in the case of new buildings, the cost of construction) which may be determined by the Governor, with the advice of the Medical Wants Committee, to be primarily constructed or maintained for estate purposes from the Medical Wants Fund in twenty-five annual instalments (*vide* section 30 (d) and 30 (e)).

2. In the actual working of the Ordinance on point (b) above, two practical difficulties have been experienced :—

- (a) The Medical Wants Committee, although very largely in credit, is not in a position to write off immediately the whole cost of any particular expenditure against the Fund. The Committee has to wait till the expiry of twenty-five years in order to ascertain its exact financial position.
- (b) When a new hospital or dispensary is built, the Committee find it difficult sometimes to certify beforehand that such hospital or dispensary is primarily constructed for the accommodation of estate labourers, as it may turn out in actual practice that it will be as valuable to the general public as it will be to estate labourers. In such cases the Committee has no power to settle the matter by making special terms with the Government.

3. The object of this Ordinance is to give the Committee a free hand in both these directions. By new paragraph (d) it enables the Committee to liquidate its liabilities in respect of hospitals and dispensaries primarily intended for estate labourers in such manner as it finds convenient, and by new paragraph (e) it allows the Committee to make any agreement that may seem appropriate in the circumstances with reference to the construction of any new hospital or dispensary building. Subsequent capital expenditure in the way of repairs, &c., will, if the building is ultimately declared to be primarily used for estate purposes, be charged to the fund under new paragraph (d).
