MISCELLANEOUS NOTICES.

Sale of Satinwood.

An auction sale of the under-mentioned timber will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, December 16, 1916, at 9 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers, at a rate per cubic foot, and no advance of less than 10 cents per cubic foot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.

4. Depot measurements must be accepted, but previous to date of auction any prospective bidder is at liberty to check the measurements recorded in the notice and to represent any differences promptly.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Flowered logs, if not so advertised, shall be excluded from the lots advertised in the list, and shall be put up separately, at the discretion of the Assistant Conservator of Forests, after consulting the wishes of prospective purchasers.

8. Agents bidding for others will be required to produce a written authority from the firm or person for whom they bid; such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.
