IT is hereby notified that His Excellency the Governor, with the advice of the Executive Council, has been pleased to approve of the rules stated below relating to the grant of pensions to the officers of the Local Board of Moratuwa.

Colonial Secretary's Office,  
Colombo, February 16, 1917.

By His Excellency's command,  
R. E. STUBBS,  
Colonial Secretary.

*Rules relating to Pension to Officers of the Local Board of Moratuwa.*

1. No pension will be granted to any officer of the Local Board of Moratuwa without the authority of the Governor, in order to obtain which certificates of service, age, good conduct, and of the ground of retirement must be submitted to the Colonial Secretary.
2. Subject to the provisions of rule 1 and of the other rules relating to pensions herein contained, all officers of the Local Board of Moratuwa on the fixed establishment drawing a salary of Rs. 250 per annum and upwards may be granted pension as follows :—  
Any officer who shall have served ten years and under eleven years shall receive an annual allowance of ten-sixtieths of the annual salary of his office, eleven years and under twelve years an annual allowance of eleven-sixtieths of such salary, and in like manner a further addition to the annual allowance of one-sixtieth in respect of each additional year of such service until the completion of a period of service of thirty-five years, when the annual allowance of thirty-five-sixtieths may be granted, and no addition shall be made in respect of any service beyond thirty-five years. Provided that officers in office at the date of the passing of these rules who do not receive promotion or new appointments shall be entitled to pension at three-fourths of the rates prescribed in this section.
3. No officer of the Local Board shall be deemed to have an absolute right to compensation for past services, or to any pension under these rules; and the Local Board will retain power and authority to dismiss any such officer without compensation or pension.
4. No pension shall be granted to any officer of the Local Board who shall be under fifty-five years of age, unless upon certificate from the Chairman of the Local Board and from two medical practitioners that he is incapable from infirmity of mind or body to discharge the duties of his situation, nor unless he shall have discharged those duties with diligence and fidelity to the satisfaction of the Chairman.
5. It will be competent to the Local Board, with the authority of the Governor, in cases of peculiar and extraordinary merit in respect of duties outside of those for which the officer has received a salary, to grant special and higher rates of pension than those laid down in these rules.
6. Pension at the above-mentioned rate is to be granted only in cases of decidedly faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction will be made from the apportioned rates. Where there has been obvious negligence, irregularity, or misconduct, the grant of allowance will be altogether withheld.
7. The claim of an officer of the Local Board to pension will be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Local Board.
8. Every officer on the provisional and temporary establishment will, in the event of transfer to the fixed establishment, be entitled to reckon his provisional and temporary service when it has been continuous with his subsequent permanent service.
9. The service in respect of which superannuation allowances are granted must in all cases have been continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.
10. The pension shall be computed upon the salary of the permanent office held by an officer of the Local Board at the time of his retirement, provided he shall have held such appointment for at least three years, otherwise the pension shall be calculated upon the average of the salaries attached to the permanent offices held by such person during the three years next preceding the commencement of such pension.
11. In case of suspension or reduction or abolition of office, temporary allowances may be assigned agreeably to the specified rates, on condition, however, that the parties receiving the same shall be liable to be recalled into service, power being reserved to the Local Board on resuscitation of any such office to appoint any other person to fill such office if the Board so thinks fit.
12. In the case of officers to whom temporary allowances may be assigned in accordance with rule 11 on the abolition or re-organization of their offices, and who may be afterwards re-employed, one-half of the period during which they have been in the receipt of such allowance will be counted towards pension on their final retirement.
13. In case of abolition of office, (a) persons who shall have served twenty years and upwards shall be entitled to add to their actual service a period of ten years in computing their retiring allowance; (b) persons who shall have served under twenty years and not less than fifteen years, a period of seven years; (c) persons who shall have served under fifteen years and not less than ten years, a period of five

years; (d) in the case of persons who shall have served under ten years and not less than five years, a gratuity shall be granted calculated at the rate of one month's pay for each year's service, with an additional allowance of three months' pay; (e) in the case of persons who shall have served less than five years, a gratuity shall be awarded calculated at the rate of one month's pay for each year's service, with one month's pay added; (f) the number of years to be added to actual service on abolition of service should not be more than that which, if added to the age of the retiring officer, would make that age up to sixty, except that one year would be added in the case of an officer of sixty or more, unless the officer was quite disqualified for further service.

14. In the case of persons who, if they served the time granted by rule 13 for compensation, would be over fifty-five years, and who may retire through abolition of office, the provisions in rule 13 will not apply, but each particular case will be decided according to the view that may be taken, after a full consideration of all the circumstances attending it.

15. Should the term of service not warrant the assignment of an annual allowance, a gratuity may be granted at the rate of one month's salary for each year of service. For a fractional part of a year's service exceeding six months, half a month's salary will be added to the gratuity.

16. If any person being in the receipt of any pension or superannuation allowance from the Local Board shall be convicted of an offence in any court of justice in this Island for which he shall be sentenced to death, or to any term of imprisonment with hard labour exceeding six months, such pension or superannuation allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon, or unless the Local Board shall otherwise order.

17. Every pensionable officer appointed to any office under the Local Board may be required to retire from the service of the Local Board on or after attaining the age of fifty-five upon the receipt of twelve months' notice to that effect.

18. Every officer of the Local Board of Moratuwa on the fixed establishment drawing a salary of Rs. 250 per annum and upwards shall contribute towards the cost of his pension at the rate of 4 per cent. of the salary he is drawing. Such contribution shall be deducted from his salary monthly. No officer shall be entitled to any pension unless he has paid his contribution as provided herein.

19. An officer who resigns his appointment under the Board for employment elsewhere shall forfeit his right to pension from the Board, unless he shall have served for a period of not less than ten years, when half the ordinary pension rates may be awarded him at the discretion of the Board; such pension to be calculated upon the average of the salaries attaching to his permanent office during the three years preceding his resignation.

20. Should an officer be transferred to a post under Government or under another Local Board or other public authority with the approval of the Moratuwa Board, he shall retain his claim to ultimate pension for service rendered to the Moratuwa Board, provided that he finally retires under circumstances which would qualify him for pension in terms of these rules.

21. Should an officer who retires on pension find after such retirement an employment under Government, or under another semi-official body, on a salary equal to or higher than that which he drew from the Board at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary, he shall be entitled to only so much of his pension as, when added to the salary of the new appointment, will make his total emolument equal to the salary last drawn by him previous to his retirement.

22. When an officer seeking pension under these rules is found to be already in receipt of a pension from another public body or from Government, his maximum pension under these rules shall when added to such other pension not exceed thirty-five-sixtieths of the highest salary drawn by the officer at any time during the course of his service, be it under Government or under a semi-official body.

23. Local Board employes drawing a salary of less than Rs. 250 per annum and retiring on account of age or infirmity after serving continuously for a period of twenty-five years and upwards may, if the Board be satisfied that they are unfit, owing to age or infirmity of mind or body, to discharge efficiently the duties of their office, be granted such long service allowance not exceeding Rs. 5 per mensem in each case as the Board may award. Persons in receipt of a daily pay, who have completed a period of twenty-five years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one month's pay for every three years of service.

24. Subject to the approval of His Excellency the Governor, the Board may allow a gratuity to the widow or orphan of an officer in the event of his death, provided that he has not received from the Board any gratuity.

It is hereby notified that the resignation tendered by Mr. Don Jacovis Wanigasooriya from the office of Notary Public having been accepted by His Excellency the Governor his name has been removed from the Roll of Notaries.
