Sale of Ebony.

AN auction sale of the under-mentioned ebony will be held at the Central Timber Depot, Kew road, Slave Island, Colombo, on Saturday, January 27, 1917, at 9 A.M., subject to the following conditions:—

1. The timber will be put up in lots to suit buyers at a rate per ton, and no advance of less than Rs. 5 per ton will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.

4. Depot weights must be accepted, but buyers can have the right of giving notice, before the expiration of the date of payment, of having the actual weight ascertained. Should the difference between the depot weight and the weight ascertained after re-weighing be more than 1½ per cent., the cost of re-weighing is to be borne by the Forest Department, and if within 1½ per cent. by the purchaser; any difference between the depot weight and the weight ascertained after re-weighing is to be paid or allowed for, as the case may be. Should two or more purchasers desire to re-weigh their timber on the same day, precedence will be given to the buyer whose notification of intention to re-weigh reaches the Assistant Conservator of Forests first.

5. No timber shall be removed before payment of the full price bid, and all timber sold must be removed from the depot within ten days of date of notification of acceptance by the Conservator of Forests of such bid, and will be at the risk of the purchasers until removed.

6. Should any person to whom a lot is knocked down refuse to take it over at the full price bid, or refuse or fail to sign the sale book and pay 25 per cent. of his bid when so required, or refuse or fail to pay the full purchase amount or balance thereof, as the case may be, and to remove the timber within the time specified in clause 5 above, the lot will again be put up for auction, and the original purchaser or bidder will be held liable for any loss to Government owing to a lower price being realized at the re-sale, while if an enhanced price is realized at such re-sale, he shall, however, have no claim to the profit which shall accrue to Government.

7. Agents bidding for others will be required to produce a written authority from the firm or persons for whom they bid, such authority will be retained by the Assistant Conservator of Forests, and will hold good only at the particular sale at which it is produced.
