LOCAL LOANS AND DEVELOPMENT FUND.

*Rules framed under Section 10 of Ordinance No. 22 of 1916.*

1. Meetings of the Commissioners shall be held when necessary. Notice of every such meeting and of the business to be transacted shall be given to each Commissioner at least seven clear days before the date fixed for such meeting. Provided always that business may also be transacted by means of the circulation of papers for the written opinions and remarks of the Commissioners.

2. The Chairman may at his own instance, and shall, when requested by any other Commissioner, convene a special meeting of the Commissioners, and notice of such meeting and of the purpose for which the meeting is to be held shall be given to each Commissioner at least two, and if possible seven, clear days before the date fixed for such meeting.

3. At all meetings three shall form a quorum. When the votes are equally divided on any question at issue, the Chairman shall have a casting vote, in addition to an original vote.

4. A Minute Book shall be kept, in which shall be recorded the proceedings of the Commissioners, and the minutes of each meeting shall, when confirmed at the next subsequent meeting, be authenticated by the signature of the Commissioner presiding at the meeting at which the minutes are confirmed.

5. The common seal of the Commissioners shall be kept in the custody of the Chairman, and shall be affixed to documents only by the Secretary in the presence of the Chairman or a Commissioner.

6. Deeds and instruments shall not be deemed to be duly executed unless the common seal of the Commissioners is affixed thereto in the manner prescribed by rule 5. In the case of other legal documents the Chairman shall sign for and on behalf of the Commissioners. Letters and ordinary routine documents may be signed by the Secretary.

7. All orders, cheques, &c., for the payment of money out of the fund shall be signed by two Commissioners, and no payment shall be made otherwise.

8. The Commissioners may from time to time appoint or remove appraisers, and the names of persons so appointed shall be recorded in a register to be kept for that purpose.

9. In the event of funds not being immediately available for loans, a register shall be kept in which applications for loans shall be inserted according to priority.

10. All mortgages or other legal documents shall be prepared and attested by the notary of the fund, and all expenses attendant on the legal completion of the loan shall be borne by the borrower.

11. The borrower shall, whenever the Commissioners so direct, sign and deliver with the mortgage bond a duly completed power of attorney to confess judgment.

12. The fee to be paid to counsel for legal opinion on security offered shall be Rs. 21 as an ordinary rule, but in the event of there being an exceptionally large number of deeds to examine, it shall be within the power of the Commissioners to recover and pay a sum not exceeding in any case Rs. 52.50.

13. A periodical inspection of all house and other properties mortgaged to the Commissioners may be made if the Commissioners consider it necessary, and the report of such inspection shall be submitted to the Commissioners for their information and any necessary action as soon as possible after its completion.

14. The expenses incurred on such inspection shall be considered as forming part of the cost of working of the fund, and shall be paid out of the fund.

15. All buildings mortgaged to the Commissioners shall be insured at least up to the amount of the loan at the expense of the mortgagor in a company approved by the Commissioners. The policy of insurance and all renewal receipts shall be lodged with the Commissioners. Should any premium on the policy of insurance be unpaid at due date, the Commissioners may renew the same and recover the amount from the mortgagor.

16. In considering applications for loans the Commissioners shall whenever possible give priority to borrowers who are willing to co-operate by finding a portion of the capital for the work proposed or the service required.

17. The repayment of loans shall be by instalments and not by means of a sinking fund.

18. The Commissioners may, should they deem such a course advisable, advance loans in instalments. In all cases security for loans shall be taken before the money

is advanced, and when mortgages are taken as security, primary mortgages only shall be accepted.

19. The Commissioners may in their discretion either accept the Municipal valuation of a property as a basis for a loan, or may have the property valued by appraisers. In the former case, the value fixed shall be considered to be the appraised value for the purpose of these rules. In the case of a valuation by appraisers, the fee for appraisal shall be 1 per cent. on the first Rs. 2,000, and one-half of 1 per cent. on sums above Rs. 2,000, on the amount applied for, the minimum fee being Rs. 20; provided that the Commissioners may, in any case in which the amount they are prepared to lend is less than that applied for, remit the amount by which the fee paid exceeds the fee that would have been paid had the sum applied for been the amount the Commissioners are prepared to lend. The applicant shall, however, not be entitled as of right to any such remission. The fee for re-appraisal of properties mortgaged to the fund shall be at the discretion of the Commissioners.

20. Any person, body, local authority, or society desirous of obtaining a loan must make application by letter addressed to the Secretary of the fund. The Secretary shall then send to such applicant a form with the necessary particulars and instructions.

21. The Secretary, on receiving the application form duly completed, shall submit the same to the Chairman, who shall lay it before the Commissioners for their decision.

22. The Secretary shall communicate the decision of the Commissioners to the applicant. Provided always that the Chairman may, if he considers it advisable, before advancing any loan, report the circumstances of the case to the Governor in Executive Council with a view to such action, if any, as His Excellency may think fit to take in view of section 8 (2) of Ordinance No. 22 of 1916.

23. The Secretary shall call upon the applicant to submit any title deeds or other documents, &c., in connection with the security offered for the loan, and to deposit any amount which may become due on account of counsel's fees, appraisal fees, and any other expenses connected with the transaction.

24. Loans to co-operative credit and similar societies shall in no case exceed the amount of the paid up capital of the society.

25. Loans to Government officers for the purpose of building houses for their own residence may be granted on the following conditions:—

(a) The officer must hold a pensionable appointment, and must have had not less than five years' service. Officers of *quasi*-public departments, such as Municipalities, Local Boards, &c., are not included.

(b) The loan to be repaid in such instalments as the Commissioners may decide.

(c) The loan to be advanced in four instalments, viz., (1) on signing the mortgage deed; (2) when the foundations are completed; (3) when the walls, including window and door frames, are up; and (4) for completion.

(d) The interest on the loan to be calculated on each instalment advanced, and to run from the date of such advance.

(e) The repayment of principal to commence one year from the date of the completion of the house. The date when the building shall be deemed to be completed to be decided by the Commissioners.

(f) Plans, specifications, and estimates of the building to be submitted to and approved by the Commissioners. Instalments of the loan to be advanced, subject to such inspection as may be approved by the Commissioners.

(g) The house to be completed within eighteen months from the date of the payment of the first instalment of the loan. If the building be not completed within this period, the rate of interest on the loan for the whole period of its duration to be raised at the discretion of the Commissioners to a rate not exceeding 10 per cent.

(h) The land and building to be mortgaged to the Commissioners as security for the loan, and should the officer fail to pay the interest or any instalment of principal due, the amount to be deducted from his salary.

(i) The building when completed to be insured at the officer's expense, and the policy of insurance to be lodged with the Treasurer of the Colony. In the event of any premium on such insurance policy not being paid by the officer, the Treasurer of the Colony to be entitled to keep the policy alive by payment of the premium from any salary due to the officer.

(j) The officer to pay the cost of all legal and other expenses, stamp duty, appraisal fees, &c., in connection with the examination of title deeds, valuation of the property, &c.

(k) The property when completed to be kept in good order and repair. The Commissioners to have the power to inspect the premises from time to time and to notify the officer of any repairs necessary. If such repairs be not carried out to the satisfaction of the Commissioners within three months from the date of such notification, the Commissioners shall be entitled to carry out the repairs, and the cost thereof shall be deducted from the officer's salary by the Treasurer of the Colony.

(l) The house to be used by the officer generally as his residence, and not to be built as a speculation. The officer shall not, until the loan has been repaid in full, lease the house for a longer period than one year without the sanction of the Commissioners.

26. The accounts of the fund shall be so kept as to distinguish the receipts and expenditure of the fund in respect of capital and in respect of income.

27. As soon as possible after September 30 of each year the Commissioners shall cause the accounts of the fund to be audited. Abstracts of the accounts on Forms A, B, and C attached showing the state of the fund and all transactions during the year shall be submitted to His Excellency the Governor.

28. The Secretary and staff of the office shall be under the immediate control and supervision of the Chairman.

29. The travelling and subsistence allowances of the Official Commissioners and of the staff shall be on the same scale as those laid down in the Government travelling regulations for officers of a similar status. Unofficial Commissioners shall draw subsistence allowance at the rate of Rs. 15 per diem, or at such other rate as may from time to time be fixed by the Governor in Executive Council.
