MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to amend "The Municipal Councils Ordinance, 1910."

Preamble.

WHEREAS it is expedient to amend "The Municipal Councils Ordinance, 1910": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Municipal Councils (Amendment) Ordinance, No. of 1917."

Amendment of section 12 (3) of principal Ordinance.

2 In section 12 (3) of the principal Ordinance, for the words "authority by a special resolution signed by two of the directors of such company," there shall be substituted the words "authorized by a special resolution of the board of directors of the company signed by two of the directors."

Amendment of section 45 of the principal Ordinance.

3 (1) In line 3 of paragraph (j) of section 45 of the principal Ordinance the words "or institution" shall be added after the word "society" at the end thereof.

(2) The following sub-section shall be added to section 45 of the principal Ordinance and shall be numbered (2), section 45 being re-numbered 45 (1) :

(2) The Governor in Executive Council may sanction any expenditure not authorized by the terms of this section, which may be or may have been in good faith incurred by mistake or inadvertence in supposed pursuance thereof.

Proviso added to sub-section (1) of section 116 of the principal Ordinance.

4 The following proviso shall be added at the end and in continuation of sub-section (1) of section 116 of the principal Ordinance :

Provided that in the case of any such consolidation the consolidated premises shall be assessed at the aggregate annual value of the several houses, buildings, lands, or tenements of which they are composed.

Revival of certain repealed sections relative to licenses and concessions for construction of public works and validation of rules made thereunder.

5 Sections 18 to 26 of "The Municipal Councils (Amendment) Ordinance, 1902," which were repealed by the principal Ordinance, shall be revived as from the date of the said repeal as though the same had never been repealed, and shall be read as one with the principal Ordinance, and all rules made under section 25 of the said Ordinance shall be deemed to have been validly made, and to have continued in force, and to be in force, as though they had been enacted in this Ordinance.

Amendment of section 154 of the principal Ordinance.

6 The following section shall be substituted for section 154 of the principal Ordinance :

154. Whenever any street or part of any street vested in the Council shall be discontinued under the provisions of this Ordinance, or is otherwise no longer required for use as a street, the Council, with the sanction of the Governor, may sell, lease, or exchange such street or part, and in the event of sale or lease, the proceeds thereof shall be paid into the Municipal fund.

Addition of new section 231 A to the principal Ordinance.

7 The following section shall be added immediately after section 231 of the principal Ordinance, and shall be numbered 231 A :

231 A. (1) No matter or thing done by, and no contract entered into by, any Municipal Council, and no matter or thing done by any member of any Municipal Council, or by any officer of any Municipal Council, or other person whomsoever acting under its direction, shall, if the matter or thing was done or the contract was entered into *bona fide* for the purpose of executing this Ordinance, subject them or any of them personally to any action, liability, claim, or demand whatsoever ; and any expense incurred by any such Council, member, officer, or other person acting as last aforesaid shall be borne and repaid out of the Municipal fund.

Protection of Council and its officers.

(2) Subject and without prejudice to any other powers, a Municipal Council, where the defendant in any action, prosecution, or other proceeding is their officer, agent, or servant, may if they think fit, except so far as the court before which the action, prosecution, or other proceeding is heard and determined otherwise directs, pay out of the Municipal fund all or any part of any sums payable by the defendant in, or in consequence of, any action, prosecution, or other proceeding, whether in respect of costs, charges, expenses, damages, fine, or otherwise.

(3) The provisions of the last preceding sub-section shall apply to all actions, prosecutions, or proceedings whether instituted before the coming into operation of this section or otherwise.

Amendment of schedule D of the principal Ordinance.

8 In paragraph 2 of schedule D to the principal Ordinance, for the words "For every bicycle (or tricycle) car or cart," there shall be substituted the words "For every bicycle or tricycle, or bicycle car or cart, or tricycle car or cart."

By His Excellency's command,

Colonial Secretary's Office,
Colombo, May 3, 1917.

R. E. STUBBS,
Colonial Secretary.

Statement of Objects and Reasons.

SECTION 2 deals with the difficulty that has been experienced as to the provisions of the Ordinance with reference to voting on behalf of companies. Under section 12 (3) companies may empower any person to vote on their behalf, either by a general power of attorney or by a "special resolution." It is not the general custom for companies to appoint agents with general powers of attorney, and the words "special resolution" have in practice been interpreted as meaning a special resolution passed at a general meeting of the company. The procedure for passing a special resolution at a general meeting of the company is necessarily very troublesome, and in all probability this was not intended by the Legislature. It is accordingly proposed that the special resolution above referred to shall be a special resolution of the Board of Directors.

2. The object of section 3 is to authorize the Governor in Executive Council to deal with cases which from time to time occur, where expenses have been irregularly but inadvertently incurred in supposed pursuance of the powers of the Council. Advantage has also been taken to add the words "or institution" at the end of paragraph (j) of section 45, so as to make it clear that such institutes as the Pasteur Institute in India may be paid contributions as has been done in the past.

3. By section 4 provision is made to restore what had hitherto been understood to be the law with reference to assessments of consolidated properties in Municipalities, until a recent decision of the Supreme Court in case No. 37,959 of the District Court, Colombo, upset this view. The proviso added by this section makes it clear that for the purposes of consolidation of property for assessment under section 116 of the Ordinance the annual value shall be determined by a computation of the individual rental actually paid by the occupant or occupants of each separate house or building comprised in the consolidated property.

4. The object of section 5 is to revive certain important sections of the law regulating the powers of Municipal Councils, which in some unexplained manner disappeared at the time of the consolidation of 1910. These sections give Municipalities a general power to grant licenses or concessions, exclusive or otherwise, and perpetual or temporary, for any purpose approved by the Governor in Council. These sections authorize the execution of the necessary works, the breaking up of streets, and other incidental operations, and make these works and operations subject to rules to be framed by the Council. The validity of certain rules made by the Colombo Municipal Council under the repealed sections relating to a concession still in force is open to question, as well as the power of the Council to authorize the breaking up of streets for purposes incidental to the concession. It is accordingly proposed to revive the repealed sections, and to validate the rules made thereunder.

5. Section 6 amends section 154, which has been found to be so drafted as not to cover cases to which it was thought to apply. As it stands it does not authorize the sale of a discontinued street, unless the street has been wholly stopped up, and it does not authorize the exchange or lease of a discontinued street, but only its sale. The section is amended accordingly.

6. Section 7 inserts certain new provisions for the protection of the Council and its officers. Sub-section (1) is based upon section 265 of "The Public Health Act, 1875." Sub-section (2) is based upon section 226 of "The Municipal Corporation Act, 1882." Sub-section (3) is a new section, which declared that the power of the Council to pay the legal expenses of their officers, agents, or servants in any action brought against them applies to actions, prosecutions, or other proceedings already instituted.

7. Section 8 supplies an omission.
