It is with great pleasure that we present the Retrospective Sri Lanka National Bibliography (1911-1920). While compiling the current National Bibliography the National Library and Documentation Centre (NLDC) also paid attention to compilation the Retrospective National Bibliography. The Retrospective Bibliography should cover the period of 1737(the year printing was introduced to Sri Lanka) to 1962 (the year in which the compilation of the Sri Lanka National Bibliography commenced). Upto now bibliographies covering the period 1737-1910 and 1962 were published. Retrospective Sri Lanka National Bibliography (1911-1920) can be considered as another step of this project.

The following sources were used for compiling this bibliography:

- Ceylon Gazette Part V . These quarterly issues include information of books printed in Sri Lanka and registered at the Department of National Archives under the Printers and Publishers Ordinance of 1885.
- National Museum Library
- University of Peradeniya Library
- Colombo Public Library
- National Library of Sri Lanka
- Royal Asiatic Society (Ceylon Branch) Library
- A Bibliography of Ceylon by H.A.I. Goonetilleke
- Bibliography of educational reports on Sri Lanka from 1796-1986 compiled by Saumya Kodagoda

Only the English language publications published during the relevant period are included in this bibliography. It consists of (1) subject section (2) author, title index and (3) subject index. Classification was done using 21st edition of the Dewey Decimal Classification. Information in the entries are arranged in accordance with the second edition of the Anglo-American Cataloguing Rules (AACR 2). The subject index has been prepared using the Chain Indexing System.

For the benefit of the users, the location of books are indicated at the end of each entry.

I thank Heads and Librarians of all the above mentioned institutions who rendered assistance to collect bibliographical information for this publication. The Bibliography has been compiled by the Bibliographic Services Division of the National Library and Documentation Centre. I am grateful to Mr. U.P. Alahakoon, Head, Bibliographic Services Division and Miss Chandima Wadasinghe, Assistant Librarian for compiling this bibliography.

/

Readers are invited to bring to the notice of the NLDC any shortcomings, errors or details of eligible publications which have not been included in this publication.
