This, however, will not preclude applicants from submitting to me for registration applications for land within this area with a view of ascertaining whether there are any objections to the sale or lease.

4. The next areas to be closed for survey will be areas Nos. 1 and 2. Applications for the purchase or lease of Crown land in these two areas should be forwarded to me as early as possible.

5. The date of closure of Nos. 1 and 2 areas will be shortly published, and will represent the date of completion of all work in area No. 3.
