Separate tenders should be made for the several rents as shown above.

Tenders must be handed in personally, and no tender received by post will be accepted, nor will any tender received after the day and hour above mentioned be considered.

The successful tenderer will be required to deposit forthwith one-tenth of the purchase amount in cash; and

should the offer be accepted by His Excellency the Governor to furnish approved security for one-half of the purchase amount, or in cash for one-third of the purchase amount, within thirty days of the date of the receipt by him of the notification of the Governor's acceptance of his offer.

He will also be required to deposit money to pay the fees of the Crown Proctor for examining and giving his opinion on the title deeds of properties tendered by him as security and for examining and settling the security bond, and the fees charged by the Crown Proctor for examining documents and drawing the security bond, the expenses of appraising the properties, and the stamp duty on the bonds under the Ordinance No. 22 of 1909.

All title deeds tendered as security should be accompanied by a certificate obtained from the Registrar of Lands that the lands to which they relate are unencumbered. This certificate must be obtained at the cost of the party offering the security.

Further information can be obtained on application to the Government Agent, Jaffna, or the Assistant Government Agent, Mannar.

Rents for which satisfactory tenders are not received will be put up to auction after the opening of the tenders on the same day for which tenders are called.

1. The timber will be put up in lots to suit buyers, at a rate per cubic foot, and no advance of less than 10 cents per cubic foot will be accepted.

2. The highest bid will be accepted, subject to the approval or disapproval of the Conservator of Forests. The highest bidder will be required by the officer conducting the sale to sign the sale book kept for the purpose directly a lot has been knocked down to him.

3. Payment of 25 per cent. of the successful bid to be made at time of sale if so required.
